Delivery Checklist	17

Assembly Location

- Belvidere, Illinois

Customers who seek legendary Jeep off-road capability, the luxurious lines of Jeep Grand Cherokee and the affordability of the Patriot find their place in the 2013 Jeep Compass.

Compass delivers on- and off-road performance with 4x4 capability and the coveted Trail Rated® badge on models equipped with Freedom Drive II® Off-Road Group. And because Compass is green to its soul, it delivers outstanding fuel efficiency — up to 9.1(31) city/6.8(43) highway L/100 km on 2WD Sport models with manual transmissions.

Even more importantly, Compass cares as much about its occupants — and their budget — as it does the environment, with over 30 available safety features, all starting at under \$21,000.

Key Reasons To Buy

- One of the most affordable SUVs in Canada
- Most capable SUV in its class with Freedom Drive II®
- Classic Jeep® styling
- Best-in-Class rear seat legroom (almost three inches more than a midsize SUV [Escape])
- Fuel economy of a compact car – up to 6.8 L/100 KM (43 mpg)
- Priced like a compact car
- Unsurpassed max towing
- Best-in-Class max cargo capacity

2013 Jeep Compass – What's New

The Jeep® Compass is more than just a compact SUV. In fact, it's the most capable SUV in its class. The Jeep® Compass is at home whether you're on your daily commute, towing up to 907 kg (2,000 lbs), or exploring the roads less travelled. And Compass allows you to go further with less fuel, returning 39 mpg (7.2 L/100 km) on the highway — making it Canada's most fuel efficient 4x4 SUV.

For 2013, Compass offers convenience at all trim levels. SiriusXM Satellite Radio and Uconnect™ Voice Command with Bluetooth® Phone are now available for Sport models. 16-inch aluminum wheels are now standard equipment on models equipped with the 2.0L.

Convenience and capability make the Jeep® Compass a fun and smart choice for a compact SUV.

KEY UPDATES

- All Compass models now feature standard front wheel spats (except when equipped with Freedom Drive II Group)
- Models with 2.0L engines now come standard with 16-inch aluminum wheels
- SiriusXM Satellite Radio Group now available on Sport
- Uconnect™ Voice Command with Bluetooth® Phone now available on Sport
- SiriusXM Satellite Radio remains a no-charge option if ordered with the Sun and Sound Group

NEW PAINT COLOURS:

- Winter Chill Pearl
- Black Forest Green Pearl

DISCONTINUED PAINT COLOURS:

- Copperhead Pearl
- Rescue Green Metallic

SUVPS

SAFETY/SECURITY

- Halogen headlamps and premium projector-type fog lamps
- Variable intermittent front wipers and fixed intermittent rear
- Four-wheel disc antilock brakes [four-wheel ABS (front disc/rear drum) on 2WD Sport]
- Standard cruise control
- Electronic Stability Control with Brake Assist, All-Speed Traction Control, Hill Start Assist and Electronic Roll Mitigation
- Available remote keyless/illuminated entry
- Available Security and Cargo Convenience Group
- Tire Pressure Warning Lamp and available Tire Pressure Monitoring Display
- Child Seat Anchor System (LATCH)
- Supplemental side-curtain air bags and available supplemental front seat-mounted side air bags
- Advanced multistage front air bags
- Sentry Key® anti-theft engine immobilizer
- Reactive front-seat head restraints
- Hands-free communication with Bluetooth® now available on all models

UTILITY

- Standard deep-tinted sunscreen glass
- More than 1,700L of cargo capacity with available fold-flat front-passenger and rear-folding seats
- Rear window wiper/washer and defroster
- Cargo-area lighting features an available removable/rechargeable LED flashlight
- Rear bumper step pad
- 60/40 split-folding rear seat, an available fold-flat front-passenger seat and available reclining rear seatbacks
- All sound systems feature MP3 capability
- Available advanced technologies (automatic temperature control and Uconnect™ phone)
- Available Universal Garage Door Opener
- Centre console features a sliding adjustable armrest, storage for an MP3 player or cell phone and an available 115-volt AC outlet
- Illuminated front cup holders

SUVPS

VALUE

- 3-year/60,000-kilometre Basic Limited Warranty with Roadside Assistance and 5-year/100,000-kilometre Powertrain Limited Warranty and Corrosion Protection Warranty provide excellent coverage for a positive ownership experience
- 4x4 fuel economy – up to 9.2 L/100 km (31 mpg) city; 7.2 L/100 km (39 mpg) hwy (when equipped with 5-speed manual transmission and 2.4 L engine)
- Available Trailer Tow Prep Group for up to 907 kg (2,000 lbs) of towing capacity
- Available North All Season Group includes heated front seats, leather-wrapped steering wheel, remote start (only with CVT) and steering wheel-mounted audio controls. Available on North 4x4 and 4x2
- Available Sun and Sound Group includes 9-speaker Boston Acoustics® sound system with flip-down liftgate speakers, a power sunroof with express open/close feature, and leather-wrapped steering wheel with mounted audio controls
- Standard premium cloth bucket seats
- Available heated front seats – premium cloth or leather-faced
- Uconnect™ Media Centre features provide the flexibility to play a variety of media, including CDs, DVDs, USB drives, MP3/WMA files and SiriusXM™ Satellite Radio including one-year subscription
- Available Uconnect™ Navigation features include Garmin® GPS navigation with points of interest and voice command
- For 2013 the SiriusXM™ Satellite Radio Group is available on the Sport model

PERFORMANCE

- The four-cylinder engines feature dual Variable Valve Timing (VVT) – 2.0L (158 hp) or an available 2.4L (172 hp)
- Choice of 5-speed manual or available Continuously Variable Transaxle – CVT2 automatic transaxle
- Four-wheel independent touring-tuned suspension – MacPherson strut front and multilink rear
- Available Freedom Drive II® Off-Road four-wheel-drive system with selectable Off-Road mode, low-crawl ratio feature and selectable LOCK mode
- All-season touring, or available all-season performance tires
- New standard front wheel spats

STYLING

- Jeep brand styling includes a seven-slot grille, round headlamps and trapezoidal wheel openings
- Body colour spoiler
- 17-inch aluminum and available 18-inch chrome-clad aluminum wheels (Limited)
- Clean, comfortable, modern interior design with high-quality soft-touch materials on door trim and centre console

Model Lineup

SPORT 4X2

SPORT 4X4

Selected Standard Equipment:

- 5-speed manual transmission
- 2.4L I4 – 172 hp, 165 lb-ft of torque and up to 7.0 L/100 km (40 mpg) hwy 9.0 L/100 km (31 mpg) city when equipped with 5-speed manual transmission on 4x2 models
- Premium cloth seating
- Tilt steering column
- Steering wheel-mounted cruise control
- 17-inch aluminum wheels
- Fog lamps
- Electronic Stability Control with Hill Start Assist, Electronic Roll Mitigation and Brake Assist
- Advanced multistage front air bags, front and rear side-curtain air bags
- Reactive front head restraints
- 60/40 split-folding rear seat
- Uconnect™ 130 CD/MP3, auxiliary input jack
- Antilock front disc brakes
- Illuminated cup holders, full-length floor console
- Side roof rails
- Outside temperature display
- Removable rechargeable flashlight
- 525-amp maintenance-free battery

AVAILABLE OPTIONS

- 2.0L I-4 - 158 hp, 141 lb-ft of torque and up to 6.6 L/100 km (43 mpg) hwy (Sport & North)
- Automatic transmission (all models)
- Air conditioning (Sport)
- Uconnect™ 230 (all models)
- Uconnect 430 (North, Limited)
- Sun and Sound Group (North, Limited)
- Security and Cargo Convenience Group (North, Limited)
- SiriusXM™ Satellite Radio Group (Sport)
- Front-seat side air bags (Sport)
- Trailer Tow Group (North, Limited)
- 18-inch chrome-clad aluminum wheels (Limited)
- Freedom Drive II® Off-Road Group (all models)
- North All Season Group (North)
- Uconnect™ with hands-free communication with Bluetooth (Limited)
- 18-inch aluminum wheels (Limited)
- Premium Sound Group (North, Limited)
- Full-size spare tire (all models)
- Uconnect™ 430N with Navigation (Limited)

Model Lineup

NORTH 4X2

NORTH 4X4

Differences/upgrades vs. Sport:

- Air conditioning
- Power windows and locks
- Remote keyless entry
- Illuminated entry
- Power-heated mirrors; manual foldaway
- 60/40 rear seat with recline
- Driver seat height adjuster
- Front passenger fold flat seat
- 115V power outlet
- Body-colour exterior door handles and liftgate brow
- Deep-tinted sunscreen glass

LIMITED 4X2

LIMITED 4X4

Differences/upgrades vs. North:

- Leather-faced seating
- Heated front seats
- 18-inch aluminum wheels
- Leather-wrapped steering wheel with audio controls
- Antilock four wheel disc brakes
- 6-way power driver seat
- Manual 4-way driver lumbar adjust
- Electronic Vehicle Information Centre
- SiriusXM™ Satellite Radio including one-year subscription
- Automatic temperature control
- Bright exhaust tip
- Bright side roof rails
- Universal Garage Door Opener

FREEDOM-DRIVE™ - AVAILABLE

Freedom Drive I®

- Fully automatic 4WD
- Suitable for full-time driving
- Fuel-efficient FWD operation under normal driving; when slip is detected, power is directed to the rear wheels
- The 4LOCK system splits torque evenly front and back for improved traction on slippery or loose surfaces

Freedom Drive II®

- Fully automatic 4WD
- Adds to Freedom Drive I®
- Hill Descent Control provides a smooth and controlled descent using electronic brake control
- The 4LOW system locks the front and rear axles, allowing all four wheels to turn at the same speed
- 19:1 crawl ratio provides greater torque for rock-crawling

2013 FUEL ECONOMY

Fuel Economy - L/100 KM (MPG)	City	Highway
2.0L I4 DOHC with 5-speed manual	8.9 (32) 4x2	6.6 (43) 4x2
2.0L I4 DOHC with CVT	9.3 (30) 4x2	7.2 (39) 4x2
2.4L I4 DOHC with 5-speed manual	9.0 (31) 4x2	7.0 (40) 4x2
	9.2 (31) 4x4	7.2 (39) 4x4
2.4L I4 DOHC with CVT (and CVTII on 4x4)	9.6 (29) 4x2	7.3 (38) 4x2
	9.9 (29) 4x4	7.6 (37) 4x4

For additional vehicle information, inventory search and build and price functions please visit the Vehicle Knowledge area located on DealerCONNECT under the Marketing tab.

Based on 2013 EnerGuide highway fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Ask your retailer for EnerGuide information.

Product Presentation

During the Product Presentation, you work as an advisor by matching vehicle features to a customer's SUVPS buying motivations. Focus the conversation on the key features that will influence your particular customer's purchase decision. For each feature, remember to emphasize the benefits to the customer — the reasons why Compass is their best purchase choice. Some features may be optional or not available on some models. Consult the Features, Options & Package Groups charts or the Code Guide to determine the availability of specific Compass features.

FRONT

JEEP COMPASS FEATURES/FUNCTIONS	CUSTOMER BENEFIT
HALOGEN HEADLAMPS	
<ul style="list-style-type: none"> • Large halogen headlamps underwent computer simulation for light placement for optimum sign illumination, down-road placement and spread • Wraparound design 	<ul style="list-style-type: none"> • Deliver the illumination customers need • Contribute to the distinctive Jeep Compass appearance
PROJECTOR-STYLE FOG LAMPS	
<ul style="list-style-type: none"> • Projector-style premium fog lamps 	<ul style="list-style-type: none"> • Provide increased road surface illumination and cut down on glare in low visibility conditions such as fog or snow
3-YEAR/60,000-KILOMETRE BASIC LIMITED WARRANTY	
<ul style="list-style-type: none"> • Includes Roadside Assistance • Covers the complete vehicle against defects in factory-supplied materials and workmanship • Excludes tires, wiper blades, clutch discs or module clutch assembly, brake linings, brake rotors, pads and drums, windshield, rear window, wheel alignment, wheel balancing and normal maintenance items • Stays with the vehicle and transfers automatically to subsequent owners at no cost during the warranty period 	<ul style="list-style-type: none"> • Provides total peace-of-mind confidence
5-YEAR/100,000-KILOMETRE POWERTRAIN LIMITED WARRANTY	
<ul style="list-style-type: none"> • Includes subsequent owner coverage transfer at no cost, towing, and elimination of the 5-year powertrain inspection requirement 	<ul style="list-style-type: none"> • Delivers excellent coverage for a positive ownership experience
CORROSION PROTECTION WARRANTY	
<ul style="list-style-type: none"> • 3 years unlimited metrage, 5/160,000 outer body panels against holes 	<ul style="list-style-type: none"> • Emphasizes product quality and durability
2.0L I-4 DOHC 16V DUAL VVT ENGINE (AVAILABLE 4X2 MODELS)	
<ul style="list-style-type: none"> • Produces 158 hp and 141 lb-ft of torque • Features Variable Valve Timing (VVT), manifold flow control valves and Electronic Throttle Control (ETC) • Matched to an available CVT or 5-speed manual transmission 	<ul style="list-style-type: none"> • Provides customers with up to 6.6 L/100 km 43 mpg (highway) • Exhibits smooth idle and responsive low-speed operation, quiet idle quality, reduced exhaust emissions and responsive acceleration • Meets the standards for both Low Emission Vehicle II (LEVII) and Ultra Low Emission Vehicle II (ULEVII)
2.4L I-4 DOHC 16V DUAL VVT ENGINE	
<ul style="list-style-type: none"> • Produces 172 hp and 165 lb-ft of torque • Features Continuously Variable Timing (CVT) on both intake and exhaust camshafts – helps to allow the valves to be constantly adjusted to increase power, torque and economy • Manifold flow control valves help the air and fuel to mix thoroughly • Electronic Throttle Control (ETC) contributes to optimal driveability, superb part-throttle acceleration and enhanced vehicle system diagnostics 	<ul style="list-style-type: none"> • Provides customers with up to 7.0 L/100 km 40 mpg (highway) • CVT helps to provide peak power, torque and fuel economy as well as smooth idle and responsive low-speed operation • Manifold flow control valves provide optimal fuel economy and idle quality, as well as reduced exhaust emissions • ETC contributes to improved driveability, especially in partial throttle acceleration and when using speed control • Meets the standards for both Low Emission Vehicle II (LEVII) and Ultra Low Emission Vehicle II (ULEVII)

Product Presentation

FRONT

JEEP COMPASS FEATURES/FUNCTIONS	CUSTOMER BENEFIT
5-SPEED MANUAL TRANSMISSION	
<ul style="list-style-type: none"> Provides excellent shift quality and rugged durability 	<ul style="list-style-type: none"> Delivers excellent shift feel and efficient performance
AVAILABLE CONTINUOUSLY VARIABLE AUTOMATIC TRANSAXLE WITH AUTO/STICK™ (CVT)	
<ul style="list-style-type: none"> Using a system of two pulleys connected by a multilayered high-strength steel belt, the engine speed drives the primary pulley and pushes the special steel belt, which then turns the secondary pulley One side of each pulley is fixed and one side is movable, allowing the belt to ride lower or higher and change the gear ratios Ratios between pulleys adjust continuously to provide optimum efficiency in response to acceleration and torque requirements 	<ul style="list-style-type: none"> Eliminates the step-shifts and delivers a smooth, immediate response Provides optimum gear ratio at all times and in all conditions Delivers optimal fuel efficiency due to operating at peak effectiveness all the time
FUEL ECONOMY L/100KM (MPG) CITY/HIGHWAY	
<ul style="list-style-type: none"> 2.0L I4 DOHC/5 speed MTX - 8.9 L/100 km (31)/6.6 L/100 km (43) FWD 2.0L I4 DOHC/CVT - 9.3 L/100 km (31)/7.2 L/100 km (39) FWD 2.4L I4 DOHC/5-speed MTX - 9.0 L/100 km (31)/7.0 L/100 km (40) FWD and 9.2 L/100 km (31)/7.2 L/100 km (39) 4WD 2.4L I4 DOHC/CVT - 9.6 L/100 km (29)/7.3 L/100 km (39) FWD and 9.9 L/100 km (29)/7.6 L/100 km (37) 4WD 	<ul style="list-style-type: none"> Excellent capability and efficient performance
FOUR-WHEEL INDEPENDENT TOURING-TUNED SUSPENSION	
<ul style="list-style-type: none"> MacPherson front strut suspension: touring-tuned to provide an optimum balance of ride, handling and noise isolation Multilink rear suspension: allows individual articulation of the rear wheels over varying road surfaces while ensuring their secure positioning on the chassis 	<ul style="list-style-type: none"> Enhances ride quality for a comfortable and quiet ride Offers athletic, nimble handling while minimizing noise, vibration and harshness
AVAILABLE FREEDOM DRIVE II® OFF-ROAD 4WD WITH SELECTABLE OFF-ROAD MODE, LOW CRAWL RATIO FEATURE AND SELECTABLE LOCK MODE	
<ul style="list-style-type: none"> Features state-of-the-art electronically-controlled coupling and on-demand, reactive, full-time 4WD capabilities of Freedom Drive I® plus: <ul style="list-style-type: none"> Combination of CVT2L and Off-Road Brake Traction Control features 19:1 crawl ratio, 50/50 torque distribution, as well as powerful one-wheel gripping capability for optimum off-road capability Hill Descent Control (HDC grade-sensing capability added to the ESC) automatically modulates the brakes to help maintain a safe and controlled vehicle speed in steep and slippery descents 	<ul style="list-style-type: none"> Provides added off-road rock-crawling and water-fording performance without the added weight and expense of an additional transfer case CVT2L and Off-Road Brake Traction Control helps keep Compass moving forward when one wheel loses traction during heavy articulation or on split-traction surfaces HDC helps maintain a safe and controlled vehicle speed of less than 8 km/h to assist in steep and slippery descents – a part of the Off-Road ABS feature
SOPHISTICATED DESIGN WITH CLASSIC JEEP BRAND STYLING	
<ul style="list-style-type: none"> Traditional Jeep brand styling includes a classic design, seven-slot grille, round headlamps and trapezoidal wheel openings Incorporates modern design interpretations into classic Jeep styling; fenders, hood, grille, fascias, headlamps, and projector fog lamps 	<ul style="list-style-type: none"> Provides a nostalgic link to Jeep design heritage

Product Presentation

FRONT

JEEP COMPASS FEATURES/FUNCTIONS	CUSTOMER BENEFIT
CHOICE OF THREE DISTINCT TRIM LEVELS	
<ul style="list-style-type: none"> Choice of three trim levels — Compass Sport, Compass North and Compass Limited 	<ul style="list-style-type: none"> Allows customers to choose the collection of features that best suits their lifestyle and preferences
FREEDOM DRIVE I® 4WD SYSTEM	
<ul style="list-style-type: none"> Compass models with four-wheel drive feature an increased ride height Has a selectable LOCK mode 	<ul style="list-style-type: none"> Contributes to better off-road performance

DRIVER SIDE

JEEP COMPASS FEATURES/FUNCTIONS	CUSTOMER BENEFIT
FOUR-WHEEL DISC ANTILOCK BRAKING SYSTEM (ABS)	
<ul style="list-style-type: none"> Modulates the brakes to provide steering control while braking Included with 4WD systems and Limited trim level Front disc/rear drum ABS on 2WD models (Limited 4-wheel disc brakes) 	<ul style="list-style-type: none"> Provides excellent stopping performance and fade resistance Helps to maintain vehicle traction, control, manoeuvrability and stability
ELECTRONIC STABILITY CONTROL (ESC)	
<ul style="list-style-type: none"> Compares the driver's intended course with the vehicle's actual course and then compensates for differences Senses when a vehicle is starting to spin (oversteer) or plow (understeer) Helps to correct the vehicle's course by automatically adjusting the throttle and applying the brakes at individual wheels 	<ul style="list-style-type: none"> Automatically helps/assists driver in maintaining control of their vehicle during extreme steering manoeuvres Provides added driving confidence, particularly in rain and snow
BRAKE ASSIST	
<ul style="list-style-type: none"> Overcomes the tendency of not applying the brakes hard enough in an emergency braking situation by using the ESC system to instantly apply the maximum available brake pressure A component of the ABS/ESC system 	<ul style="list-style-type: none"> Helps vehicle stop sooner in emergency situations by reacting faster than the driver is able to apply maximum brake pedal pressure Helps provide the shortest possible stopping distance in emergency braking situations
ALL-SPEED TRACTION CONTROL	
<ul style="list-style-type: none"> Monitors the amount of wheelspin of each of the driven wheels Applies brake pressure to the slipping wheel(s) and reduces engine power to provide enhanced acceleration and stability Controls the wheelspin across a driven axle (similar to a limited-slip differential) If one wheel on a driven axle is spinning faster than the other, the system will apply the brake and slow down the spinning wheel Allows more engine torque to be successfully applied to the wheel with traction to move the vehicle A component of the ABS/ESC system 	<ul style="list-style-type: none"> Helps reduce wheel slip as the vehicle is accelerating Provides increased driving confidence on all road surfaces, but especially on sand and gravel as well as wet and snowy roads

Product Presentation

DRIVER SIDE

JEEP COMPASS FEATURES/FUNCTIONS	CUSTOMER BENEFIT
ELECTRONIC ROLL MITIGATION	
<ul style="list-style-type: none"> • Monitors the driver's steering wheel input and the speed of the vehicle to sense the potential for wheel lift • Detects when the sudden buildup of lateral force during a severe turn or evasive manoeuvre can cause the vehicle to start to tip • Applies the brakes with a high burst of pressure to cause the outside tire to slip and the vehicle's weight to transfer back over the inside tires and helps keep all four tires solidly on the ground • A component of the ABS/ESC system 	<ul style="list-style-type: none"> • Provides an enhancement to the Electronic Stability Control to help reduce the likelihood of a vehicle side rollover • Reduces the chance of a rollover in sudden manoeuvres and evasive events • Provides additional security and confidence by keeping all four tires solidly on the ground
HILL START ASSIST	
<ul style="list-style-type: none"> • Enhancement to ESC • Automatically maintains brake pressure when driver releases the brake pedal while driving uphill • Prevents vehicle rollback on a steep grade when the driver is transitioning from the brake to the accelerator • Included only with manual transmissions 	<ul style="list-style-type: none"> • Allows the driver time to transition from brake to throttle to achieve smooth launch on grade • Contributes to ease of use and safety by preventing vehicle rollback on steep grades
AVAILABLE HILL DESCENT CONTROL	
<ul style="list-style-type: none"> • Enhancement to ESC • Automatically modulates the brakes to help maintain a safe and controlled vehicle speed of less than 8 km/h to assist in steep and slippery descents • Included in the Freedom Drive II® Off-Road Group 	<ul style="list-style-type: none"> • Provides off-road safety and control for added driving confidence • Supports added safety and security by allowing the driver to focus on steering as it brakes automatically to provide controlled steep descent
REMOTE KEYLESS/ILLUMINATED ENTRY	
<ul style="list-style-type: none"> • Two remote keyless/illuminated entry transmitters provided with vehicle • Unlocks driver door on the first press, and all doors on the second press • Illuminates interior lights when vehicle is unlocked • Includes a "panic" button feature 	<ul style="list-style-type: none"> • Adds to driver convenience and security
VARIABLE INTERMITTENT WINDSHIELD WIPERS	
<ul style="list-style-type: none"> • Intermittent wiper speed can be adjusted to a wide variety of speeds and moisture conditions • Rear wiper is fixed intermittent 	<ul style="list-style-type: none"> • Provide a superior speed selection to fixed variable wipers • Easily adjust to match varying weather conditions
AVAILABLE DEEP-TINTED SUNSCREEN GLASS	
<ul style="list-style-type: none"> • Rear doors, rear-quarter windows and the liftgate have deep-tinted glass • Reduces glare and protects the interior trim from damage by ultraviolet rays 	<ul style="list-style-type: none"> • Helps keep the interior cooler on sunny days • Helps provide visual security
ROOF RACK SIDE RAILS	
<ul style="list-style-type: none"> • Allow for exterior cargo to be securely attached 	<ul style="list-style-type: none"> • Expand cargo-carrying capacity
CRUISE CONTROL	
<ul style="list-style-type: none"> • Allows the driver to set the vehicle speed and then release the accelerator pedal • Easy-to-operate cruise controls are conveniently mounted on the steering wheel • Standard on all models 	<ul style="list-style-type: none"> • Helps reduce driver fatigue during long trips • Steering wheel-mounted controls allow you to keep your hands on the wheel and eyes on the road • May help improve fuel economy

Product Presentation

DRIVER SIDE

JEEP COMPASS FEATURES/FUNCTIONS	CUSTOMER BENEFIT
WHEEL CHOICES	
<ul style="list-style-type: none"> • 16" machine-faced aluminum wheels standard on Sport and North with 2.0L engine • 17" aluminum wheels standard on Sport and North available with 2.4L engine on Limited with Freedom-Drive® off-road group • 18" aluminum wheels standard on Limited • 18" chrome-clad wheels available on Limited models • 18" aluminum wheel available on Limited 	<ul style="list-style-type: none"> • Provide a sophisticated Jeep look and attractive styling
ALL-SEASON TIRES OR AVAILABLE ALL-TERRAIN OWL TIRES	
<ul style="list-style-type: none"> • P215/60R17 all-season tires provide proven performance in all weather conditions • Available P215/65R17 all-terrain tires provide the extra traction and rugged performance required for off-road terrain • Available P205/70R16 BSW all-season tires with 2.0L engine provide increased fuel economy 	<ul style="list-style-type: none"> • Maintain a comfortable highway ride • Provide the best compromise for off-road and on-road ride and handling • Combine sporty all-terrain tires and larger wheels for an exceptional value
AVAILABLE POWER WINDOWS AND DOOR LOCKS WITH EXPRESS UP/DOWN (DRIVER ONLY)	
<ul style="list-style-type: none"> • Lower the front windows with one tap of the power window button, as opposed to having to hold down the button until it has fully retracted 	<ul style="list-style-type: none"> • Increase convenience
AVAILABLE SPEED-SENSITIVE POWER DOOR LOCKS	
<ul style="list-style-type: none"> • Door locks automatically go down when the vehicle starts moving 	<ul style="list-style-type: none"> • Increase convenience and adds an additional level of safety

REAR

JEEP COMPASS FEATURES/FUNCTIONS	CUSTOMER BENEFIT
REAR-WINDOW WIPER AND DEFROSTER	
<ul style="list-style-type: none"> • Feature a fixed, intermittent mode, washer nozzle and a wide swipe area • Include an electric rear-window defroster 	<ul style="list-style-type: none"> • Help to maintain a clean window for optimal rear visibility • Help keep window clear of snow and ice
AVAILABLE TRAILER TOW PREP GROUP	
<ul style="list-style-type: none"> • Package includes the tow wiring harness, and engine oil cooler • Maximizes towing capability 	<ul style="list-style-type: none"> • Compass can tow up to 907 kg (2,000 lb) when equipped with the Trailer Tow Prep Group
CARGO CAPACITY	
<ul style="list-style-type: none"> • With rear seats up – 643L cargo capacity • With rear seats folded – over 1,519L (53.6 cu ft) • With available front-folding passenger seat down and rear seats folded, there is 1,775L (62.7) of cargo space 	<ul style="list-style-type: none"> • Provides ample space for five passengers and plenty of gear • Offers many load/passenger combinations
STANDARD REMOVABLE/RECHARGABLE LED FLASHLIGHT	
<ul style="list-style-type: none"> • Cargo area lamp doubles as a rechargeable LED flashlight that snaps in and out of its housing • Illuminates cargo area and recharges automatically when stored in housing 	<ul style="list-style-type: none"> • Provides the convenience of a flashlight without additional storage or battery concerns • Always charged and ready for use • Also serves as a cargo lamp

Product Presentation

REAR

JEEP COMPASS FEATURES/FUNCTIONS	CUSTOMER BENEFIT
AVAILABLE SUN AND SOUND GROUP	
<p>Includes:</p> <ul style="list-style-type: none"> • A 9-speaker, Boston Acoustics® sound system • Two articulating speakers on the liftgate that flip down to allow sound to be directed outward when liftgate is open and raised • Power sunroof with express open/close and sunshade • Leather-wrapped steering wheel with steering wheel mounted audio controls • SiriusXM™ Satellite Radio including one-year subscription 	<ul style="list-style-type: none"> • Provides a smooth octave-to-octave tonal balance, a natural frequency response and a presentation free of distortion • Steering wheel-mounted audio controls allow for safer channel and volume adjustment • Speakers provide excellent sound for enjoying music outside the cabin • SiriusXM™ Satellite Radio offers 130 digital-quality channels, including music, sports, news, talk, entertainment, traffic and weather, many of which are 100% commercial-free • Coverage is crystal clear, coast-to-coast • The first year of service is included • Sunroof adds an open-air experience to the Compass lineup
REAR STYLING	
<ul style="list-style-type: none"> • Body-colour spoiler • Rear fascias (as well as front fascia and hood) feature modern curves and lines • LED taillamps are standard • Black muffler and exhaust tip are standard on Compass and Compass North models (Limited models feature black muffler and chrome exhaust tip) 	<ul style="list-style-type: none"> • Compass rear exterior features have been modified to offer the perfect marriage of aesthetics and function

PASSENGER SIDE

JEEP COMPASS FEATURES/FUNCTIONS	CUSTOMER BENEFIT
CABIN PARTICULATE AIR FILTER	
<ul style="list-style-type: none"> • Filters out airborne small particles and reduces environmental odours, such as fumes or agricultural smells 	<ul style="list-style-type: none"> • Helps prevent most dust and pollens from entering the passenger compartment when vehicle windows are closed • Maintains a fresh cabin environment
CHILD SEAT ANCHOR SYSTEM (LATCH)	
<ul style="list-style-type: none"> • LATCH is a system for mounting a child seat • Includes lower child seat anchors and upper tether anchors 	<ul style="list-style-type: none"> • Helps ensure safe and proper installation of LATCH-compatible aftermarket child seats
TIRE PRESSURE MONITORING WARNING LAMP AND AVAILABLE TIRE PRESSURE MONITORING DISPLAY	
<ul style="list-style-type: none"> • Wheel-mounted tire pressure sensors detect low pressure on one or more tires and, depending upon equipment level, notify the driver through either a warning lamp on the instrument panel or by messaging through the EVIC • Tire Pressure Warning Lamp is standard 	<ul style="list-style-type: none"> • Monitor tire pressure in all road conditions • Notify driver of tire pressure loss • Help owners maintain proper tire pressure for safe vehicle operation
AVAILABLE FOLD-FLAT FRONT-PASSENGER SEAT	
<ul style="list-style-type: none"> • Front-passenger seat folds flat 	<ul style="list-style-type: none"> • Permits long cargo items to be transported entirely inside the vehicle • Provides flat surface for laptop computer or other items

INTERIOR

JEEP COMPASS FEATURES/FUNCTIONS	CUSTOMER BENEFIT
STYLISH, SOFT-TOUCH INTERIOR	
<ul style="list-style-type: none"> • High-quality, soft materials on door trim and the centre console contribute to a comfortable ride • Standard premium cloth bucket seats and available leather-trimmed seating • Available heated front seats (premium cloth or leather-faced) • Available manual driver lumbar adjuster • Leather-wrapped steering wheel with audio controls and cruise control (available on North and Limited only) 	<ul style="list-style-type: none"> • Enhances the value of Compass with its added luxury and comfort
SUPPLEMENTAL SIDE-CURTAIN AIR BAGS	
<ul style="list-style-type: none"> • Deploy in certain rollover and side-impact events • Help protect both front and rear outboard passengers • Utilize multiple sensors to determine the severity of the impact and/or vehicle rollover 	<ul style="list-style-type: none"> • Provide added peace of mind and occupant protection in side-impact collisions and rollover events
AVAILABLE SUPPLEMENTAL FRONT SEAT-MOUNTED SIDE AIR BAGS	
<ul style="list-style-type: none"> • Housed in the outboard side of each front seat • Each supplemental side air bag has its own impact sensor in order to autonomously trigger the air bag on the side where the side impact occurs 	<ul style="list-style-type: none"> • Provide enhanced protection for the driver and front outboard passenger in certain impacts
REACTIVE FRONT-SEAT HEAD RESTRAINTS	
<ul style="list-style-type: none"> • Designed to help prevent or reduce the extent of injuries to the driver and front passenger in certain types of rear-end impacts • Help slow the velocity of the head as it moves backward during a rear impact • When deployed, the front half of the head restraint extends forward to minimize the gap between the back of the head and the head restraint 	<ul style="list-style-type: none"> • Provide added protection to the driver and front passenger (helping to reduce the risk of a whiplash injury) in the event of a rear impact • They can also be tilted forward and backward for increased comfort
AUTOMATIC TEMPERATURE CONTROL-STANDARD ON LIMITED	
<ul style="list-style-type: none"> • Allows passengers to set their zone's temperature independent of the other zone's temperature • Employs infrared sensors to measure the surface temperature of each zone 	<ul style="list-style-type: none"> • Adds to overall passenger comfort and convenience
AVAILABLE UCONNECT™ HAND-FREE COMMUNICATION WITH BLUETOOTH®	
<ul style="list-style-type: none"> • Voice-activated, hands-free communication system using Bluetooth® technology • Calls may be placed and received through the vehicle speakers • Conveniently operates when the user's phone is anywhere in the vehicle 	<ul style="list-style-type: none"> • Allows driver to keep hands on the steering wheel and eyes on the road while making and receiving calls • No additional monthly fees other than the owner's current cell phone bill
AVAILABLE UNIVERSAL GARAGE DOOR OPENER	
<ul style="list-style-type: none"> • Programmable receiver can operate up to three separate devices – garage doors, security lighting or gates • Features rolling-code technology that changes the transmitter code each time the remote button is pressed to prevent code-capturing via scanner 	<ul style="list-style-type: none"> • Provides driver convenience and peace of mind
