PREMIUM WRAP COVERAGE

Toyota Auto Care's prepaid maintenance program helps keep your vehicle performing at its best! Prepaying for your vehicle's regularly scheduled maintenance gives you the peace of mind of knowing that you are insulated from the rising cost of service. You will also have confidence in knowing the maintenance is performed by technicians who are specifically trained to service your vehicle.

AVAILABILITY

PremiumWrap coverage is only available for new Toyotas with "ToyotaCare", the complimentary maintenance plan provided by Toyota.

CONVENIENCE

We will mail you service reminders prior to your scheduled services. When you take your vehicle in for its scheduled service, simply present your Service Certificate to your participating Toyota dealer. Factory-trained technicians are familiar with what is covered under your plan, which saves you time whenever you bring your vehicle in for service.

SERVICE HISTORY

At the end of the plan term, you will receive a detailed Service History of the covered maintenance services performed on your vehicle, which may enhance your vehicle's resale value.

Premium Wrap coverage begins when services under "ToyotaCare" expire and includes all scheduled maintenance services referenced in the "Maintenance Log" section of your Warranty and Maintenance Guide, including the MAJOR MAINTENANCE recommended at every 15,000 and 30,000 miles service interval1 for the plan term you purchase.

The following services will be performed at each scheduled visit2:

- Engine Oil and Engine Oil Filter Change*
- Check and Replenishment of Fluids
- Tire Rotation
- Multi-point Inspection, may include:
  - Fluids inspected and replenished:
    - Brake Master Cylinder
    - Clutch Master Cylinder
    - Transmission
    - Differential
    - Coolant
    - Windshield Washer
    - Power Steering
    - Transfer Case (applicable vehicles)

- Visual Inspection of:
  - Air Filter
  - System Hoses (cracking/leaks)
  - Drive Belts (cracking/damage/leak)
  - Axle Boots (damage/leaks)
  - Shock Absorbers/Suspension
  - PCV Valve (if applicable)
  - Cooling System
  - Exhaust System/Muffler
  - Tire Wear
  - Tire Pressure Check and Adjustment
  - Windshield Wipers

The multi-point inspection of critical components of your vehicle can save you money by identifying potential problems, such as excessive wear. Early detection can reduce the possibility of a part failure.

Ask your Toyota Sales Consultant or Financial Services Manager about the advantages of Toyota Auto Care and other programs we have to offer!

This brochure is intended as a sample of Premium Wrap coverage. The actual time and mileage coverage, exclusions, and limitations of the agreement issued to a customer may vary by both the vehicle model and according to the plan chosen by the customer. Services or repairs not covered by your Premium Wrap plan are your responsibility, even if additional services are recommended by your dealer or revealed by inspections covered by your plan. Consult your vehicle’s Warranty and Maintenance Guide for the factory-recommended service intervals.
