

Protect yourself and  
your vehicle with:

- ✓ Mechanical Breakdown  
Coverage
- ✓ Rental Reimbursement
- ✓ Trip Interruption  
Coverage
- ✓ Roadside Assistance

## Additional Benefits

**ROADSIDE ASSISTANCE** - Benefits include towing, flat tire changes, jump starts, fluid delivery, and lockout assistance. MAP covers up to \$100 per occurrence (less the cost of parts or fluids required).

**TRIP INTERRUPTION** - You also have the added benefit of expense coverage for overnight stays and meals incurred if you are stranded due to the failure of a covered breakdown and you are more than 100 miles from your home. MAP provides up to \$125 per day (maximum of 5 days) for trip interruption.

**RENTAL REIMBURSEMENT** - MAP provides up to \$40 per day (maximum of 5 days) for alternate transportation if your vehicle is in a repair facility undergoing repairs for a covered breakdown.

**UNLIMITED NUMBER OF CLAIMS** - The number of claims on your vehicle is unlimited. See your contract for details on payable claims.

**NATIONWIDE COVERAGE** - MAP is honored in both the United States and Canada. If you happen to be traveling, you can have confidence that repairs of a covered component will be taken care of for you. Just call our toll free number for prior approval.

## Motorist Assistance Plan Classic Used

### Vehicle Service Contract

The one feature no vehicle  
should be without:

A MAP<sup>®</sup> Classic Vehicle  
Service Contract is a wise  
investment when purchasing  
a pre-owned vehicle.

Buyers are financing vehicles for longer terms,  
driving them farther and keeping them longer—  
frequently well beyond the limits of the factory  
warranty.

As vehicles become more sophisticated,  
repair and maintenance issues become more  
challenging—and expensive.

A MAP Vehicle Service Contract is one of the  
best investments you can make. It protects  
you from unexpected repair costs and gives  
you confidence, knowing that you (or your  
loved ones) are covered against the expense,  
inconvenience, and danger of a breakdown.

Don't take chances.  
Make sure you're protected  
with a MAP<sup>®</sup> Classic  
Vehicle Service Contract.

## Platinum

**PLATINUM COVERAGE** includes parts listed below PLUS all parts listed in the **GOLD**, **SILVER** and **BRONZE** programs:

**ENGINE** - belt tensioners; cam gear bolt; harmonic balancer bolt; and head bolts.

**TRANSMISSION** - transmission cooler.

**TRANSFER CASE** - 4X4 sensors.

**DRIVE AXLES** - center support/carrier bearings; and differential cover.

**AC/HEATING** - accumulator; drier; expansion valve; idler pulley; heater core; and blower motor.

**SUSPENSION** - electronic stability control system; traction control system; control arms; factory or dealer installed manufacturer's accessory lift kits and/or oversized tires that still remain within manufacturer's specifications; McPherson struts; ball joints; king pins and bushings.

**STEERING** - tire pressure monitoring system; pitman arm; idler arm; tie rod ends; and drag link.

**COOLING** - radiator fan shroud; and coolant recovery tank.

**BRAKE** - crash avoidance system.

**ELECTRICAL** - ignition coil; horns; distributor; windshield wiper motors; windshield wiper linkage; windshield washer pump; power trunk release; wiring harnesses; cruise control systems; adaptive cruise control systems; ignition lock cylinder; and all manually operated switches.

**COMFORT PACKAGE** - (manufacturer installed only) keyless entry system; push button starting system; manufacturer installed communication systems; GPS and entertainment systems, including factory installed DVD and MP3 players; night vision systems and displays; and lane departure warning systems.

**ELECTRIC VEHICLE (EV) AND HYBRID VEHICLES** - control systems; cooling systems; motor/generator/traction motor and all internally lubricated parts; on board charger; on board charger connector; on board trickle charger cable; power invertors; and regenerative braking systems components.

## Gold

**GOLD COVERAGE** includes parts listed below PLUS all parts listed in the **SILVER** and **BRONZE** programs:

**TRANSMISSION** - transmission control module (TCM).

**AC/HEATING** - (includes only factory or dealer installed equipment) condenser fan/motor; driver operated A/C controls; and electronic A/C control module.

**COOLING** - radiator; cooling fan; cooling fan motor; and fan clutch.

**FUEL SYSTEM** - fuel injection pump; fuel injectors; fuel tank; metal fuel lines; fuel pressure regulator; fuel sending unit; fuel gauge; idle air control (IAC) valve and motor; engine control module (ECM); and fuel injection sensors.

**BRAKE** - anti-lock brake system (ABS); hydraulic lines and fittings; and parking brake actuator.

**ELECTRICAL** - power seat motor; power antenna motor; power window motors; window regulators; power door lock actuators; sunroof motor; convertible top motor; and driver information gauges.

## Silver

**SILVER COVERAGE** includes parts listed below PLUS all parts listed in the **BRONZE** program:

**ENGINE** - engine mounts.

**TRANSMISSION** - flywheel/flexplate; vacuum modulator; transmission mounts; and transmission oil pan.

**DRIVE AXLES** - axle bearings; and locking hubs.

**AC/HEATING** - (includes only factory or dealer installed equipment) condenser; compressor; compressor clutch; compressor pulley; compressor drive motor and evaporator.

**SUSPENSION** - control arm shafts, bearings, and bushings; wheel bearings; spindles and supports; radius arm and bushings; stabilizer bar, links, and bushings; torsion bars; hub and bearing assembly; coil springs; and leaf springs.

**STEERING** - steering gear box/rack; all internally lubricated parts; power steering pump; electric steering motor; and steering column shaft/couplings.

**COOLING** - water pump.

**FUEL SYSTEM** - fuel delivery pump.

**BRAKE** - master cylinder; power brake cylinder; vacuum assist booster; calipers; wheel cylinders; and compensating valve.

**ELECTRICAL** - alternator; starter motor; starter solenoid; and starter drive.

## Bronze

**BRONZE COVERAGE** includes all parts listed below:

**ENGINE** - cylinder block; cylinder heads; all internally lubricated parts; turbocharger; supercharger; harmonic balancer; timing gear, chain, and belt; timing cover; intake and exhaust manifolds; valve covers; and oil pan.

**TRANSMISSION** - transmission case; all internally lubricated parts; and torque converter.

**TRANSFER CASE** - transfer case; all internally lubricated parts; and 4X4 actuator.

**DRIVE AXLES** - drive axle housing; all internally lubricated parts; drive shafts; universal joints; and constant velocity joints.
