Wrangler Rubicon[®]

Unlimited Rubicon[®] Hard Rock Edition in Billet Silver Metallic.

SEE LIFE MORE CLEARLY
THROUGH A DUSTY LENS.

Life looks pretty good through the windshield of a Wrangler. Every mile rides easy. Every song on your playlist suits the scenery and raises the volume of everything you see. You're connected to the world on multiple levels, until you decide not to be.

Found: Perfect view with custom-made seating, crafted by original manufacturer. Discovered on the road to freedom. Will happily return. Again and again.

Rubicon® Hard Rock Edition in Mojave Sand.

GO. Wrangler Rubicon® / embroidered cloth seats and available embroidered leather trim / 17-inch polished Mineral Gray wheels / 32-inch BFGoodrich® Mud Terrain T/A tires / Rock-Trac® heavy-duty transfer case.

DO. The available Rock-Trac 4WD system helps you go virtually anywhere you point your vehicle. The Rock-Trac 4:1 crawl ratio provides greater torque at the wheels — making it easier to trek over obstacles like large rocks and timber, and ascend or descend sharp inclines and declines.

HELP. Standard tow hooks are perfect for helping to pull less capable vehicles out of ditches. These heavy-duty, forged-steel dual front and single rear frame-mounted tow hooks are an integral element of every single Wrangler built.

TRAIL RATED TEST CATEGORIES

TRACTION

Trail Rated traction helps you maintain controlled forward motion. You can cross icy urban bridges, climb steep sand dunes and master muddy two-tracks. Others may fear untamed terrain, but your Trail Rated Wrangler has the traction within to master all kinds of topography and driving conditions.

WATER FORDING⁷

Traverse that stream with confidence, thanks to additional electrical and body seals, plus a high air-intake location. Wrangler has the capability to safely manage in up to 30 inches of water.⁷ Always inspect all waterways before proceeding, just to make sure there are no unforeseen pitfalls.

MANEUVERABILITY

Every Wrangler is born with the athletic ability to navigate narrow gaps, handle emergency situations and avoid cosmetic damage to underbody sills thanks to precision steering, a tight turning radius, optimized wheelbases, and liberal approach, departure and breakover angles.

ARTICULATION

Wrangler's suspension systems enhance on- and off-road performance by maximizing flexibility, axle articulation and wheel travel. This standard indicates that when one or more wheels are elevated, the Jeep 4x4 system helps the others stay on the ground longer to keep you moving.

GROUND CLEARANCE

Head out knowing that your Trail Rated Wrangler has optimized approach, departure and breakover angles designed to clear logs, rocks and uneven ground. Your undercarriage is protected, too, with forged skid plates that cover your vehicle's most valuable underbody elements.

MARK OF MASTERY.

Every Jeep® Wrangler bears a Trail Rated® badge that announces its on- and off-road mastery. Rest assured your Trail Rated Wrangler works hard to safely navigate through the most difficult challenges Mother Nature can set forth. Five Trail Rated test categories prove Wrangler's fortitude.

.....

When it comes to experiencing fresh air the way Mother Nature intended, keep your options open. Breathe in, breathe out and just be.

.....

EXPLORE ALL POSSIBILITIES.

***FRESH.** When it comes to experiencing the outdoors, Wrangler gives you an experience like no other. Take off the doors, fold down the windshield and remove the boundaries between you and the world.*

***FUN.** Make your own soundtrack for the trails, connect your MP3 player with the standard audio input jack and hear your tunes over the optional and outstanding nine-speaker Alpine® Premium Sound System.*

***COMFORTABLE.** Carefree comfort rides along, from the Jeep® brand steering wheel with available controls for audio, speed, communications and Electronic Vehicle Information Center (EVIC), and on to the cushioned seating with optional heated front seats.*

Unlimited Rubicon® in Firecracker Red.

THE THRILL OF EXPLORATION
*comes in discovering what
lies beyond the next ridge.*

THIS ROAD IS WIDE OPEN.

Here's your standing invitation to adventure.

*You've got four doors
to go all in with
Wrangler Unlimited.*

*Cold weather has no hold over those equipped with
the right stuff, that hands over a bold frame of mind.
Wrangler knows the way all year round. When you join
this club, the benefits of membership are many.*

Unlimited Sahara® in Bright White.

Unlimited Sahara in Rhino.

NEW FOR 2016. Sahara® enhancements include body-color front and rear bumper appliques, Fine-Silver grille throats and headlamp rings, an Olive Green leather seat option with embroidered logo, Granite Crystal painted pockets on the 18-inch Sparkle Silver polished wheel and a newly designed exterior Sahara decal.

COMMUNITY. Wrangler's Uconnect® system puts a range of available hands-free® tools, entertainment and navigation at your service. The standard audio input jack lets you connect compatible devices and stay in play.

CLEAN. Weather-resistant surfaces and an interior that can be washed out with a hose give you full permission to get out and have fun in the mud, snow and slush.

COURAGEOUS. Advanced multistage front air bags® provide nearly instantaneous occupant protection. Standard. Supplemental front seat-mounted air bags® deploy from the outboard side of each front seat. Available.

Unlimited Sahara® in Hydro Blue Pearl.

OPPORTUNITY AWAITS IN EVERY DIRECTION.

Meet every challenge with confidence.

The Rock-Trac[®] 4x4 system, standard on Rubicon[®], is tougher and bolder than the boulders it beats.

With its 4:1 low-gear ratio, Rock-Trac[®] lets you master grueling terrain like you're taking a Sunday drive on Easy Street. Rubicon's standard Brake-Lock Differential, Tru-Lok[®] electronic locking differentials and electronic front sway bar disconnect allow for jaw-dropping off-road capability. Getting up, over and back down again serves up the kind of success found when you live the #JeepLife.

THE GOODS

Take a closer look at the features you'll love most.
Discover what goes into making the
2016 Jeep® Wrangler everything you need.

FORGE AHEAD
WITH THE HEART
OF A HERO.

3.6L PENTASTAR® V6 ENGINE WITH VARIABLE VALVE TIMING (VVT): This engine delivers the power to match Wrangler's legendary brawn. Boasting 285 horsepower with 260 lb-ft of torque, this efficient road master is cast from lightweight aluminum and sips regular-octane gas. Standard.

5-SPEED AUTOMATIC TRANSMISSION WITH AUTOSTICK: Gain exceptional efficiency and out-of-the-gate performance. An aggressive first-gear ratio offers ample launch power without compromise. Electronically controlled engine torque helps you move smoothly through every gear. The AutoStick feature offers driver-selectable control to manually change gears. Available.

TORQUE TO TOW: Wrangler can pull up to 2,000 lb of toys when equipped with the Trailer Tow Package, while Wrangler Unlimited can confidently tow up to 3,500 lb when properly equipped with the factory-installed Max Tow Package.

ROCK-TRAC® 4x4 SYSTEM: At the heart of the masterful capability of Wrangler Rubicon® beats one of the world's foremost four-wheel-drive systems. It delivers extreme rock-crawling ability, thanks to the 4:1 low-gear ratio. With the low crawl speed on Rock-Trac,® it's easy to ascend or descend sharp hills and crawl over obstacles. Available.

DANA® 44 HEAVY-DUTY SOLID AXLES: Durability comes from heavy shafts, stiff housings, large pinion bearings and above-center pinion mountings for smoother, quieter operation. (Rear Dana® 44 standard on all models. Front Dana 44 standard only on Rubicon.)

TRU-LOK® LOCKING DIFFERENTIALS: Front and rear electronic-locking differentials balance speed between left and right wheels, maintaining forward momentum for the ultimate in traction. An instrument panel-mounted rocker switch can lock either the rear or both axles. (Standard only on Rubicon.)

— BEST-IN-CLASS —
GROUND CLEARANCE²

Wrangler Rubicon® runs over the competition with 10 inches of ground clearance, helped, in part, by its standard 32-inch BFGoodrich® off-road tires.

HEAVY-DUTY SUSPENSION: Solid axles with locating arms, track/stabilizer bars, coil springs, front steering damper and tunable monotube shock absorbers are firm at low speeds and more relaxed at higher speeds. (Standard on Sahara.® A performance suspension is standard on Rubicon.)

ROCK RAILS: Extra-tough body-mounted rails provide additional rocker panel protection. (Standard only on Rubicon.)

FRONT SWAY BAR DISCONNECT SYSTEM: Flip a switch and the sway bar disengages when driving under 18 mph in 4WD-low (4LO) mode. This allows the front suspension to travel up to 25 percent farther on Rubicon than on Sport and Sahara models. (Standard only on Rubicon.)

TWO-PIECE STRUCTURAL OIL PAN: A two-piece oil pan provides a steel lower portion for impact resistance and an upper aluminum section for improved weight savings.

BODY-ON-FRAME DESIGN: Built with a frame that's fully boxed for strength, stiffness and durability.

KEEP STEERING ON COURSE: Wrangler features a steering linkage and recirculating-ball steering gear. Its robust, cross-link geometry helps provide one of the most precise and stiffest possible linkage systems in a solid-axle platform.

It's the recognized standard for off-road performance. Every Jeep® 4x4 that bears a Trail Rated® badge proves it's passed a series of grueling off-road capability tests. Rest assured your Trail Rated Jeep Wrangler will work hard to navigate the difficult challenges Mother Nature sets before you.

WHEN IT COMES
TO FRESH AIR,
KEEP YOUR
OPTIONS OPEN.

SUNRIDER® SOFT TOP: Let the sun shine in with this easy-to-use fold-back sunroof feature and its special three-ply fabric that's quiet and watertight. Standard. A premium Sunrider Soft Top adds further durability and sound dampening, and includes an easy-to-wash dust blocker that helps keep your top in tip-top shape. Available.

FREEDOM TOP® HARDTOP: Strong, secure and available in either Black or the exterior paint color of your Wrangler Sahara® or Rubicon. A three-piece modular design lets you bring in the sun as you see fit: remove⁴ either front panel or both, or leave them in place and remove⁴ the main rear portion. A convenient padded storage bag is available for the removable⁴ panels at mopar.com

FOLD-DOWN WINDSHIELD:⁴

This unique feature is useful during off-roading, helping the driver to keep a clear eye on the trail ahead. Be sure to follow Owner's Manual instructions when you want to experience extreme fresh-air freedom by lowering the windshield.

REMOVABLE⁴ DOORS: Full-framed doors with aluminum-forged hinges come standard on all models. Or opt for half-framed doors for the ultimate in open-air freedom.

HARDTOP REMOVAL⁴ TOOL KIT:

A complimentary tool kit is included with every hardtop Wrangler. It includes four tools to help make door, roof and bumper end removal⁴ (Rubicon® Hard Rock Edition) a snap.

WITHIN WRANGLER'S
UNIQUE CABIN, SEE
THE WORLD FROM A VERY
REVEALING POINT OF VIEW.

KEEP IT CLEAN: Grab the gear and dogs and head for the hills, with all the sand and dirt the great outdoors can offer. Wrangler's weather-resistant surfaces and wash-out interior with drain plugs give you full permission to go out and have some fun in the mud.

INNER GLOW: Convenient interior courtesy lights illuminate the front footwells and cup holders, while an available electrochromatic rearview mirror automatically darkens to help eliminate the blinding glare of headlamps.

BE SEATED: Heated front seats are a must-have option when temps drop low. Wrangler's interior seat fabrics and comfort-designed seats stand up to all kinds of sitting down. With plenty of cushion and support, you've got more stamina to keep on going.

DETAILED PRIDE: Jeep® Wrangler is finely wrought with design details that are purposely placed and carefully crafted. Substantial bezels and knobs, robust stitching and a heritage-stamped grab handle are all proof that Wrangler is ready to endure years of heavy use.

THE INNOVATION WITHIN
IS ONE PART NICETY,
ONE PART NECESSITY.

ENTERTAINMENT VALUE: Select the Uconnect® system that includes the features that will best rock your world. Connect your own device to the standard audio input jack and let your playlist create the mood. Uconnect Web,¹¹ available through Mopar®, lets you keep in touch with what's going on in the virtual world, and lets you add your own updates, too. The available Radio 430 or Radio 430N with a 6.5-inch touchscreen treats you to a wealth of intuitive features like voice recognition, navigation, climate control and so much more.

SIRIUSXM® ALL ACCESS:¹² Hear all kinds of commercial-free music, plus your favorite sports, news, talk and entertainment AND listen to your SiriusXM favorites outside your vehicle by streaming your service online and on the app – it's included in your trial subscription.

SiriusXM
TRAVEL LINK

SIRIUSXM TRAVEL LINK:³ Receive National Weather Service-issued emergency alerts for flooding, winter weather, tornadoes and more. Weather radar provides information on storm direction, speed and track for a range of severe weather conditions. Current conditions and five-day forecasts help you adjust travel plans accordingly. Your first five years of SiriusXM Travel Link³ are included.

9-SPEAKER ALPINE® PREMIUM SOUND SYSTEM: The optional nine-speaker Alpine® Premium Sound System creates a realistic sound stage by utilizing a high-powered eight-channel 552-watt amplifier, an eight-inch all-weather subwoofer, two tweeters and four 6.5-inch speakers — two located in the overhead sound bar. Alpine is known for offering outstanding tonal balance and definition.

Properly secure all cargo.

EXPLORE WITH YOUR
FAVORITE PEOPLE,
PETS AND GEAR.

STOW YOUR STUFF: You'll appreciate the mesh net storage in all doors and a locking glove compartment for keeping smaller items secure and within reach.

LOCKABLE CENTER CONSOLE: With open-air freedom comes a safe place to store your goods. An inner tray helps keep things organized within the large bin.

REAR CARGO MAT AND STORAGE BIN: A reversible cargo mat protects your carpet while a storage bin beneath the rear floor features a lift-out tray with convenient storage for bolts that are removed⁴ from your doors and/or hardtop.

REMOVABLE⁴ FOLD-AND-TUMBLE REAR BENCH SEAT: Standard on two-door models, this seat easily tumbles with spring assist to make more room for cargo. Unlimited models come standard with a split-folding rear seat.

Properly secure all cargo.

PEACE OF MIND
TAKES YOU FAR.

ADVANCED MULTISTAGE FRONT AIR BAGS:⁶ Provide nearly instantaneous occupant protection by matching air bag⁶ output to crash severity. Standard.

SUPPLEMENTAL FRONT SEAT-MOUNTED SIDE AIR BAGS:⁶ Deploying from the outboard side of each front seat, these air bags⁶ enhance the protection of the driver and front-seat passenger in certain impacts. Each side air bag⁶ has its own sensor to trigger the air bag⁶ on the side where the impact occurs. Available.

ELECTRONIC STABILITY CONTROL (ESC):¹³ Designed to assist drivers in maintaining control of their vehicle at all times, utilizing hydraulic brake assist, traction control, Electronic Roll Mitigation (ERM) and Trailer Sway Control (TSC)¹³ to constantly monitor driver input against the vehicle's actual course. If needed, ESC¹³ automatically brakes and/or reduces engine torque, while ERM estimates the potential for wheel lift,

reducing engine power and applying brakes if needed. TSC¹³ detects sway unique to trailering and engages the brakes to slow the vehicle, increasing brake force to one side of the vehicle to help counteract the sway from the trailer. ESC¹³ has three modes: Full-On, Partial-On (shuts off traction control) and Full-Off (ideal for off-road driving). Standard.

SENTRY KEY® ANTITHEFT ENGINE IMMOBILIZER: A unique and embedded key code matched only to your vehicle helps keep your Wrangler safely where it belongs. Standard.

HILL START ASSIST (HSA) AND HILL DESCENT CONTROL: Standard HSA works to help prevent Wrangler from rolling when starting on an uphill or downhill gradient. It holds the vehicle stationary for two seconds after the driver's foot is removed from the brake pedal, allowing time to apply the throttle. The available Hill Descent Control is packaged with the 5-speed automatic transmission and diligently works to help Wrangler navigate steep declines at a steady and consistent speed.

ENERGY-ABSORBING FRONT-RAIL EXTENSIONS: Collapsible hydroformed front-rail tips offer low-speed protection and can be serviced after impact events of up to 8 mph. Standard.

ENHANCED ACCIDENT RESPONSE SYSTEM (EARS): This system makes it easier for emergency personnel to see and reach occupants in the event of an accident, turning on interior lighting, flashing hazard lamps and unlocking power doors after air bag⁶ deployment. It also shuts off the flow of fuel to the engine. Standard.

HEATED POWER EXTERIOR MIRRORS: Melt snow and ice off sideview mirrors as you warm up your interior. The heat also helps to keep your mirrors icicle-free as you drive. Available.

GO MOBILE:

Take a multimedia tour of your vehicle on your mobile device. Log on to the jeep.com mobile site for a comprehensive, at-a-glance review of what you need to know about your Jeep vehicle. Experience visual and interactive demonstrations of the entire lineup, gaining access to product information at your fingertips, wherever you go.

JEEP BADGE OF HONOR:

Introducing a new online community that invites off-roading fans to sign in, sign up, download the smartphone app and check in to legendary off-road trails across the U.S.A. earmarked by the Jeep Badge of Honor. Members can discover special trails and maps, earn Trail Points and ranks within the community, share photos and learn more about Jeep Trail Ratings. Connect with fellow Jeep vehicle owners and like-minded friends at jeep.com/badge-of-honor

JEEP JAMBOREES:

For those who are driven by an adventurous spirit, we invite you to join us on the trail. You can head for parts unknown or return to fun, familiar places. Jeep Jamboree U.S.A. offers off-road adventure weekends that bring together the outdoors, down-to-earth people and their Jeep 4WD vehicles. We invite you to explore America's remote backcountry, where great friendships and memories are made: jeepjamboreeusa.com

JEEP GEAR:

Uncover an extensive line of fun that's been developed exclusively for the Jeep brand enthusiast. From authentic wearables to unique gifts, all items are as rugged and durable as your Jeep brand vehicle. Express your true nature. Learn more at jeep.com/gear

DELVE DEEPER INTO THE JEEP BRAND WITH AN EXPANSIVE ARRAY OF SOCIAL MEDIA, SHOPPING AND OWNER RESOURCES. PLUS, DISCOVER ONE-OF-A-KIND EVENTS THAT CAN CREATE LIFELONG CONNECTIONS. EXPAND YOUR ADVENTURES IN EVERY DIRECTION BY VISITING JEEP.COM

AUTHENTIC JEEP® ACCESSORIES

Make your Wrangler as unique as you are. With hundreds of parts to transform your Jeep® Wrangler and make it your own, Mopar® offers a wide variety of accessories, each one crafted for a custom fit. You won't have to guess if your part will fit correctly or worry if the color will match; when you go with the authentic quality of Mopar, you'll get it right the first time. You're using original equipment designed by the same engineers who know your Wrangler inside and out. Mile after mile, you'll enjoy the fit, finish and style of Mopar, specifically made to last long and strong.

HOW FAR WOULD YOU GO

if you could go anywhere?

=====

=====

THE JEEP® BRAND OFFERS SOME OF THE BEST OWNERSHIP SUPPORT PROGRAMS AVAILABLE ANYWHERE.

=====

WARRANTIES: *Jeep vehicles are covered by a 3-Year/36,000-Mile Basic Limited Warranty (excludes normal maintenance and wear items), as well as a 5-Year/60,000-Mile Powertrain Limited Warranty that is fully transferable. See your dealer for complete details and a copy of the 5-Year/60,000-Mile Powertrain Limited Warranty.*

MOPAR VEHICLE PROTECTION®: *Mopar Vehicle Protection has a vested interest in your satisfaction and owner experience with your new Jeep brand vehicle. This is the only extended protection provider backed by the manufacturer, FCA US LLC. We stand behind every Mopar Vehicle Protection plan with certified, factory-trained technicians and the use of authentic Mopar® parts. Your plan is honored at over 2,600 dealerships within the United States, Canada, Puerto Rico and Mexico. Be sure to ask for a Mopar Vehicle Protection plan at your dealership, call (800) 442-2666 or visit moparvehicleprotection.com*

MOPAR OWNER CONNECT: *STAY CONNECTED. Your Jeep brand vehicle ownership gives you the credentials to access extensive vehicle information, service and maintenance records, recall notifications, and special offers through whatever device you prefer — computers, smartphones or tablets! Register your Jeep brand vehicle at owners.jeep.com or download the Jeep Vehicle Owners app for free at either the Apple or Google Play stores.*

AUTOMOBILITY: *The FCA US LLC Automobility Program provides aftermarket reimbursement incentives on adaptive vehicle upfit equipment to help provide safe and reliable vehicle modifications, enhancing accessibility for all people. For more information, call (800) 255-9877 or visit chryslerautomobility.com*

JEEP® MASTERCARD®: *Earn 3 points per \$1 on qualifying purchases made at FCA US LLC dealerships, 2 points per \$1 on qualifying travel purchases and 1 point per \$1 on qualifying purchases everywhere else with the new Jeep MasterCard. Points may be redeemed at your local dealership for cash off your new or used vehicle, accessories, parts or service — including your next oil change. Or choose from hundreds of other rewards, including travel, cash back to your account, merchandise or gift cards.¹³ For more information or to apply, visit jeepcard.com*

JEEP.COM (800) 925-JEEP

(1) There simply are no other 4x4- convertibles, targas or removable-top vehicles. (2) Based on comparable like vehicles Toyota FJ Cruiser, Nissan Xterra Pro-4x. (3) SiriusXM subscriptions for audio and data services are sold by SiriusXM to follow your trial subscription. **If you decide to continue listening after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See the SiriusXM Customer Agreement for complete terms and more information at www.siriusxm.com. All fees and programming subject to change. Your equipment and features for SiriusXM services will vary depending upon the vehicle you select and may be limited in select markets. (4) Be sure to follow all instructions in Owner's Manual for removal of top and doors, and lowering of windshield. Driving with doors off and windshield down is for off-road use only. (5) Four Wheeler magazine. (6) The Advanced Front Air Bags in this vehicle are certified to the new U.S. Federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (7) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (8) Requires a mobile phone equipped with the Bluetooth Hands-Free Profile. Visit UconnectPhone.com for system and device compatibility. (9) Phone must support Bluetooth Phone Book Access Profile (PBAP). (10) WiFi subscription required. Vehicle must be registered with Uconnect Access and fulfill minimum subscription requirements. Vehicle must be properly equipped and in active and usable cellular range for WiFi usage. WiFi Hotspot does not enable direct communication between multiple in-vehicle devices. Factors affecting the performance of WiFi Hotspot include: cellular network, signal strength and quality, time of day, number of channels used by the service provider, type of connection, number of clients using WiFi Hotspot and client device. This feature is not intended for use by the driver while the vehicle is in motion. Always drive safely. (11) Uconnect Web feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. Subscription required. (12) SiriusXM audio and data services each require a subscription after the trial included with the new vehicle purchase, sold separately or as a package, by SiriusXM Radio Inc. **If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. (13) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (14) Complete details, including restrictions, limitations and exclusions, will be available when you become a Cardmember.
