Commercial Lending Services

Commercial Red Carpet Lease

For predictable-use vehicles, choose this closed-end lease with no residual risk. When you complete your lease as agreed, simply take the vehicle to your Ford Dealer. You are only responsible for any excess mileage and wear and use charges.

You have the opportunity to enjoy the quality and technology of a new Ford more often, as well as select from a variety of flexible terms, mileage options and payment choices.

Features

- Lease payments are usually lower than similar term finance payments
- Allows for your cash to be invested in your business
- Short-term leasing means new vehicles more often
- Combined billing
- Advantage of gap protection

Plus

- Financing of Ford Protect®
- Availability of Commercial Service *Plus*™

Commercial Lease

Our TRAC lease program puts you in control. This customizable, open-end lease program allows flexibility to set the residual based on your business requirements. At lease-end, you are responsible for the residual.

Features

- High-mileage and heavy-usage vehicles
- Vehicle modifications and upfits
- Flexible terms ranging from 12 to 60 months*
- Combined billing
- No acquisition, up-front administration or termination fees

Plus

- No mileage restrictions or penalties
- No charges for excess wear and use
- Financing of Ford Protect®

For a full-service fleet solution, combine Commercial Lease with Commercial Service *Plus*™.

Note: Not all vehicles and/or lessees may be eligible (e.g., livery and modified vehicles). *Longer terms may be available, subject to credit approval.
