Tequipment Cayman

Accessories for the Cayman model range

Dreams and reality.
Sometimes they're one and the same thing.

Imagine a car whose exceptional performance is matched by exceptional design. A car with an aerodynamic and sleek silhouette, and with defined lines, a long wheelbase, and a wide track. That car is the Cayman sports car.

Uncompromising performance derived from an uncompromising development team at Weissach. Every single one

of them strives to get the best out of everything. The result: a very special vehicle that you can subsequently personalize with model-specific products provided by Porsche Tequipment. Products designed by the same Porsche engineers and designers who made your car.

As with the cars we create, all of our aftermarket accessories undergo rigorous testing during their development. From design through to approval, we thoroughly scrutinize important properties, from safety to performance to durability. After all, they are more than just accessories—they become part of the Cayman design.

The same also applies to one of the highlights in our range: the 20-inch SportTechno wheels painted in GT Silver Metallic. The sizes of the wheels and tires have been maximized so that they finish flush with the body of the car and give it an even more imposing appearance. As a mark of refinement, the spokes and rim have a highly polished surface finish.

The wheel centers with full-color Porsche Crest are available with a GT Silver Metallic paint finish.

But how about if you want even more from your car—more performance, more style, more comfort, and more individuality? No problem. Whichever Tequipment products you ask your Authorized Porsche dealer to install,

your Porsche will always be the masterpiece that the developers at Weissach envisaged it to be, and you can be assured that your original warranty will not be affected.

For more information about Porsche Tequipment, please contact your Authorized Porsche dealer or visit porscheusa.com.

Exterior

Express your inner attitude and accentuate the resolutely toned physique of your Cayman with wheels and selected additional options from Porsche Tequipment.

Performance

Taking the performance concept to new heights: Welcome to the high-achievers club.

Interior

Inner values matter. Whether your emphasis is on performance, style, or classic appeal, we can turn your ideas into reality and your Cayman will always be 100 percent Porsche.

5 Audio and communication 35

A Porsche without intelligent communication systems? Unimaginable.

Car care 41

Your Porsche can carry much more than the motorsport enthusiast inside it. We offer a range of transport accessories and cater to your car-care needs.

19 Panorama 47

A brief insight into the world of Porsche.

Contents

Performance and excellence.

Explore the possibilities of your Cayman.

With the Cayman, it's all about performance excellence. It's a concept that permeates every aspect, from driving dynamics to design, allowing you not only to explore the physical limits of your car, corner after corner, but the limits of your imagination too.

Why not use that imagination, for example, to make a few changes to the appearance of the Cayman sports car. You can make it even more emotive and expressive. Or perhaps you'd prefer to emphasize the dynamic, unmistakable, and uncompromising character of your Cayman. Whatever your preference, the products from the Porsche Tequipment range, including a selection of wheels and model designations for the doors, will give your car an incomparable presence and make it your own.

Exterior

**You get more than add-ons to your car's standard equipment.
You get more Porsche.**

[1] Model designation on doors in black

With a light-colored exterior paint, the black model designation on the doors creates a striking contrast and heightens your sense of anticipation as you step inside.

Cayman/Cayman S: 981 044 800 71 041

[2] Model designation on doors in silver

The silver-colored model designation on the doors reinforces the very special character of your Cayman sports car.

Cayman/Cayman S: 981 044 800 71 V04

**Striking design and high performance.
Wheels.**

Can you imagine your Cayman sports car equipped with one of the wheel and tire sets from Porsche Tequipment? We can. They bring added individuality combined with a high level of agility, as well as safety.

Keeping your feet on the ground need never be boring.

[1] 20-inch SportTechno wheels with summer tires

Set of one-piece alloy wheels optimized for low weight, thanks to flow-forming technology.

The 20-inch SportTechno wheels are characterized by their imposing design and size. Clearly defined lines means that they are extremely easy to care for. With GT Silver Metallic paint finish and front surfaces with high-gloss polished finish. Includes Tire Pressure Monitoring System (TPMS).

Part no: 981 044 602 10

[1] 20-inch Carrera S wheels with summer tires (TPMS)

The design of the 20-inch Carrera S wheels with the Tire Pressure Monitoring System (TPMS) is both dynamic and powerful—just like your Porsche.

Part no: 981 044 602 02

[2] 20-inch Carrera S wheels in Platinum (semi-gloss) with summer tires (TPMS)

The 20-inch Carrera S wheels with TPMS summer tires and a paint finish in Satin Platinum emphasize the performance character of your car. Includes wheel centers with full-color Porsche Crest.

Part no: 981 044 602 06

[3] 20-inch Carrera S wheels painted in black (high-gloss) with summer tires (TPMS)

With the center spokes painted in black (high-gloss) combined with the TPMS summer tires, the 20-inch Carrera S wheels appear even more powerful. Also includes wheel centers with full-color Porsche Crest.

Part no: 981 044 602 04

[4] 20-inch Carrera Classic wheels with summer tires (TPMS)

Elegant, highly polished 10-spoke wheels with a two-tone finish. The intricate spokes provide a clear view of the Porsche brake system.

Part no: 981 044 602 08

[5] 18-inch Boxster wheels with winter tires (TPMS)

These one-piece alloy wheels are not only the ideal match for your Porsche—they provide excellent cold-weather traction in conjunction with the winter tires.

Part no: 981 044 600 02

[6] 19-inch Boxster S wheels with winter tires (TPMS)

The dual five-spoke design of these wheels will accentuate the performance appearance of your Cayman, while the winter tires offer improved traction in cold and wet conditions.

Part no: 981 044 600 04

[7] 18-inch Cayman wheels with winter tires (TPMS)

The minimalist dual-spoke design of these 18-inch alloy wheels accentuates the sporty credentials of the Cayman, establishing a firm link with performance and with the road.

Part no: 981 044 600 06

[8] 19-inch Cayman S wheels with winter tires (TPMS)

The classic five-spoke design of these 19-inch wheels creates a dynamic high-performance look.

Part no: 981 044 600 08

--	---	---	---	---	--	--

For footnotes, please refer to page 16.

Note on the use of winter tires:

Summer tires provide optimal performance at ambient temperatures above 44°F. Below this point, the tire compound begins to harden, and braking distances are increased. We therefore recommend that you fit winter tires

during the colder months of the year. Only then can you enjoy the highest standards of active safety from your Cayman sports car. All winter tires approved by Porsche are identified by an “N” designation on the sidewall.

○ Compatible
 – Not compatible
¹ If your vehicle documents do not contain details of the correct wheel and tire combination, please request a technical approval certificate from your Authorized Porsche dealer. All tires are designed exclusively for Porsche as indicated by the special Porsche designation (N0, N1, etc.) on the sidewall. Tires that do not carry this designation are not recommended for use on your Porsche.

² Winter tires up to max. 149 mph.
³ Not compatible with 5mm wheel spacers.
⁴ Compatible with snow chains if no spacers fitted.
⁵ Not compatible with snow chains—for winter tires only.
⁶ Optional: use of 5mm spacers on front and rear axles to widen track.

[1] Snow chains

Specially designed for Porsche models and featuring ultra-fine links for minimal adhesion of ice and snow. Set of two for rear axle.

Not compatible with wheel spacers.

Part no: 981 044 600 00

[2] Wheel centers

Set of four wheel center caps with full-color Porsche Crest. The perfect finishing touch for any Cayman wheels.

19-inch Cayman wheel: 970 044 600 11

19-inch Cayman S wheel: 991 044 600 10

18-inch Boxster wheel: 991 044 600 09

20-inch Carrera Classic wheel:

990 044 600 19

20-inch Carrera S wheel: 970 044 600 14

20-inch SportTechno wheel:

991 044 600 20

20-inch Carrera S Black

(high-gloss) wheel: 997 044 600 47

Platinum wheel: 991 044 600 21

[3] Crested valve caps

Silver-colored valve caps with embossed Porsche Crest. For vehicles with or without Tire Pressure Monitoring System (TPMS).

Part no: 000 044 602 15

[4] Anti-theft wheel protection

Set of four wheel bolts for alloy wheels with a highly secure coding system (Thatcham).

Part no: 000 044 602 41

[5] Wheel spacers

Wheel spacers create a wider track for enhanced stability and presence on the road. When fitted, your Cayman will look even sportier, as the wheels run virtually flush with the body of the car. Package comprises a set of four

spacers (5mm), sixteen wheel bolts, and four anti-theft wheel bolts in black.

Part no: 991 044 500 00

Only in conjunction with 18-inch wheel sets.

[6] Wheel bolts in black including anti-theft protection (not shown)

Set of black wheel bolts, comprising sixteen wheel bolts and four anti-theft wheel bolts. Two versions available: for vehicles with and vehicles without 5mm spacers.

Part no: 000 044 602 31

Where individuality rules.

Right from first sight, it's clear where the new Cayman models want to be—out in front. Every line, every technical detail reflects the car's character and its irrepressible urge to forge ahead. And yet, there is still plenty of room left to enhance the appearance, performance, and sound of your Cayman. It would be a shame to waste the opportunity.

Performance

Where sport ends for others, for you it's just beginning.

[1] Sport exhaust system (not shown)

The typical Cayman sound is powerful and resonant. Better still, it can be further enhanced thanks to the sport exhaust system featuring modified main silencers and a specially designed sport tailpipe. The system is activated by a separate switch integrated into the right half of the front control panel.

Part no: 981 044 200 00
Some models may require additional components. (Please see fitting and conversion instructions.)

[2] Sport tailpipe

Specially designed twin tailpipe in chrome-plated stainless steel. Gives a sportier look to the rear of your Cayman sports car.

Part no: 981 044 200 10

[3] Fuel filler cap with Aluminum-Look finish

This elegant accessory is a stylish addition inspired by our racing heritage. Modeled on fuel caps from historic race vehicles, it has an engraved Porsche logo and securing tether.

Part no: 000 044 001 90

[4] Pedals and footrest in Aluminum

In a nod to our motor-racing credentials, the pedals and footrest are made from solid Aluminum. Their sandblasted, anodized, and nano-coated finish ensures they provide excellent grip while also

enhancing the exceptional visual appeal of your Cayman.

PDK: 991 044 700 00
Manual: 991 044 700 02

3

4

After all, it's not just the outside that reflects the inner you.

The Cayman simply exudes dynamism. And not just on the outside. On the inside, the new, clearly structured interior architecture and the continuation of the car's exterior lines into the interior have helped create a taut, distinctive, purposeful look. The focus is clearly on what matters—you.

Our range of interior equipment and packages includes a choice of exquisite materials such as Mahogany, Carbon, Aluminum, and Alcantara®, enabling you to style your Cayman sports car to your own exact requirements. After all, we don't focus solely on the exterior when we design our sports cars, so why should you.

Interior

You have highly developed senses for a reason.

[1] **Leather**

Leather is a traditional natural material—a true classic. Items made of Leather are both timeless and durable.

[2] **Mahogany¹**

Mahogany is a dark, fine wood. Its fine grain gives it a very modern and elegant look.

¹Since Wood is a natural product, there may be variations in form and grain.

[3] **Carbon**

Carbon is a light but highly durable material which has its origins in motorsport. Its look is the ideal complement to the car's race-bred engineering.

[4] **Brushed Aluminum**

Brushed Aluminum creates striking accents and gives the interior a sporty, minimalist appearance.

[5] **Alcantara®**

This high-quality material is easy to care for, washable, and has excellent non-slip properties.

5

[1] Mahogany interior package

This package comprises inlays in Mahogany on the gear lever or PDK¹ gear selector and decorative strips in Mahogany on the dashboard.

Manual: 981 044 800 55+cc

PDK: 991 044 800 53+cc

¹ 7-speed Porsche Doppelkupplung (PDK).

[2] Heated multifunction steering wheel in Mahogany

The grain on the Mahogany multifunction steering wheel is as unique as a fingerprint. Thanks to the integrated buttons, you have control over a

number of audio, navigation, and telephone functions at your fingertips.

Manual: 991 044 400 05+cc

PDK: 991 044 400 03+cc

PDK w/Sport Chrono: 991 044 400 04+cc

[3] Center console trim in Mahogany

The center console trim in Mahogany gives your Cayman a personal and distinctively individual touch.

Part no: 991 553 981 03 S65

[4] Carbon interior package

This package comprises inlays in Carbon on the gear lever or PDK¹ gear selector and decorative strips in Carbon on the dashboard.

Manual: 981 044 800 51+cc

PDK: 991 044 800 49+cc

¹ 7-speed Porsche Doppelkupplung (PDK).

[5] Heated multifunction steering wheel in Carbon

The multifunction steering wheel in Carbon brings you closer to the racetrack. Thanks to the integrated buttons, you have control

over a number of audio, navigation, and telephone functions at your fingertips.

Manual: 991 044 400 08+cc

PDK: 991 044 400 06+cc

PDK w/Sport Chrono: 991 044 400 07+cc

[6] Center console trim in Carbon

This trim is more than just a sporty detail—it adds a touch of motorsport.

Part no: 991 553 981 02 BX3

+cc: color code. See your Authorized Porsche dealer for more color options.

[1] Brushed Aluminum interior package

This package comprises inlays in Brushed Aluminum on the gear lever or PDK¹ gear selector and decorative strips in Brushed Aluminum on the dashboard.

Manual: 981 044 800 47+cc

PDK: 991 044 800 45+cc

¹7-speed Porsche Doppelkupplung (PDK).

[2] Center console trim in Brushed Aluminum

Every detail should be exactly as you imagined. This trim in Brushed Aluminum enhances the performance feel of the interior.

Part no: 991 553 981 04 U03

[3] PDK¹ gear selector in Aluminum

Specially designed PDK¹ gear selector in Aluminum. The PDK¹ gear selector inlays feature Leather trim in the interior color.

Part no: 9G1 426 980 01+cc

[4] PDK¹ gear selector in Alcantara[®], gear lever in Alcantara[®] (not shown)

This gear lever/PDK¹ gear selector highlights the close association of Porsche with motorsport. Finished in black Alcantara[®].

Part no: 970 426 990 01

[5] SportDesign steering wheel

This steering wheel in Leather adds a distinctly sporty accent and is yours to personalize thanks to our selection of Leather colors. Two versions are available: one for the manual gearbox and one for the PDK.¹ The PDK¹ is equipped with gearshift paddles. The right-hand paddle shifts up; the left-hand paddle shifts down.

Manual: 991 044 400 02+cc

PDK: 991 044 400 00+cc

PDK w/Sport Chrono: 991 044 400 01+cc
¹7-speed Porsche Doppelkupplung (PDK).

[6] SportDesign steering wheel in Alcantara[®] (not shown)

The Alcantara[®] cover is easy to clean, hard-wearing, and allows you to get a good grip on the steering wheel.

Manual: 991 044 400 09+cc

PDK: 991 044 400 11+cc

PDK w/Sport Chrono: 991 044 400 10+cc

+cc: color code. See your Authorized Porsche dealer for more color options.

**More than an accessory.
A little piece of Weissach.**

[1] Storage compartment lid with Porsche Crest

The lid of the center console storage compartment is finished in Leather to match the interior trim and embossed with the Porsche Crest.

Part no: 991 553 982 01+cc

[2] Floor mats with leather edging

Made-to-measure floor mats with leather edging and Porsche logo, with a waterproof underside that is non-slip. They are secured by a special fastener system.

Part no: 981 551 613 00+cc

[3] All-weather floor mats

Two attractive tailored floor mats. Non-slip and waterproof with perimeter ridges.

Part no: 981 044 800 41

[4] Key pouch in Leather

In Smooth-Finish Leather with decorative stitching and embossed Porsche Crest. Includes the tether for the vehicle key.

Part no: 970 044 000+cc

[5] Vehicle key, painted

A special kind of key—one that deserves a second look. Thanks to this set of four side moldings with a painted finish, you can add a touch of the unconventional to your keys.

Part no: 991 044 801 20+cc

+cc: color code. See your Authorized Porsche dealer for more color options.

Door-entry guards

Door-entry guards are sure to attract admiring attention and provide a stylish and dramatic finishing touch. They are available in Carbon or Stainless Steel and in both illuminated and

non-illuminated versions. All door-entry guards are available with both the Cayman and Cayman S model logos. On illuminated versions, the model logo is lit in white, providing an additional eye-catching detail.

[1] Door-entry guards in Carbon

A sporty and striking effect created by Carbon Fiber, which is an extremely lightweight high-tech material. With model logo.

Cayman: 981 044 800 22
Cayman S: 981 044 800 23

[2] Door-entry guards in Carbon, illuminated

Door-entry guards in Carbon with white illuminated model logo place equal emphasis on performance and extravagance.

Cayman: 981 044 800 32
Cayman S: 981 044 800 33

[3] Door-entry guards in Stainless Steel

A brilliant highlight revealed the moment you open the door, showcasing the model logo inscribed in Stainless Steel.

Cayman: 981 044 800 02
Cayman S: 981 044 800 03

[4] Door-entry guards in Stainless Steel, illuminated

Why not lead by shining example? These door-entry guards with illuminated model logo are the way to do it.

Cayman: 981 044 800 12
Cayman S: 981 044 800 13

Passion for the sports car.

Communication technologies included.

The Cayman has a unique character—powerful, with an absolute will to perform and a fervent passion for corners.

The Cayman sports car symbolizes independence and freedom, embodies tradition and innovation, combines style and functionality, and unifies performance with everyday practicality. It's what you expect from any Porsche and that's why it inspires pure passion for the sports car.

You feel it in the interior too. From the very first second. Everything is where you would expect it to be. That includes intelligent communication technologies designed to guide this superb athlete as safely and as directly as possible to its destination: the next corner.

Audio and communication

[1] PCM with navigation and CD/DVD changer¹

The central information and communication system with a high-resolution color touchscreen is easy to operate. The GPS navigation system has a hard drive containing map data and has features including dynamic route calculation, a 3-D map display,

and automatic route recording. Additionally, the six-disc CD/DVD changer plays CDs and audio DVDs and is MP3-compatible. Audio playback of video DVDs is also supported.

Part no: 991 044 900 91

¹Only for vehicles with Sound Package Plus or Bose® Surround Sound Systems.

[2] Electronic logbook²

The optional electronic logbook enables the automatic recording of mileage, route distance, date and time, starting point, and destination as part of every journey.

Once you have downloaded the logbooks from the optional PCM via Bluetooth® or the USB interface, the data can be evaluated on your home PC using the software supplied.

Part no: 958 044 900 29

²Only in conjunction with PCM with navigation module.

[3] Telephone module² (not shown)

The optional quadband GSM telephone module offers convenience and excellent reception. By inserting a SIM card directly into the PCM's integral SIM card reader, calls can be made using either the hands-free facility or the optionally available

cordless handset. Alternatively, the Bluetooth® capability of a mobile phone can be used to make calls through the SIM Access Profile (SAP) or the Hands-Free Profile (HFP).³

Part no: 991 044 900 31

²Only in conjunction with PCM with navigation module.

³For information on compatible mobile phones, please contact your Authorized Porsche dealer or visit porscheusa.com.

1

2

[1] Cordless handset for telephone module¹

Handset display and separate keypad for making telephone calls discreetly.

Part no: 991 044 900 32

[2] Voice-control system¹

Almost all of the PCM functions can be activated by voice control. The system recognizes commands or figure sequences irrespective of the speaker. It gives audible feedback and guides you through

the functions. Without needing to “train” the system, phonebook entries can be retrieved, a radio station selected, or the navigation destination entered directly by speaking whole words rather than dictating just one letter at a time.

Part no: 991 044 900 36

¹Only in conjunction with PCM with navigation module.

2

You didn't entertain the idea of compromise when you chose your car.

So why start now.

The Cayman sports car places considerable value on the thing that matters: unadulterated driving pleasure.

After an exciting drive, your Porsche deserves a rest and some care and attention. Porsche Tequipment has everything you need to tend to your Cayman.

Car care

**You should never have to do without.
Neither should your Porsche.**

There are many things that are difficult to live without. Your Cayman is one, and so are the accessories and car-care products from Porsche Tequipment. All 100 percent Porsche for extra peace of mind.

[1] Outdoor car cover

Tailored outdoor cover in silver-colored fabric with Porsche Crest and logo. Water-repellent, it provides excellent protection against a range of weather conditions including strong sunlight. With anti-theft protection.

Part no: 981 044 000 01

[2] Indoor car cover

Tailored indoor cover made from breathable, antistatic, and dirt-resistant fabric. With full-color Porsche Crest and logo.

Part no: 981 044 000 00

[3] Cargo liners, front and rear (rear not shown)

These made-to-measure waterproof and washable black plastic containers protect your luggage compartment and are ideal for carrying a variety of items, such as shopping or sports

equipment. Both containers are provided with the Porsche logo and the rear one also features a vehicle silhouette.

Front cargo liner: 981 044 000 10

Rear cargo liner: 981 044 000 09

Porsche European Delivery

Imagine touring the original factory and then being handed the keys for an even more gratifying opportunity: touring Europe in your brand-new Porsche vehicle. What happens next is up to you. Contact your local Authorized Porsche dealer for more information.

Porsche Approved Certified Pre-Owned

Only the best Porsche cars earn the right to be called "Certified." A meticulous 111-point inspection, a 2-year or 50,000-mile Limited Warranty, and 24-Hour Roadside Assistance make this program one of a kind. Contact your Authorized Porsche dealer for details.

Porsche Exclusive

Realize your vision of the perfect Porsche vehicle with our factory customization program. From styling enhancements to performance upgrades, all modifications are uniquely handcrafted for your Porsche.

Porsche Classic

Your specialist source for genuine Porsche parts and technical documentation, as well as servicing, repair, and restoration for all types of classic Porsche vehicles. For more information, visit porscheusa.com/classic.

Porsche Tequipment Online

You've already taken delivery of your Porsche vehicle. Are you now thinking of giving it a personal touch? Our Tequipment range of accessories is also available online at porscheusa.com.

Christophorus

Our bi-monthly magazine for Porsche owners is packed with news, articles, and exclusive interviews covering every aspect of Porsche automobiles and the Porsche lifestyle.

Porsche Roadside Assistance

Your ownership experience is enhanced with complimentary enrollment in the Porsche 24-Hour Roadside Assistance program. It includes coverage 24 hours a day, 365 days a year, for the duration of your warranty. Contact your Authorized Porsche dealer for specifics.
