CANADA'S BEST COMMERCIAL VAN LIMITED WARRANTY
5-YEAR/160,000 KILOMETRES¹

Going above and beyond is the Nissan way. After passing all of the brutal quality and durability testing we can think of, we're sure you'll have a van you can count on. To prove our confidence and our commitment, we are pleased to offer Canada's Best Commercial Van Limited Warranty. A full bumper-to-bumper limited warranty for 5 years or 160,000 kilometres, whichever comes first. And that means we've got your back, so you can keep moving forward. For more details of the warranty, please go to ncv.nissan.ca or ask your Nissan Commercial Vehicles Dealer.¹

¹Nissan's New Vehicle Limited Warranty basic coverage excludes tires, corrosion coverage and emission performance and defect coverage (applicable coverage is provided under other separate warranties). Other general exclusions and terms and conditions also apply. For complete information concerning coverage, conditions and exclusions, see your Nissan dealer and read the actual New Vehicle Limited Warranty booklet.

HEAT CHAMBER

STRUCTURAL STRENGTH

HIGH-SPEED OVAL

FRAME TWIST

The Nissan Arizona Testing Centre. Think your drive is tough? Welcome to one of the most challenging places on earth. We test day and night, in scorching heat, freezing cold, on high-speed ovals and in torturous road conditions. But the results are worth it – the most rugged commercial vans you can buy.

To see how far we go to create a van you can trust, go to ncv.nissan.ca/quality

THE SHAKER

WATER DUMMIES

OVER 1,000,000¹ KILOMETRES AND 7,000 QUALITY AND DURABILITY TESTS.

ONE UNSHAKEABLE COMMITMENT. Fanatical? Maybe. But when it comes to making the toughest commercial vans you can buy, we go the extra distance for you. And for Nissan Commercial Vehicles, it's no Sunday drive. We simulate years of corrosion where we soak a van with salt, bake it, and pound it around a test track. We wreak havoc with suspension and body components by driving through potholes, dips and over 4 x 4 beams. Special chambers crank up the heat to 62° C and humidity to 95% to break down seals and age interiors.

We even have machines that can simulate nearly any road in the world, and we run our vans on them non-stop for 12 hours, 24 hours, or even more. Do we really need to go to such extremes, just to make a Nissan Commercial Vehicle the best you've ever owned? Yes, because every day, you depend on your van to do your job. That's the motivation for us to do ours.

Nissan NV3500® HD SV Cargo High Roof shown in Glacier White. Accessory wheels shown.

NV® CARGO HIGH ROOF

THE STANDOUT THAT LETS YOU STAND TALL.

323 CU. FT.
Cargo Capacity¹

Cargo-carrying flexibility and interior room are the reasons you buy a van. The NV® Cargo High Roof maximizes your opportunities with a huge 323 cubic feet (9,149 litres) of cargo capacity, stand-up room for someone 6'3" (1,905 mm) tall, and floor space that can carry up to two 40" x 48" pallets!¹

Every NV® Cargo model also pays big dividends when loading, with low step-in heights all around, a large sliding side door, and forklift-friendly rear doors that swing 243° wide and stay open thanks to powerful magnets. Once you're inside you'll appreciate big items like an upfit-friendly design that lets you customize your NV® Cargo to your needs, and smart touches like available rear cargo door storage.

Nissan NV3500® HD SV Cargo Standard Roof shown in Glacier White. Accessory wheels shown.

NV® CARGO STANDARD ROOF

A BIG WORK AREA EVEN IN THE TIGHTEST SPACES.

234 CU. FT.
Cargo Capacity¹

With NV® Cargo Standard Roof, you've got easy access to the work site, with a truck-like design that improves visibility and maneuverability, and a roof height that fits easily into an eight-foot-tall garage. Once you're there, you've got rear doors that open up to 243° and stay open thanks to magnetic door stops. You've also got an easy-sliding side door that opens nearly 3.5 feet wide. And with up to 21-inch (531-mm) step-in height front and rear, you've got easy access to 234 cubic feet (6,629 litres) of cargo space.¹ Easy to get there. Easy to get what you need. That's a standard every commercial vehicle should be held to.

¹Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. On NV® Cargo High Roof models, do not place sharp objects or store objects in the front of the overhead compartment that exceed height of shelving lip. See Owner's Manual for details.

NISSAN UPFIT ENGINEERING INNOVATION THAT YOU CAN BUILD ON.

With Nissan Upfit Engineering, NV® Cargo has been designed to let you create a commercial vehicle that works especially hard for the unique needs of your business. Unlike most vans, the NV® Cargo starts with a unique flat-wall interior design. This maximizes all-important floor space, plus opens up room at the top of the cargo-containment system. Add in interior integrated reinforced cargo-mounting points that ensure upfitting is easy and durable, and impressive interior space, and you'll find the North American-built NV® Cargo is an ideal canvas for upfitters – and your own ingenuity.¹

Integrated roof rack-mounting points help secure racks and reduce likelihood of rusting caused by drilling into sheet metal.

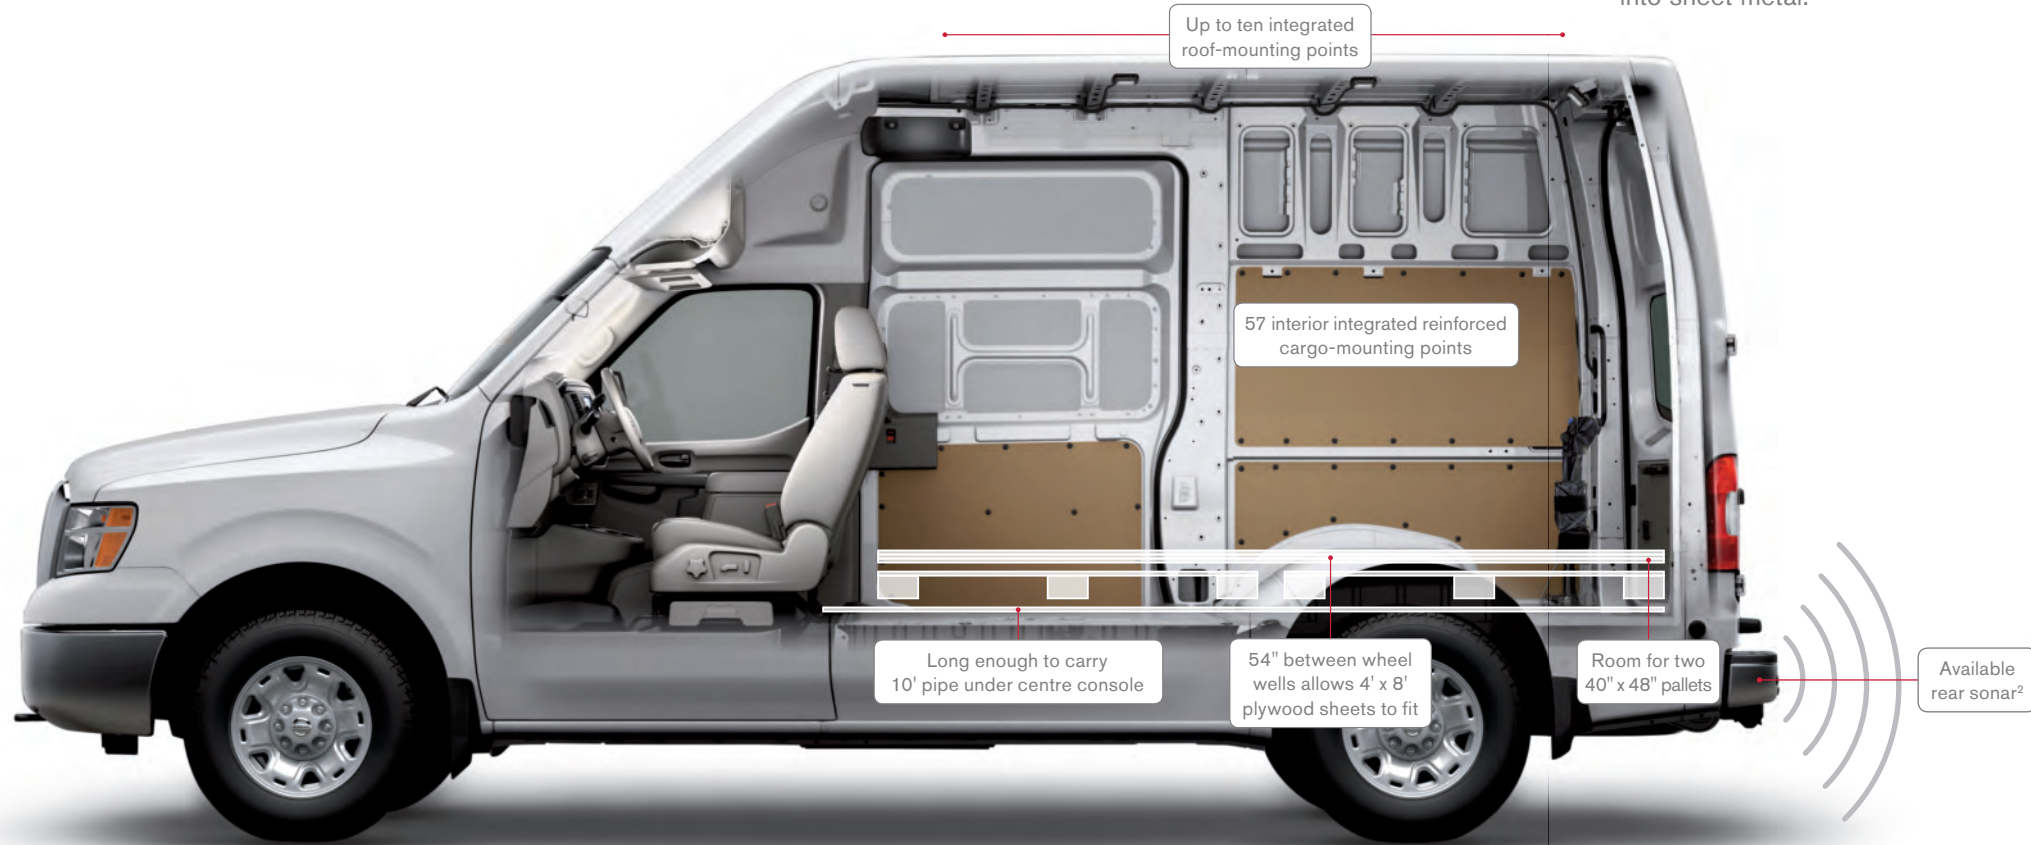

Three available cargo lights make it easy to find what you need.

Six floor-mounted D-ring tie-downs rated to 1,124 lbs. (509 kg).

Flat wheel-wells are designed to aid in stacking boxes.

Available 120-volt outlet is easily accessible when you're outside.

Magnets hold the cargo doors securely in their fully open position.

Fully boxed full-length ladder frame. The core of every NV® Cargo, it's tough, durable, and helps provide outstanding towing capabilities. You don't need to be a structural engineer to know the obvious – when building, four walls are stronger.

¹Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. On High Roof models, do not place sharp objects or store objects in the front of the overhead compartment that exceed height of shelving lip. See Owner's Manual for details. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ²The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object.

NV® CARGO

A MOBILE OFFICE THAT KNOWS HOW TO GET WORK DONE.

Nissan NV3500® HD SV Cargo Standard Roof shown in Grey Cloth. U.S. instrumentation shown.

Your van is your office. And with long days on the road, you need a workspace that's as comfortable as it is smart. And unlike many competitors, NV® Cargo's truck-like design places the engine out front, giving plenty of leg room and foot space for driver and passenger. When you're ready to get down to business, you have class-exclusive features like an available multitasking locking centre console¹ and a standard fold-down front passenger seat to create a convenient work desk. And with wear- and spill-resistant seats, while you're working hard today, you'll be looking good for years to come.

¹Global Automakers of Canada (GAC) Large Van Segmentation. ²Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. On High Roof models, do not place sharp objects or store objects in the front of the overhead compartment that exceed height of shelving lip. See Owner's Manual for details. ³The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object. ⁴Driving is serious business. Only use NissanConnectSM Mobile Apps when safe to do so. App availability is dependent upon vehicle model, trim level, packaging, and/or options. See Nissan.ca/NissanConnect for complete app availability details. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Compatible smartphone required. Cellular network and GPS signals not available in all areas and/or at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within Nissan's control. Nissan is not responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks). Should cellular provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan and its agents or affiliates. Subscription Agreement required and terms and conditions of Subscription Agreement apply. See Nissan.ca/NissanConnect for details. Text rates and/or data usage may apply. ⁵Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ⁶Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Standard text rates and/or data usage may apply. ⁷Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ⁸Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ⁹NavTraffic®/SiriusXM® Traffic is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 12 metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Toronto, Ottawa, Montreal, Quebec City, Hamilton, St. Catharines, Kitchener, Guelph, and London). Subscription sold separately after trial period. Subscriptions subject to customer agreement at siriusxm.ca/terms. Fees and programming subject to change. © 2015 Sirius XM Canada Inc. The App Store® logo is a registered trademark of Apple, Inc. Google Play® logo is a registered trademark of Google, Inc.

High Roof models feature durable overhead storage compartments to keep things within easy reach when you need them.²

NV® Cargo's available locking centre console is a major multitasker, with room for a laptop computer and hanging files. The console also features a cover that slides, creating a convenient work desk.

Vinyl wear patches on inner and outer bolsters.

Under-seat driver's storage.

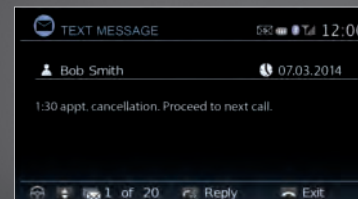

Available 12-V and 120-V power outlets in centre console.

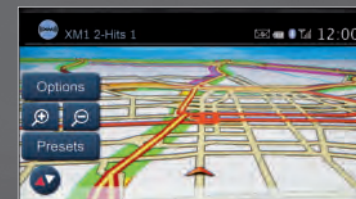

Available Rear Sonar senses objects up to 6 ft. (1.8 m) away.³

BECAUSE BUSINESS IS ALL ABOUT CONNECTIONS.

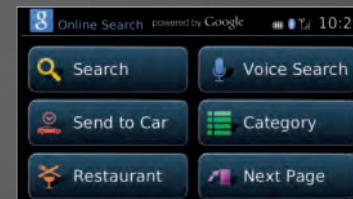

Never miss a beat with the available Technology Package. Featuring NissanConnectSM with Mobile Apps,⁴ you've got a suite of high-tech features to help you keep you in business, easily accessed through a 5.8" (147 mm) touch-screen monitor with Voice Recognition. The package also includes the advanced Nissan Navigation System,⁵ hands-free text messaging assistant,⁶ Bluetooth® hands-free calling and a convenient RearView Monitor.^{7,8}

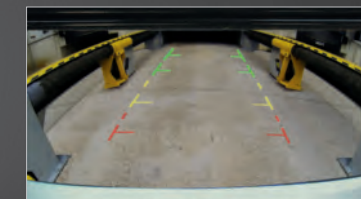

Text-to-speech⁶ – A notification on the screen appears when a text message is received. Touch the prompt on the screen, and the message is read to you through the audio system.⁶

Navigation⁵ – Real-time traffic updates help keep you clear of traffic jams,⁹ 3-D perspective Points of Interest (including ATMs), restaurants, and gas stations.⁴

Google® Send to Car⁴ – Send an address to your NV® Cargo from any computer.⁴ When you start the vehicle, the directions will be delivered and loaded into the navigation system.⁵

RearView Monitor⁸ – Helps negotiate tight parking situations. Helps driver place vehicle close to unloading points.

Nissan NV3500® HD SV Cargo High Roof shown in Brilliant Silver.

POWER TO CHOOSE

NV® Cargo gives you two powerful choices to suit your needs. The 24-valve, 4.0-L V6 features an advanced Continuously Variable Valve Timing Control System that delivers seamless power with optimum fuel efficiency. Step up to the 5.6-L V8 and you'll find an aluminum block with a forged crankshaft and cast-iron cylinder liners for maximum strength. Both engines feature specially coated piston skirts and microfinishing of key components to help reduce friction for smooth response and less wear and tear. Backed up by a rugged 5-speed automatic transmission, and with its body-on-frame design and full-length fully-boxed ladder frame, NV® Cargo is built to tow heavy loads.¹

NV® Cargo: up to 9,500-lb. (4,309-kg)
towing capacity²

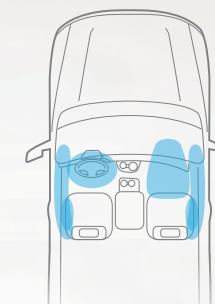

¹Requires accessory tow hitch receiver. See Nissan Towing Guide and Owner's Manual for proper use. ²Standard on V8 models. See Nissan Towing Guide and Owner's Manual for proper use. ³Airbags are only a supplemental restraint system; always wear your seat belt. Rear-facing child restraints should not be placed in the front passenger's seat. All children 12 and under should ride in a 2nd, 3rd, or 4th row seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents. Rear-facing child restraints should not be used in NV® Cargo vehicles. See Owner's Manual for details. ⁴Global Automakers of Canada (GAC) Large Van Segmentation. ⁵VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques.

ENGINEERED TO PROTECT

When a collision is unavoidable, advanced technology helps minimize injury and keep you safe. Nissan's Zone Body construction further strengthens that line of defense, helping to absorb impact and protect everyone on board.

Six Airbags³

- (2) Dual-stage supplemental front airbags³
- (2) Seat-mounted driver and passenger side-impact supplemental airbags³
- (2) Roof-mounted curtain side-impact airbags with rollover sensor for front outboard occupant head protection³

EQUIPPED TO RESPOND

When you need to respond to a potentially harmful situation, you'll appreciate these standard technologies, along with NV® Cargo's powerful 14.2" brakes, which are the largest in its class.⁴

- Vehicle Dynamic Control⁵
- Traction Control System
- Anti-lock Braking System
- Brake Override Technology
- Brake Assist

NV1500® S

NV1500® S

- 4.0-litre DOHC V6 engine
- Engine block heater
- 5-speed automatic transmission
- 14" Vented disc brakes front/rear
- 17" Steel wheels with LT245/70R17 tires
- Water-repellent seats with vinyl wear patches on inner and outer bolsters
- Vertical sidewall design
- Full-length, fully boxed ladder frame
- Six floor-mounted D-rings in cargo area with 1,124-lb. (509-kg) rating per ring
- 57 Total integrated reinforced cargo-mounting points
- Ten exterior roof rack-mounting points
- Power windows with driver's one-touch down with auto-reverse
- Power door locks with auto-locking feature
- Remote keyless entry
- Cruise control with steering wheel-mounted controls

NV2500® HD S

NV2500® HD S

INCLUDES NV1500® S CONTENTS PLUS:

- Payload increase over NV1500® S¹
- 17" Styled steel wheels
- Multi-functional lockable centre console with 12-volt outlet
- Driver's under-seat storage tray
- Two additional cargo area work lights (three total)
- Rear door storage pocket
- Two additional cup holders
- HD badging
- Optional High Roof model with full-width overhead console and eight exterior roof rack-mounting points
- Optional 5.6-litre DOHC V8 engine

NV2500® HD SV

NV2500® HD SV

INCLUDES NV2500® HD S CONTENTS PLUS:

- Rear cargo floor protector
- Chrome bumpers and grille
- Dual power heated mirrors

NV® PASSENGER

ROOM FOR 12 AND A BEST-IN-CLASS 324 SEATING CONFIGURATIONS.¹

With the 2016 Nissan NV® Passenger, there's always room for more. Whether it's sharing a multi-family vacation, taking little leaguers and gear to the game, or being the king of the carpool, NV® Passenger transports your expectations as well as your passengers. You've got easy access to seating with a sliding side door and a low step-in height. Confidence comes along for the ride with integrated headrests and seat belts and standard roof-mounted side-impact supplemental airbags with rollover sensor for every row.² Innovative heating and cooling keeps everyone comfortable, too. The out-front engine design provides improved driver comfort, easier engine access for servicing, the durability of a full-length, fully boxed ladder frame, and the biggest brakes in its class.¹ It all adds up to a team player we can all cheer for. 2016 NV® Passenger.

Nissan NV3500® HD SL Passenger shown in Super Black.

¹Global Automakers of Canada (GAC) Large Van Segmentation. ²Airbags are only a supplemental restraint system; always wear your seat belt. Rear-facing child restraints should not be placed in the front passenger's seat. All children 12 and under should ride in a 2nd, 3rd, or 4th row seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents. Rear-facing child restraints should not be used in NV® Cargo vehicles. See Owner's Manual for details.

Nissan NV3500® HD SL Passenger shown in Beige Leather. U.S. instrumentation shown.

PACK IT IN. MOVE 'EM OUT.

NV® Passenger not only gives you space, it gives you unbeatable flexibility when it comes to carrying passengers and cargo. A choice of fore or aft positions in the 2nd- and 3rd-row seats means impressive stretch-out room; a real plus for taller or larger family members. And with six individually removable seats, you can do amazing things like having room for eight while fitting items up to ten feet long – all without the hassle of using a roof rack!¹

¹Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

Maximum passengers Easy entry and exit Room for eight and cargo Up to 10' long items Maximum cargo

Opens wide and says more. NV® Passenger makes it easy to use every inch of space. The rear doors swing wide, opening 243°, and are held in place with powerful magnetic door stops. The easy-sliding side door opens wide and features a low step-in height. And when you need to make the big haul, remove the 2nd-, 3rd-, and 4th-row seats, and enjoy a massive 218.9 cu. ft. (6,198 litres) of cargo space.¹

COMFORT, CONTROL, AND CONVENIENCE.

Driving isn't just driving anymore. With today's crazy schedules, you can end up feeling like a part-time skycap, cashier, entertainment director – even company representative. No matter which hat you end up wearing today, NV® Passenger helps you excel at all of them, providing outstanding room and superior visibility for easier manoeuvring. There's dedicated storage to help keep things in order, and available advanced technology to help keep you on time. Job well done.

Nissan NV3500® HD SL Passenger shown in Beige Leather. U.S. instrumentation shown.

STAYING ORGANIZED.

Best of both worlds. Whether it's running a business, or just keeping a big team on the go, NV® Passenger uses some smart thinking to help keep things organized. The lockable centre console is roomy enough for a laptop computer and hanging files, while the sliding cover makes a great work desk. Fold the front passenger seat and you've got even more workspace, or a handy tray when grabbing a bite on the road. And with the under-seat storage drawer, you've got a secure place to store loose papers.

Flexible lockable centre console.

Fold-down front passenger seat.

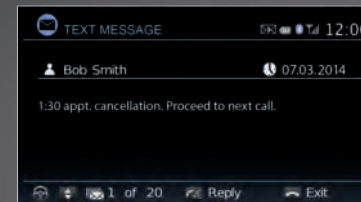

Under-seat storage drawer.

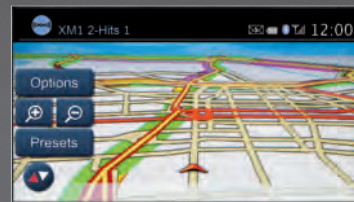

120-volt and 12-volt power outlets.

BECAUSE LIFE IS ALL ABOUT CONNECTIONS.

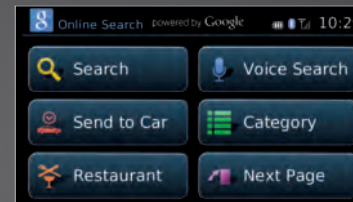

You'll never miss a beat with NissanConnectSM with Mobile Apps.¹ You've got a suite of high-tech features to help keep you in business, all easily accessed through a 5.8" (147 mm) colour touch-screen monitor with Voice Recognition. And thanks to the standard Nissan Navigation System² featuring hands-free text messaging assistant,³ Bluetooth® hands-free calling and a convenient RearView Monitor,^{4,5} you're in touch with the things that matter most.

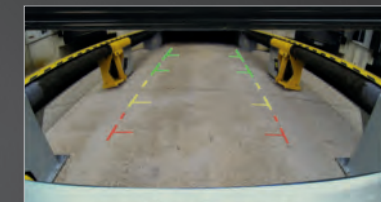

Text-to-speech³ – A notification on the screen appears when a text message is received. Touch the prompt on the screen, and the message is read to you through the audio system.³

Navigation² – Real-time traffic updates help keep you clear of traffic jams,⁶ 3-D perspective Points of Interest (including ATMs), restaurants, and gas stations.¹

Google® Send-To-Car¹ – Send an address to your NV® Passenger from any computer.¹ When you start the vehicle, the directions will be delivered and loaded into the navigation system.²

RearView Monitor⁵ – Helps negotiate tight parking situations. Helps driver place vehicle close to unloading points.

Cool and comfortable. Each passenger row has two adjustable overhead air conditioning vents.

Warm and toasty. Two floor-mounted heater vents per row make sure every seating position gets warm.

Convenient cup holders. Each row features two under-seat slide-out cup holders.

Rear power outlets. A standard 12-volt power outlet in the 3rd row is ideal for charging a cell phone or tablet.

¹Driving is serious business. Only use NissanConnectSM Mobile Apps when safe to do so. App availability is dependent upon vehicle model, trim level, packaging, and/or options. See Nissan.ca/NissanConnect for complete app availability details. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. NV® PASSENGER

NISSAN SAFETY SHIELD® PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

Wouldn't it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield® philosophy is a comprehensive approach to safety that guides the engineering and development of every vehicle we make.

8

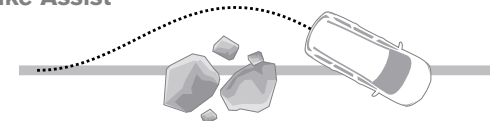

STANDARD AIRBAGS⁴

RESPOND

Whether you need to hit the brakes hard or manoeuvre around an unexpected obstacle, these standard technologies help you respond in a potentially harmful situation.

- Vehicle Dynamic Control²
- Traction Control System
- Anti-lock Braking System
- Brake Override Technology
- Brake Assist⁵

PROTECT

When a collision is unavoidable, advanced technology helps minimize injury and keep you safe. Nissan's Zone Body construction further strengthens that line of defense, helping to absorb impact and protect everyone on board.

Eight Standard Airbags⁴

- (2) Dual-stage supplemental front airbags⁴
- (2) Front seat-mounted side-impact supplemental airbags⁴
- (2) Roof-mounted curtain side-impact supplemental airbags with rollover sensor for front occupant head protection⁴
- (2) Roof-mounted curtain side-impact supplemental airbags with rollover sensor for 2nd-4th row outboard occupant head protection⁴

BUILT FOR THE LONG HAUL.

NV® Passenger has been engineered from the bottom up to give you the kind of reliability and durability you need to ensure a solid bottom line for your business. It's built on a full-length, fully boxed ladder frame for a long service life. The biggest brakes in its class provide confident stopping power,¹ while standard Vehicle Dynamic Control (VDC) helps keep you on your steered path.² Whether you choose a fuel-efficient V6 or powerhouse V8 engine, you ride with state-of-the-art technology. With up to 8,700-lb. towing capacity, you can bring what you need, when you need it.³ And since both engines run so efficiently, you'll never have to worry about logging idling time again.

Vehicle Dynamic Control (VDC)
NV® Passenger's VDC system helps you stay on your steered path by reducing engine speed and/or applying appropriate brake pressure to specific wheels.²

POWERFUL CHOICES

V6

V8

NV® Passenger's 24-valve, 4.0-L V6 features an advanced Continuously Variable Valve Timing Control System that delivers seamless power with optimum fuel efficiency.

Step up to the 32-valve 5.6-L V8 and you'll find an aluminum block with a forged crankshaft and cast-iron cylinder liners for maximum strength.

Suspension and ride
Based on the heavy-duty components of NV® Cargo, Nissan engineers specially tuned the suspension of NV® Passenger for rider comfort.

front sonar,
standard
rear sonar⁶

¹Global Automakers of Canada (GAC) Large Van Segmentation. ²VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. ³V8 models only. See Nissan Towing Guide and Owner's Manual for proper use. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. When towing at or near Maximum Trailer Weight, the allowable vehicle cargo and/or number of passengers is reduced because it is necessary to stay below the Gross Combined Weight Rating and the Gross Axle Weight Rating. If the vehicle has cargo and passengers, the allowable Maximum Trailer Weight is reduced. ⁴Airbags are only a supplemental restraint system; always wear your seat belt. Rear-facing child restraints should not be placed in the front passenger's seat. All children 12 and under should ride in a 2nd, 3rd, or 4th row seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents. Rear-facing child restraints should not be used in NV® Cargo vehicles. See Owner's Manual for details. ⁵Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. ⁶The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object.

You've decided which Nissan NV® Passenger you want, now here comes the best part: choose your favourite colour and decide what it's going to look like.

THERE'S AN NV® PASSENGER PERFECT FOR YOUR NEEDS.

NV3500® HD SV

NV3500® HD SV

- 4.0-litre DOHC V6 engine
- Optional 5.6-litre DOHC V8 engine
- 5-speed automatic transmission
- Heavy-duty battery
- 14" Vented disc brakes front/rear
- 17" Chrome-clad wheels
- Chrome exterior trim
- Air conditioning
- Water-repellent cloth seats with vinyl wear patches on inner and outer bolsters
- 12-passenger seating capacity
- 324 Seating configurations
- Ten exterior roof rack-mounting points
- 243° Maximum opening range for rear cargo doors
- Nissan Navigation System with 5.8" (147 mm) colour touch-screen monitor
- NissanConnectSM with Mobile Apps
- Nissan Voice Recognition for audio and navigation
- MP3/WMA/CD playback capability
- Bluetooth® Hands-Free Phone System
- SiriusXM® Traffic
- Hands-free text messaging assistant
- AM/FM/CD audio system with six speakers
- MP3/WMA/CD playback capability
- USB connection port for iPod® interface and other compatible devices
- SiriusXM® Satellite Radio
- Streaming audio via Bluetooth® wireless technology
- Steering wheel-mounted audio and cruise controls
- Multi-functional lockable centre console
- 8-way power driver's seat with manual lumbar
- Driver's under-seat storage tray
- Driver's seat storage pocket
- Fold-down front passenger's seat with seatback tray table
- Power door locks and front windows
- Carpeted floor
- Ten cup holders and three bottle holders
- 12 Rear passenger heating and cooling vents
- Entry lighting for driver and front passenger
- Dual overhead front passenger map lights
- Six rear passenger area map lights
- Three additional 12-volt DC power outlets
- Two 120-volt AC power outlets rated at 400 watts
- Three assist grips
- Side and rear window privacy glass
- Rear Sonar System and RearView Monitor
- Ten exterior roof rack-mounting points
- 243° Maximum opening range for rear cargo doors
- Pre-wiring for electrical and telematics upfitting
- Eight standard airbags
- Vehicle Dynamic Control (VDC)
- Vehicle Security System with remote keyless entry
- Nissan Vehicle Immobilizer System

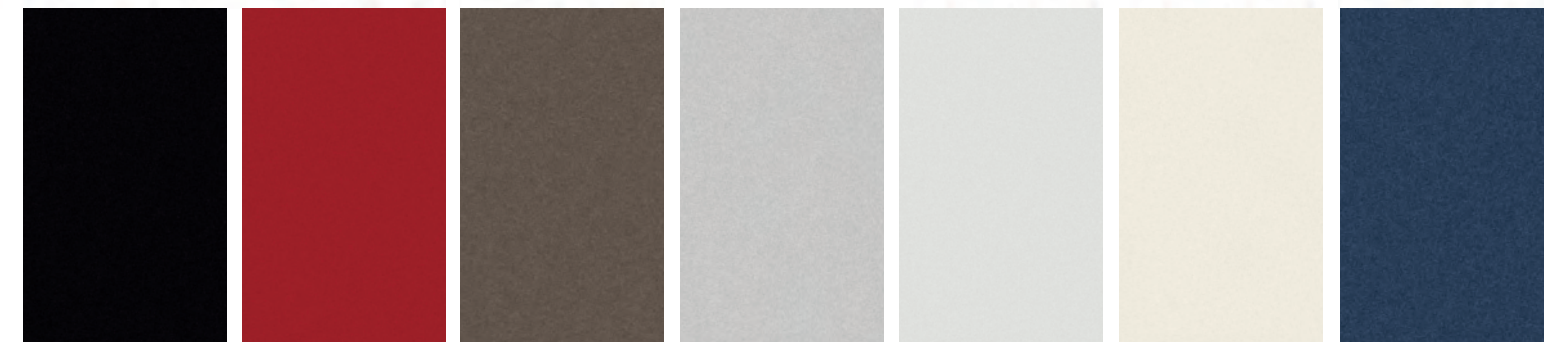

NV3500® HD SL

INCLUDES NV3500® HD SV CONTENTS PLUS:

- 5.6-litre DOHC V8 engine
- Final gear ratio of 3.54:1
- Fog lights
- Front Sonar System
- Leather-appointed seats
- Heated front seats
- Leather-wrapped steering wheel
- Auto-dimming rearview mirror with compass
- Dual Zone Automatic Temperature Control (ATC)
- Power heated chrome extendable tow mirrors
- Two front tow hooks
- Class IV tow hitch receiver
- 7-pin connector/brake controller pre-wiring

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website Nissan.ca/finance to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

Canada's Best Commercial Van Limited Warranty Every 2016 Nissan Commercial Vehicle is covered by a 5 year/160,000 km⁵ Comprehensive New Vehicle Warranty, a 5 year/160,000 km⁵ Powertrain Warranty, an 8 year/130,000 km⁵ Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a Roadside Assistance program available to you 24 hours a day throughout the New Vehicle Warranty period. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.
