2015 NV200[®] COMPACT CARGO

NV200[®] COMPACT CARGO

Shouldn't you drive something you love? Absolutely. And that's what inspires our innovation. We look at every part of your drive and ask how can we make it better, smarter, and more productive. So when you get down to business in your new Nissan NV200[®] Compact Cargo, you'll feel how hard-working the answers can be:

Easy access. With low liftover heights, dual sliding side doors and 180° opening rear doors, NV200[®] Compact Cargo is ready to work.

Best Warranty. You've got Canada's Best Commercial Van Limited Warranty, with a bumper-to-bumper limited warranty for 5 years/160,000 km, whichever comes first!

Great handling. NV200[®] Compact Cargo easily handles crowded cities and tight parking spaces with a turning radius of just 36.7 feet (11.2 metres).

Looking for more? Visit NV200[®] Compact Cargo on Facebook[®] or Twitter[®] to see what owners have to say.

And follow Nissan Canada on:

NISSAN Commercial Vehicles[®]

CANADA'S BEST COMMERCIAL VAN LIMITED WARRANTY

5-YEAR/160,000 KILOMETRES¹

Going above and beyond is the Nissan way. After passing all of the brutal quality and durability testing we can think of, we're sure you'll have a van you can count on. To prove our confidence and our commitment, we are pleased to introduce Canada's Best Commercial Van Limited Warranty. A full bumper-to-bumper limited warranty for 5 years or 160,000 kilometres, whichever comes first. And that means we've got your back, so you can keep moving forward. For more details of the limited warranty, please go to www.ncv.nissan.ca or ask your Nissan Dealer.¹

¹Nissan's New Vehicle Limited Warranty basic coverage excludes tires, corrosion coverage and emission performance and defect coverage (applicable coverage is provided under other separate warranties). Other general exclusions and terms and conditions also apply. For complete information concerning coverage, conditions and exclusions, see your Nissan dealer and read the actual New Vehicle Limited Warranty booklet. Warranty claim is current at time of printing.

HEAT CHAMBER

WAGON TRACK

HIGH-SPEED OVAL

BELGIAN BLOCK

The Nissan Arizona Testing Center. Think your drive is tough? Welcome to one of the most challenging places on earth. We test day and night, in scorching heat, freezing cold, on high-speed ovals and in torturous road conditions. But the results are worth it – the most rugged commercial vans you can buy.

To see how far we go to create a van you can trust, go to ncv.nissan.ca/quality

SALT SPRAY TUNNEL

FIXED STONE

**OVER 852000 KILOMETRES AND
6,600 QUALITY AND DURABILITY TESTS.**

ONE UNSHAKEABLE COMMITMENT. Fanatical? Maybe. But when it comes to making the toughest commercial vans you can buy, we go the extra distance for you. And for Nissan Commercial Vans, it's no Sunday drive. We simulate years of corrosion where we soak a vehicle with salt, bake it, and pound it around a test track. We wreak havoc with suspension and body components by driving through potholes, dips and over 4 x 4 beams. Special chambers crank up the heat to 62° C and humidity to 95% to break down seals and age interiors.

We even have machines that can simulate nearly any road in the world, and we run our vans on them non-stop for 12 hours, 24 hours, or even more. Do we really need to go to such extremes, just to make a Nissan Commercial Van the best you've ever owned? Yes, because every day, you depend on your van to do your job. That's the motivation for us to do ours.

NV200® COMPACT CARGO.
READY FOR BIG JOBS AND SMALL PARKING SPACES.

With the Nissan NV200® Compact Cargo, you've got the right-size commercial vehicle for your business. It's got over 122 cubic feet (3474 litres) of cargo space that's easily accessed by wide-opening 40/60 rear doors and a sliding door on each side. You can even fit a 40" x 48" pallet! The cabin offers impressive comfort and security, with loads of thoughtful features that make it a convenient mobile office. It's the perfect size for getting around even the most crowded cities and fitting into tight parking spots and low garages, while its efficient 9.4 L/100 km (30 MPG) combined² and advanced CVT transmission help deliver a low cost of ownership. And you go with confidence too, knowing you've got Canada's Best Commercial Van Limited Warranty, a bumper-to-bumper warranty for 5 years or 160,000 kilometres, whichever comes first.³

Nissan NV200® Compact Cargo SV shown in Brilliant Silver.

¹Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. ²2015 Fuel Economy Estimate 9.4 L/100 km (30 MPG) combined. Actual mileage may vary with driving conditions — use for comparison only. IMPORTANT: Starting with 2015 model year vehicles, the Government of Canada has mandated new fuel economy test methods to better approximate typical driving conditions and styles. These new 5-cycle test methods are more representative of a vehicle's on road fuel consumption compared to the previous 2-cycle testing methodology, and can produce fuel consumption ratings that are up to 20 percent higher than the previous ratings. Fuel Economy estimates for the Nissan 2015 model year vehicles may seem less favourable compared to previous years and some competing vehicles that have not yet reported based on new testing criteria. 2015 vehicles do not consume more fuel than the comparable 2014 vehicle under the same driving conditions. For more information, please visit nissan.ca/fuel2015. ³Nissan's New Vehicle Limited Warranty basic coverage excludes tires, corrosion coverage and emission performance and defect coverage (applicable coverage is provided under other separate warranties). Other general exclusions and terms and conditions also apply. For complete information concerning coverage, conditions and exclusions, see your Nissan dealer and read the actual New Vehicle Limited Warranty booklet.

One conveniently small step for man. It doesn't take a rocket scientist to figure that easy access to a van's cargo area is vital for a commercial vehicle. That's why the NV200® Compact Cargo features two easy-sliding side doors with low step-in heights and an innovative 40/60 split rear door. And with the available Rear Sonar System helping you get close to the curb or loading bay, you can work smarter while maximizing cargo efficiency out of every trip.^{1,2}

¹The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object. ²Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo.

Nissan NV200® Compact Cargo SV shown in Brilliant Silver.

NISSAN UPFIT ENGINEERING INNOVATION THAT YOU CAN BUILD ON.

With Nissan Upfit Engineering, NV200® Compact Cargo has been designed to let you create a commercial vehicle that is small on the outside, but creates lots of room on the inside. From flat wheel wells to a fold-down passenger seat, every available inch is ready to work – it can easily carry a 40" x 48" pallet. And with integrated interior reinforced cargo-mounting points and integrated roof-mounting points, the NV200® Compact Cargo is an upfitter-friendly base to build your business on.¹

Fold-down passenger seat helps make room for long items.

Integrated reinforced cargo-mounting points allow cargo racks, partitions and bins to be securely mounted, resisting loosening and tearing away from the interior wall.

Integrated roof rack-mounting points help secure racks and reduce likelihood of rusting caused by drilling into sheet metal.

UPWARDLY MOBILE OFFICE.

Thoughtful design of NV200[®] Compact Cargo's cabin makes it a better space for drivers and a smarter place to work. The driver sits high, with excellent outside visibility. And when it's time to get down to business, the NV200[®] Compact Cargo converts easily into your mobile office. The fold-down passenger seat creates a work desk, while smart storage and power outlets are all within easy reach. To help you work efficiently on the road, the available Technology Package features a convenient RearView Monitor,¹ NissanConnectSM with Navigation and Mobile Apps,^{2,3} and a suite of high-tech features easily accessed through a 5.8" (147 mm) touch-screen display.

Text-to-speech – A notification on the screen appears when a text message is received. Touch the prompt on the screen, and the message is read to you.⁴

Navigation³ – Real-time traffic updates help keep you clear of traffic jams,⁵ while 3-D viewing makes it easy to find your way. Need more? Key Points of Interest, include ATMs, restaurants and gas stations.⁶

Google[®] Send to Car^{3,6} – With an economical dispatch system, up to 5 separate addresses can be sent from any computer.^{3,6} When the vehicle is started, the directions will be delivered and loaded into the navigation system.³

RearView Monitor¹ – Helps negotiate tight parking situations. Helps driver place vehicle close to unloading points.

¹Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle.
²Driving is serious business. Only use NissanConnectSM services when safe to do so. Subscription Agreement required. Compatible smartphone required. Not all app features are available for all models. Some apps have late availability. May require dealer service visit or software upgrade to activate. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Cellular network not available in all areas. Cellular network, apps, and services, including Google[®] services, are provided by independent companies not within Nissan's control and may require subscription and owner consent to activate. Should provider terminate/restrict service, service may be terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment or app replacement/upgrades, or associated costs, that may be required for continued operation. Terms and conditions of Subscription Agreement apply. 36-month trial period starts on vehicle sale date; subsequently a paid subscription is required at the then current rate. Standard text rates and/or data usage may apply. See retailer and check Nissan.ca/NissanConnect for details. ³Factory-installed option. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status.
⁴Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Standard text rates and/or data usage may apply. ⁵XM[®] and SiriusXM[®] Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Basic monthly subscription required and sold separately after trial period. NavTraffic[®]/SiriusXM[®] Traffic is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 12 metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Toronto, Ottawa, Montreal, Quebec City, Hamilton, St. Catharines, Kitchener, Guelph, and London). Subscriptions subject to customer agreement at siriusxm.ca/terms. All fees and programming subject to change. © 2014 Sirius XM Canada Inc. MAKE AN IMPRESSION.

You've decided which Nissan NV200® Compact Cargo you want, now here comes the best part: choose your favourite colour and decide what it's going to look like.

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and purchase options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program or the New Canadian Program designed just for you. Please visit our website **Nissan.ca/finance** to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

Canada's Best Commercial Van Limited Warranty Every 2015 Nissan Commercial Vehicle is covered by a 5 year/160,000 km⁵ Comprehensive New Vehicle Warranty, a 5 year/160,000 km⁵ Powertrain Warranty, an 8 year/130,000 km⁵ Emission Control Warranty on selected components, and a 5 year/unlimited km

Grey Cloth

Nissan has taken care to ensure that the colour swatches presented here are the closest possible representations of actual vehicle colours. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colours at your local Nissan dealer.

Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a Roadside Assistance program available to you 24 hours a day throughout the New Vehicle Warranty period. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

¹Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ²See your Nissan Dealership and read the actual limited warranty. ³Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ⁴Extra cost option. ⁵Whichever occurs first.

Actual mileage may vary with driving conditions – use for comparison only. IMPORTANT: Starting with 2015 model year vehicles, the Government of Canada has mandated new fuel economy test methods to better approximate typical driving conditions and styles. These new 5-cycle test methods are more representative of a vehicle's on road fuel consumption compared to the previous 2-cycle testing methodology, and can produce fuel consumption ratings that are up to 20 percent higher than the previous ratings. Fuel Economy estimates for the Nissan 2015 model year vehicles may seem less favourable compared to previous years and some competing vehicles that have not yet reported based on new testing criteria. 2015 vehicles do not consume more fuel than the comparable 2014 vehicle under the same driving conditions. For more information, please visit nissan.ca/fuel2015
