## Jeep J8 CAPABILITY

Jeep J8 was designed by an elite group of Jeep engineers and extensively tested to perform to the highest standards. It is purpose-built to easily navigate the most demanding terrain, laden with all the rugged strength and capability of a true off-road patrol leader.

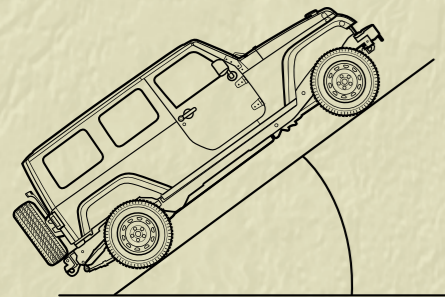

J8 can navigate water bodies up to 762-mm deep without stalling or affecting any internal components.

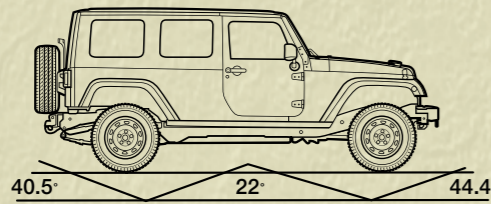

The Command-Trac® Part-Time 4WD System is at the heart of J8's capability. It features a 2-speed transfer with shift-on-the-fly capability.

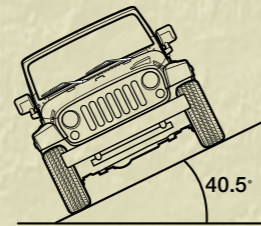

## Jeep J8 PERFORMANCE

60 Percent Grade Incline (hard surface)

Off-Road Clearance  
Approach Angle: 44.4°  
Departure Angle: 40.5°  
Breakover Angle: 22.0°

Side Slope Angle: 40.5°

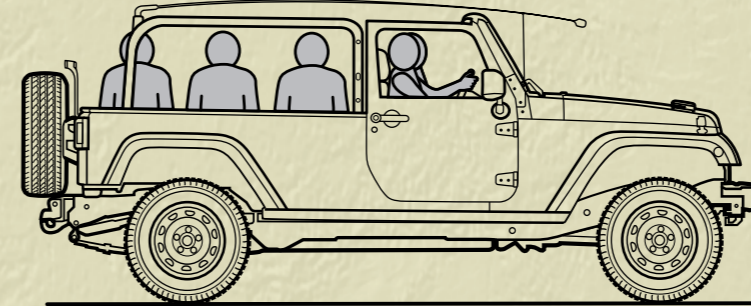

The powerful, fuel-efficient 2.8 VM Motori Panther Turbo Diesel engine is matched with a 5-speed automatic transmission. Euro IV emissions package and DPF are optional.

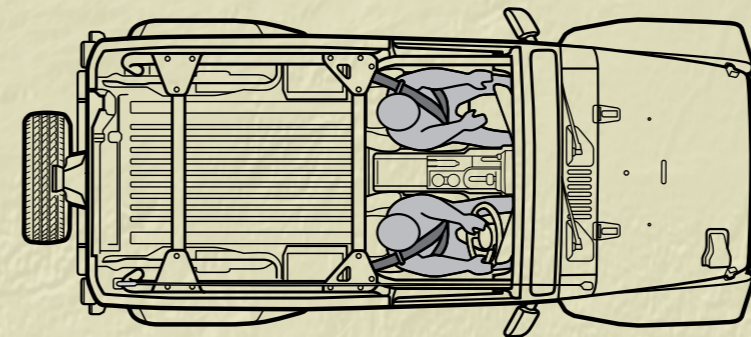

Modern safety, security and comfort features are incorporated into J8's traditional Jeep, 4x4 design. Four-wheel antilock disc brakes are standard; air conditioning and driver/passenger air bags are available. Choose the available 12/24-volt electrical system for optimal functionality (12-volt is standard).

## Jeep J8 FUNCTIONALITY

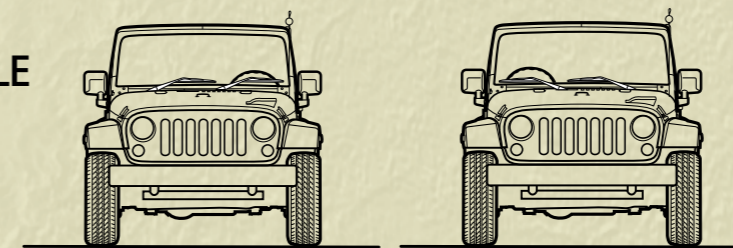

Jeep J8 offers a range of configurations and can be tailored to meet multiple applications. Choose the extended 2-door wheelbase for personnel or cargo transport, or opt for the 4-door design for easy access. J8 can hold up to eight adult passengers. All J8 models add even more functionality with foldable, removable windshields, doors and top.

PAYLOAD: 1160 kg

## CONFIGURABLE LHD OR RHD

## TRANSPORTABLE

The J8 comes with tow eyes installed on the front and rear reinforced bumpers. It can easily and safely be transported by helicopter or secured in a transport plane.

## ARMOUR-CAPABLE

Built with Dana 44 front and Dana 60 rear axles and heavy-duty shocks and springs, J8's 1160 kg payload, combined with its body strength, make it fully armour-capable.

J8 is desert-rated with a 5-hour, zero-visibility, enhanced filtration system.
