Vehicle Service Contract

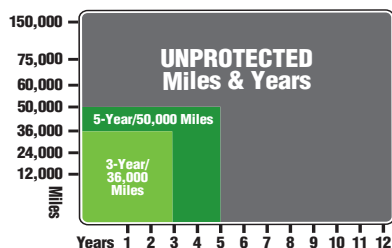

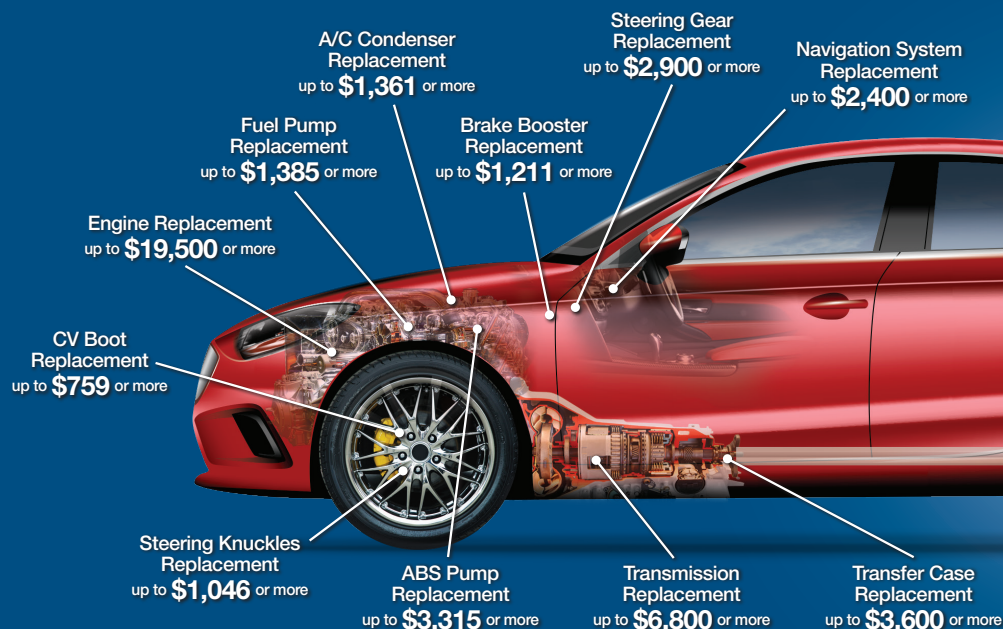

Classic Subaru of Atlanta

Protect Against the Cost of Unexpected Repairs

Unexpected repairs to your new vehicle can be costly and can put a heavy strain on your budget. Keep your finances under control and enjoy peace of mind knowing that these vehicle service contracts will cover nearly all major repairs.

Unique Benefits of Preferred Coverage

- No surcharges
- Covers batteries for electric and hybrid vehicles
- Covers rideshare vehicles

The repair costs listed are based on nationwide averages for claims paid. Actual costs may vary. Vehicle image composite is for illustrative purposes only. This is a summary of possible benefits available. Certain restrictions and limitations may apply. Please refer to the actual contract for specific details and limitations.

Preferred Coverage | VSC

Vehicle Service Contract

Classic Subaru of Atlanta

Preferred PowerTrain

Excellent Basic Mechanical Coverage

Engine

- Cylinder block
- Cylinder heads
- Intake manifolds
- Exhaust manifolds
- Flywheel, flex plate
- Timing belts and/or timing chains
- Oil pump
- Water pump
- Vacuum pump and more

Transmission/Transfer Case

- Transmission/transaxle case
- Transmission pan and bell housing
- Transfer case body and more

Drive Axles

- Differential housing and cover
- Drive axle shafts
- Universal joints and more

Fuel (Gas or Diesel)

- Fuel pumps and relay
- Fuel injectors
- Fuel pressure regulator
- Fuel distribution rails
- Fuel tank
- Auxiliary fuel tank
- And more

Cooling System

- Radiator, fan clutch, thermostat, and more

Hybrid

- Hybrid or electric drive motor and more

A/C and Heating

- Air conditioning compressor
- Condenser
- Evaporator
- Heater control valve
- Heater core & blower motor
- Ducts and more

Preferred Select

Includes Preferred PowerTrain, plus the coverage for all the components below

Engine Electrical

- Alternator and voltage regulator
- Starter motor
- Electronic ignition module
- Engine control module
- Electronic throttle control module
- Powertrain control module
- Speed sensor and more

Transmission

- Transmission control module and sensors
- And more

Brakes

- Master cylinder
- Wheel cylinders
- Vacuum and hydraulic brake boosters
- Calipers
- Backing plates and hardware
- Brake pedal assembly
- Metal hydraulic lines and fittings
- Parking brake assembly
- High pressure hydraulic pump
- And more

Steering

- Power steering pump and reservoir
- Steering gear
- Rack assembly
- Steering pump pulley
- Steering column shaft
- Pitman arm
- Idler arm
- Tie rod ends
- Steering linkages and more

Suspension

- Upper and lower control arms and their shafts and bushings
- Shocks and struts
- Spindle
- Spindle support and steering knuckle
- Coil springs
- Seats and bushings
- Variable suspension switches
- Wheel bearings
- Hub bearings
- Ball joints
- Stabilizer bars
- Bushings and links
- Radius arms
- Strut bars
- Links and bushings
- Track bars
- Torsion bars
- Mounts and bushings
- Leaf springs and more

Convenience Accessories

- Power window motor and regulator
- Power door lock actuators and relays
- Power trunk/taillgate motor and lock actuator
- Power seat motor and relays
- Power mirror motors
- Retractable roof/convertible top motor
- Sunroof motor
- Rear window defogger
- Memory seat
- Heated seats elements
- And more

Electrical

- Front and rear wiper motors
- Washer pumps
- Relays and delay switch/module
- Backup light switch
- Ignition lock cylinder
- Power antenna motor and mast assembly
- Ignition switch and more

Body/Utility Hardware

- Headlamp mounting buckets
- Bumper impact absorbers
- Convertible top frame
- Parking and side lamp bodies and sockets
- Manual seat track assembly
- Hood hinges, support and springs
- Hood latch and cables
- Side door hinges and door handles
- Trunk lid hinges
- Trunk lid latch assembly
- Running boards
- Tailgate lock and cables
- Tailgate hinges and latches
- Brush guards and headlight grills
- And more

Electric and Hybrid Vehicles

- Vehicle inverter/converter
- Controllers and sensors
- High voltage cables
- Power distribution control unit
- Electric propulsion battery
- Chargers and controllers/cables
- External home charging station

Preferred Elite

Includes Preferred Select and Preferred PowerTrain, Plus Coverage for all Other Parts Not Specifically Excluded

Our Most Comprehensive Coverage Program

Everything is Covered Except the Items Listed as Excluded on the Contract*

- Accessory drive belts, hoses and clamps
- Spark plugs and wires, clogged fuel injectors where a failure has not occurred
- Tires, wheels and wheel covers, jack and tool kit, wheel lugs and lug nuts
- Wiper blades
- Standard transmission clutch parts (including pressure plate, clutch disc, pilot bearing, throw-out bearing, clutch engagement arm and pivot)
- Steering wheel (except for integral electrical failures)
- Ignition (SLI) batteries (either stand alone or integral to a component)
- Fuses, fusible links and circuit breakers
- Brake drums, rotors, pads and shoes
- Sub-frame, frame, frame bushings
- Retractable roof/convertible top, glass, lenses, light emitting assemblies (except for integral electrical failures), any individual light emitting device (i.e. bulbs of any type) that can be removed from an assembly
- Exhaust system, filters, exhaust gas recirculation pipes, hoses and check valves, catalytic converter
- Conversion van appliances, trim, upholstery, insulation, carpet and paint
- Vehicle body parts including but not limited to: bumpers, body panels, fasteners and mounts, moldings and outside ornamentation, bright metal parts, door stops, and weather stripping
- Any installed parts which void the manufacturer's warranty

*See contract for more specific details.

This is a summary of possible benefits available. Certain restrictions and limitations may apply. Please refer to the actual contract for specific details and limitations.
