TURN HASSLES INTO HANDLED WITH COVERAGE ON MORE THAN 7,400 VEHICLE COMPONENTS

ENGINE

Today's engines are highly advanced and require many technologically advanced parts. Rest assured, practically every component in your engine is covered.

HEATING AND COOLING

The vital parts that provide your vehicle's climate control, such as your compressor, condenser and blower motor, are protected. So you can feel confident that you'll be comfortable in any weather.

BRAKING

Brakes are complicated and have a variety of components that can be costly to replace. With Ally Premier Protection Major Guard, they're covered. All you're responsible for is normal wear items like shoes, pads and rotors.

ELECTRICAL AND COMPUTER

Vehicles today are full of complex electronics and computer components. With our protection, they're covered – anything from a wiper motor to the ignition module.

HI-TECH

Virtually every hi-tech component on your vehicle like audio and navigation systems, heated seats and more is covered. There's no better way to help protect them for years to come.

SAFETY

Air bags, wire harnesses, door locks and other key safety features are covered.

FUEL SYSTEM

Your fuel system relies on numerous hi-tech components and sensors that can be costly to repair, so getting coverage on almost everything - from fuel pumps to seals and gaskets - helps you breathe easy.

TRANSMISSION

All lubricated parts, plus a long list of items like transfer cases, actuators and more, are covered.

SUSPENSION AND FRONT/REAR WHEEL DRIVE

From ball joints to axles, struts, bearings and more, Major Guard is your best defense against the high cost of replacing these critical parts that keep your ride smooth and safe.
