

2011 Chevrolet Tahoe and Suburban 

Suburban named “A 2010 Top 10 Family Car” by Kelley Blue Book’s kbb.com.¹

Why has Suburban been an American favorite for generations? Because this iconic, full-size SUV does not compromise. It simply delivers maximum room for people and cargo and maximum towing power up to 9,600 lbs.² Suburban half-ton offers surprising efficiency, too, with 21 MPG highway when running on gasoline.³ Whether you’re driving across the country, launching your boat or heading out on a family outing, you can depend on Suburban. And with a wide choice of half-ton and three-quarter-ton versions, there’s a Suburban to fit nearly every need.

Suburban LTZ 4WD (left) in Red Jewel Tintcoat (an extra-cost color) with available features and Tahoe LTZ 4WD in Sheer Silver Metallic. ¹ For more information about the 2010 Best New Family Vehicles from Kelley Blue Book’s kbb.com, visit kbb.com/Top10FamilyCars. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc. ² Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s)

2010 Tahoe named a *Consumers Digest* “Best Buy.”⁴

Every day, families depend on the capable and fuel-efficient Tahoe to be their adventure guide, equipment manager and troop transport. Credentials include 21 MPG highway when running on gasoline³ – better than any competitor⁵ – along with 8,500 lbs. of maximum towing power²; available seating for nine and plenty of room for cargo. And the technologically advanced Tahoe Hybrid⁶ – the first full-size hybrid SUV in America – offers better fuel economy than any of its competitors.^{5,7} No wonder *Kelley Blue Book’s* kbb.com calls Chevy Tahoe “...one of the best full-size SUVs on the market.”

necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevrolet dealer for additional details. ³ EPA estimated 15 MPG city, 21 hwy. ⁴ Tahoe is a *Consumers Digest* “Best Buy”; there are multiple winners. ⁵ Based on GM Large Utility segment. ⁶ Available at participating dealers only. ⁷ Tahoe Hybrid has an EPA estimated 20 MPG city, 23 hwy.

Suburban Interior

Suburban half-ton LTZ 4WD interior in Cashmere color shown with standard seven-passenger seating with perforated leather-appointed seating surfaces and available features. 1 U.S. News Car Rankings at [usnews.com/cars](https://www.usnews.com/cars).

The image shows the interior of a Chevrolet Tahoe SUV, focusing on the front passenger seat and the driver's side door panel. The seats are upholstered in a light beige or cream-colored leather with visible stitching. The door panel features a matching leather finish, a silver door handle, and a red accent strip. The overall lighting is warm and highlights the texture of the leather.

Tahoe Interior

"If you need an SUV with plenty of seating and towing power, Chevrolet Tahoe delivers. Easy-to-live-with handling and an inviting cabin are icing on the cake."

U.S. NEWS & WORLD REPORT¹

*"If you routinely haul eight people,
the Suburban is a good choice."*

U.S. NEWS & WORLD REPORT¹

StabiliTrak Electronic Stability Control System with Traction Control helps you stay the course by detecting the difference between the steering wheel angle and the direction the vehicle is actually turning. It then uses the brakes and, if necessary, adjusts engine torque to help you stay on track.

OnStar^{®1} with Automatic Crash Response is standard for the first six months. If you're involved in a crash, built-in vehicle sensors can automatically alert an OnStar Advisor, who is immediately connected into your vehicle and can request that emergency help be sent to your exact GPS location – even if you can't answer.

Dual-stage frontal and seat-mounted side-impact air bags² for driver and right-front passenger and head-curtain side-impact air bags for all outboard seating positions help reduce the risk of injuries in certain side impacts.

A high-strength safety cage surrounds the passenger compartment to help preserve occupant space in the event of a collision.

Driver Information Center provides important readouts of vehicle functions, such as engine oil life, tire pressure³, fuel range and mileage. Includes warning messages and personalized settings.

Heated and cooled perforated leather-appointed, 12-way power front bucket seats provide added comfort in LTZ. They also include two-position driver memory, and driver and passenger power recline and lumbar support.

A power-remote liftgate makes loading and unloading both convenient and easy. It's standard on LTZ and available on LT.⁴

Power-retractable assist steps with chrome accent strips are available on Tahoe LTZ and Suburban LTZ.⁵ You'll find they make entering and exiting the vehicle a breeze.

Cargo

"...Suburban is a compelling choice for those who need a traditional full-size SUV with massive passenger, cargo and towing capacities."

EDMUNDS.COM

Suburban Cargo Space.

When it comes to roominess, Suburban has the right credentials to get the job done.

Power Release Seat. Just the touch of a button sends the second-row seats into motion, first folding and then tumbling forward. Standard on LTZ and available on LT.²

Tahoe offers 108.9 cubic feet of maximum cargo space!

Suburban offers 137.4 cubic feet of maximum cargo space!

Capacities

	2011 Chevrolet Suburban	2010 Ford Expedition EL	2010 Nissan Armada
Maximum seating	9	8	8
Maximum cargo volume (cu. ft.) ¹	137.4	130.8	97.1

LEGENDARY CAPABILITY

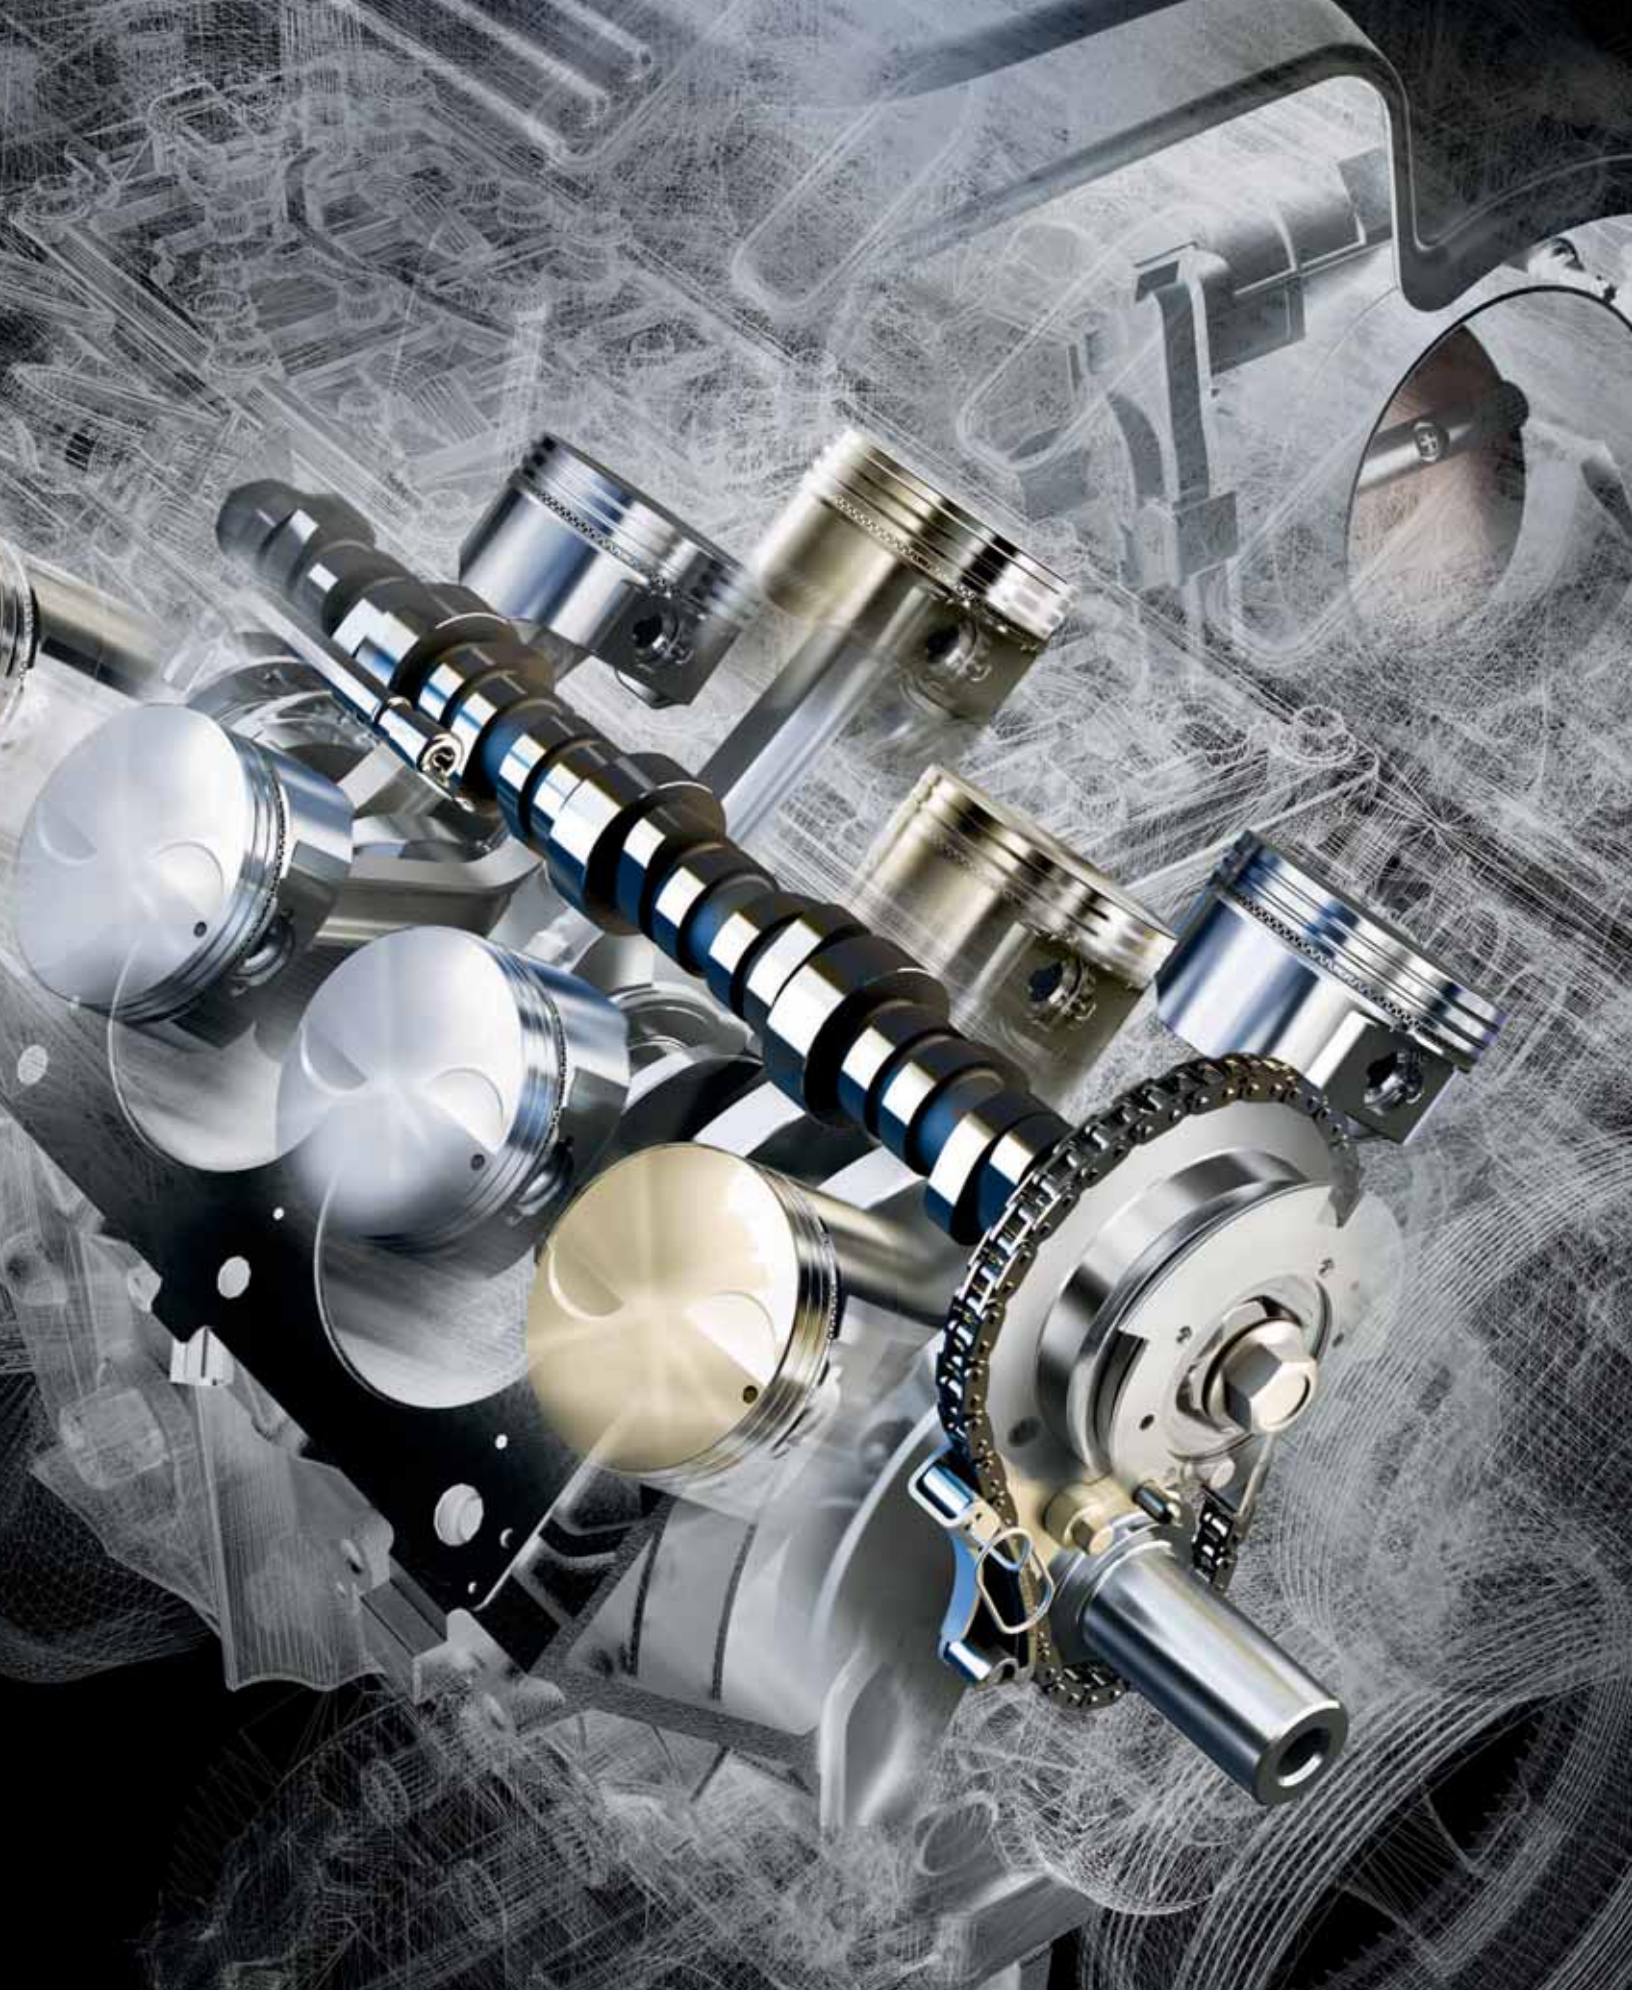

Vortec power under the hood. Engineers were able to get an efficient air-to-fuel mix by creating a “vortex” in the combustion chamber – achieving impressive horsepower without sacrificing fuel efficiency. With that in mind, it’s no surprise Suburban half-ton and Tahoe have better fuel economy than any competitors¹

Active Fuel Management technology delivers power when you need it and conserves it when you don’t. When you’re driving on level roads, the system automatically deactivates four of the eight cylinders. It then reactivates all cylinders when you accelerate or travel on inclines.

	Suburban 1/2-ton Vortec 5.3L V8	Suburban 3/4-ton Vortec 6.0L V8	Tahoe Vortec 5.3L V8	Tahoe Hybrid ³ Vortec 6.0L V8
Horsepower	320	352	320	332
Torque	335 lb.-ft.	382 lb.-ft.	335 lb.-ft.	367 lb.-ft.
MPG city/highway ²	15/21	10/16 (2WD) 10/15 (4WD)	15/21	20/23

At right: Vortec 5.3L V8 engine featuring Active Fuel Management technology. ¹ Based on GM Large Utility segment. ² EPA estimated when running on gasoline. ³ Available at participating dealers only.

"2010 TOP 10 GREEN CAR"

KELLEY BLUE BOOK'S KBB.COM¹

Tahoe Hybrid – America's first full-size hybrid SUV² – offers better fuel economy than the competition² with an EPA estimated 20 MPG city, 23 highway. That's mileage you'll appreciate during trips to soccer games, family functions and more. And even with this fuel efficiency, it's still powerful with 332 horsepower, 367 lb.-ft. of torque and up to 6,200 lbs. of towing capacity.³ And it's backed by a 100,000 mile/8-year⁴ limited warranty on certain hybrid components. Learn more about Tahoe Hybrid at chevy.com/tahoe.

Tahoe Hybrid shown in Summit White. ¹ For more information about the 2010 Top 10 Green Cars from *Kelley Blue Book's* kbb.com, visit kbb.com/GreenCars2010. ² At participating dealers only. Based on GM Large Utility segment. ³ Maximum trailer weight ratings are calculated assuming a base vehicle, except for any options(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevy dealer for details. ⁴ Whichever comes first. See your Chevy dealer for additional details. ⁵ Map coverage excludes Puerto Rico, the Virgin Islands and portions of Canada. ⁶ Not compatible with all devices.

The Power Flow Diagram on the navigation radio⁵ screen tracks how the hybrid system is functioning as you drive.

Console. The front center console in Tahoe Hybrid can easily accommodate a laptop and also houses a USB port.⁶

OFF-ROAD WARRIOR Available Z71 Off-Road Suspension Package

- **Specially tuned springs and monotube shocks** help absorb the punishment from the pavement and off-road terrain.
- **Skid Plate Package** features an aluminum front underbody shield that helps keep the vehicle free of debris.
- **Automatic locking rear differential** provides traction on uneven terrain like mud or gravel.
- **Aluminum wheels and on-/off-road blackwall tires**
- **Recovery hooks**
- **Tubular assist steps**
- **Chrome grille inserts**

Available on Tahoe LT and Suburban half-ton LT.

OnStar¹ with the Directions & Connections[®] Plan including Turn-by-Turn Navigation is standard for the first six months. Just press the blue button and a live Advisor will download directions. An automated voice will call out each upcoming turn.

Standard Bluetooth[®] wireless technology² for select phones lets you make, answer and end calls without taking your hands off the steering wheel.

Avoid the hassle of traffic jams with XM NavTraffic³, which uses the GPS navigation radio to display the latest traffic conditions. Standard on LTZ with three trial months and available on LT⁴.

Tune in to XM Radio⁵ with three trial months, and enjoy commercial-free music channels, sports, news and talk, comedy, family programming and more, coast to coast.

A Bose[®] sound system delivers clear, balanced sound and includes a subwoofer located in the center console. It's standard on LT with nine speakers and on LTZ with ten speakers.

A standard USB port⁶ connects an MP3 player or music-loaded flash drive to the audio system and even charges your player.

Side Blind-Zone Alert helps make changing lanes easier. Through the use of radar, it's designed to give you a visual warning in the outside rearview mirrors to alert you to vehicles entering your blind spots. Available on LTZ.

At right: Standard steering wheel-mounted audio and cruise controls and touch-screen navigation radio with available features (navigation radio standard on Tahoe LTZ, Suburban LTZ and Tahoe Hybrid, and available on Tahoe LT and Suburban LT). Map coverage excludes Puerto Rico, the Virgin Islands and portions of Canada. ¹ Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. ² Go to gm.com/bluetooth to find out which phones are compatible with the vehicle. ³ Requires a subscription sold separately by XM after trial period. Available only in select markets. For more information, see xmradio.com/navtraffic. ⁴ Requires available navigation radio. ⁵ Requires a subscription sold separately by XM after trial period. Available only in the 48 contiguous United States and District of Columbia. Visit gm.xmradio.com for details. ⁶ Not compatible with all devices.

The power to take it with you. From beating the competition with a maximum cargo capacity of 137.4 cu. ft.² to nearly five tons of towing power, Suburban three-quarter-ton is designed to tow. The Vortec 6.0L V8 engine, standard on three-quarter-ton models, delivers 352 hp and 382 lb.-ft. of torque and gives 2WD models trailering power up to 9,600 lbs.³ – more than Ford Expedition and Nissan Armada. To see how Suburban three-quarter-ton models and Tahoe stack up against the competition, visit chevy.com.

Suburban 3/4-ton LT 2WD in Sheer Silver Metallic. ¹ U.S. News Car Rankings at usnews.com/cars. ² With second row seats folded and third row removed. Cargo and load capacity limited by weight and distribution. ³ Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevy dealer for additional details.

"If you hit the road with a lot of people, as well as a boat or horse trailer, the Suburban is an excellent choice."

Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to gmaccessorieszone.com or see your dealer for details.

Select vehicle features.

Tahoe LS

- Vortec 5.3L V8 with Active Fuel Management and E85 FlexFuel¹ capability
- StabiliTrak Electronic Stability Control System (includes Traction Control)
- Electronically controlled six-speed automatic transmission with overdrive and Tow/Haul mode
- Premium Smooth Ride Suspension
- Active, single-speed, electronic Autotrac transfer case with rotary controls²
- Four-wheel antilock, four-wheel disc brakes
- 17" five-spoke aluminum wheels
- Roof-mounted luggage rack with side and center rails
- Heated, power-adjustable outside mirrors
- Liftgate with liftglass, rear door system and rear-window intermittent wiper/washer
- Electric rear-window defogger
- Lockable outside spare tire carrier, winch-type mounted under frame at rear (includes spare tire)
- Trailing equipment: trailing hitch platform, seven-wire harness with independent fused trailing circuits mated to a seven-way sealed connector and two-inch trailing receiver
- OnStar^{®3} Directions & Connections[®] Plan (standard for the first six months) with Turn-by-Turn Navigation
- Leather-wrapped steering wheel with cruise controls, Bluetooth[®] wireless technology⁴ for select phones and audio controls
- Power windows with driver's Express-Down and lockout features
- Power-programmable door locks with lockout protection
- Tire Pressure Monitor (excludes spare tire)
- CD/MP3 player, auxiliary audio input jack and USB port⁵
- Rear audio system with two headphone jacks (headphones not included), power outlet, and controls for volume, station selection and media type⁶
- Analog instrumentation: with speedometer, odometer with trip odometer, fuel level, voltmeter, engine temperature, oil pressure and tachometer
- XM Radio⁷ with three trial months
- Rear auxiliary heater with rear passenger heat ducts
- Premium Cloth front bucket seats with six-way power driver and right-front passenger adjusters and floor console
- Six air bags⁸

Tahoe LT

In addition to or replacing LS features, LT includes:

- Foglamps
- Ultrasonic Rear Parking Assist
- Remote vehicle starter system (includes Remote Keyless Entry)
- Heavy-duty locking rear differential
- Leather-appointed front bucket seats with six-way power driver and right-front passenger seat adjusters, floor console and rear storage pockets
- Air conditioning with tri-zone automatic climate controls
- Bose[®] nine-speaker system with subwoofer in center console
- Power-adjustable pedals for accelerator and brake
- Five 12-volt auxiliary power outlets

Tahoe LTZ

In addition to or replacing LT features, LTZ includes:

- 20" polished-aluminum wheels⁹
- Heated, power-adjustable/-folding mirrors with driver-side auto-dimming and integrated turn-signal indicators, ground illumination and curb-tilt
- Bright chrome grille inserts, door handles, body-side molding accents, rear fascia accents and mirror caps
- Power-remote liftgate
- AM/FM stereo with CD/MP3 player and navigation¹⁰
- Rearview camera system
- Bose[®] Centerpoint[®] Surround Sound 10-speaker system
- XM NavTraffic¹¹
- Auto-dimming inside rearview mirror
- Perforated leather-appointed, heated and cooled front bucket seats with 12-way power driver and right-front passenger seat adjusters and heated second-row seats with power release
- Universal Home Remote transmitter

Tahoe Hybrid

In addition to or replacing LT features, Hybrid includes:

- Vortec 6.0L V8 with Active Fuel Management
- Hybrid Propulsion Electric with 300-volt Energy Storage System
- XM NavTraffic¹¹ with three-year subscription
- Universal Home Remote transmitter
- Heated, leather-appointed front bucket seats
- Two-speed active transfer case
- 18" 12-spoke aluminum wheels
- Four air bags⁸

¹E85 is a combination of 85% ethanol and 15% gasoline. EPA est. 11 MPG city/16 hwy. when running on E85. 1 Maximum payload capacity is for a properly equipped vehicle and includes weight of driver, passengers, optional equipment and cargo. Cargo and load capacity limited by weight and distribution. **2** Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevy dealer for additional details. **3** Gross Vehicle Weight Rating (GVWR). When properly equipped; includes weight of vehicle, driver, passengers, cargo and optional equipment. **4** Not available with Z71 Off-Road Suspension Package. **5** Requires AM/FM stereo with CD/MP3 player, navigation and voice recognition or AM/FM stereo with DVD/CD/MP3 player and DVD-based navigation and Side Blind Zone Alert. **6** Requires available Luxury Package. **7** Requires available Convenience Package. **8** E85 is a combination of 85% ethanol and 15% gasoline. Go to chevy.com/biofuels to see if there is an E85 fuel station near you. **9** Requires available 3.08 rear axle ratio. Not available on 3/4-ton models or with Heavy-Duty Trailering Package. **10** Standard on 3/4-ton and Z71 models. **11** Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information. **12** Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. **13** Go to gm.com/bluetooth to find out which phones are compatible with the vehicle. **14** Not compatible with all devices. **15** Requires a subscription sold separately by XM after trial period. Available only in the 48 contiguous United States and District of Columbia. Visit gm.xmradio.com for details. **16** Requires a subscription sold separately by XM after trial period. Available only in select markets. For more information, see xmradio.com/navtraffic. **17** Map coverage excludes Puerto Rico, the Virgin Islands and portions of Canada. **18** Not available with Sun, Entertainment and Destinations Package: rear-seat entertainment system; or 40/20/40 split-bench front seat. **19** Requires available Sun, Entertainment and Destinations Package. **20** Requires available Z71 Off-Road Suspension Package. **21** Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to gmaccessorieszone.com or see your dealer for details.

Available only in select markets. For more information, see xmradio.com/navtraffic.

Important information.

100,000 MILE/5-YEAR TRANSFERABLE POWERTRAIN LIMITED WARRANTY. Every 2011 Chevrolet passenger car, light-duty truck, SUV and crossover comes with a 100,000 mile/5-year (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 100,000 miles/5 years (whichever comes first) of the 24/7 Roadside Assistance Program and the Courtesy Transportation Program and much more. See dealer for details.

NEW VEHICLE LIMITED WARRANTY. GM vehicles registered in the U.S.A. are covered for 3 years/36,000 miles (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 5 years/100,000 miles (whichever comes first). See dealer for details.

ENGINES. Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR. OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Statement, and details and system limitations.

A NOTE ABOUT CHILD SAFETY. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large Utility segment and latest available competitive information. Excludes other GM vehicles.

GM, the GM Logo, Chevrolet, the Chevrolet Logo, and the slogans, emblems, vehicle model names, vehicle body designs and other marks appearing in this catalog are the trademarks and/or service marks of General Motors, its subsidiaries, affiliates or licensors. SIRIUS, XM and all related marks and logos are trademarks of SIRIUS XM Radio Inc. and its subsidiaries. The Bluetooth word mark is a registered trademark owned by Bluetooth SIG, Inc. and any use of such mark by Chevrolet is under license. September 2010

At Chevrolet, giving you a completely satisfying ownership experience is our top priority. That's why if you ever need assistance, feel free to contact us at these websites or phone numbers.

CHEVY.COM. Offers shopping tools such as Build and Price, Find a Vehicle, Request Info, Email Sign-Up, Compare Vehicles, Financial Tools...and much more.

24-HOUR ROADSIDE ASSISTANCE PROGRAM (1-800-CHEV-USA). The Chevrolet Roadside Assistance Program provides you with the following services for 100,000 miles or 5 years (whichever comes first): Emergency Towing (to closest Chevy dealer from a legal roadway), Lockout Service (keys locked inside vehicle), Flat Tire Changes (spare installed), Fuel Delivery (\$5 worth of fuel delivered on the road) and Jump Starts (at home or on the road). For specific terms and conditions, please contact your Chevrolet Roadside Assistance advisor at 1-800-243-8872. Some services may incur costs.

COURTESY TRANSPORTATION PROGRAM. Ask your Chevrolet dealer for Courtesy Transportation if you leave your vehicle for extended repairs under the New Vehicle Limited Warranty or Powertrain Limited Warranty. Ask if you qualify for expense reimbursement and/or vehicle rental. Services vary by dealer.

CHEVROLET CUSTOMER ASSISTANCE CENTER (1-800-222-1020). Talk directly to customer relationship managers who can handle any inquiries related to vehicle operation, warranty coverages, or product or service concerns you may have. Please refer to your Owner's Manual for Customer Assistance information.

CHEVY.COM/SAFETY. Chevrolet is committed to keeping you and your family safe — from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

GMMOBILITY.COM (1-800-323-9935). GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

CHEVROLET OWNER CENTER (GMOWNERCENTER.COM/CHEVY). Register your vehicle with the Chevrolet Owner Center, and receive benefits such as online access to your vehicle Owner's Manual, maintenance schedule reminders, service history tracking, warranty and service information, safety information, special offers and privileges, and news and events.

MARKETING AND INCENTIVES (CHEVY.COM/SPECIALOFFERS). Call 1-800-950-CHEV (1-800-950-2438) or visit chevy.com/specialoffers for new product, current incentive and marketing program information.

GMCARDMEMBERSERVICES.COM. Did you know about the family of reward credit cards that can help you get a great deal on a new GM car, light-duty truck, SUV or crossover? With a GM reward card, you accrue earnings on every credit card purchase to use toward the purchase or lease of an eligible, new GM vehicle. With three cards to choose from, you're sure to find one that suits you best.
