

# VOLT 2015

Volt in Silver Ice Metallic with available features.

## CHEVROLET VOLT: THE FIRST EXTENDED-RANGE ELECTRIC VEHICLE.

Ready to test the limits of how far an electric vehicle can take you? With its ingenious propulsion system, Volt lets you drive on pure electricity for your everyday commute and seamlessly switches to gasoline for longer trips. In fact, owners who charge regularly are averaging more than 900 miles between fill-ups! In just four years, Volt has earned more accolades and more “best buy” awards than any other electric vehicle on the planet. No wonder it’s America’s best-selling plug-in.<sup>2</sup>

<sup>1</sup> 342-mile extended range based on EPA-estimated 35 MPG city/40 highway (gas). 38-mile initial range based on 98 MPGe (electric). Actual range varies with conditions. <sup>2</sup> Based on New Vehicle Registrations Dec. 2010 – Feb. 2014. <sup>3</sup> Always use safety belts and the correct restraint for your child’s age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner’s Manual and the child safety seat instructions for more safety information. <sup>4</sup> Available on select Apple, Android, BlackBerry and Windows devices. Services vary by device, vehicle and conditions. Requires active OnStar subscription, which is standard for three years. <sup>5</sup> Available with Premium Cloth; included with Premium Trim Package. <sup>6</sup> Requires available Premium Trim Package. <sup>7</sup> Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. <sup>8</sup> For more information about NavTraffic, visit [siriusxm.com/navtraffic](http://siriusxm.com/navtraffic). For more information about Travel Link, visit [siriusxm.com/travellink](http://siriusxm.com/travellink). XM satellite service is available only in the 48 contiguous United States and D.C. <sup>9</sup> Not compatible with all devices. <sup>10</sup> Go to [gmtotalconnect.com](http://gmtotalconnect.com) to find out which phones are compatible with the vehicle. <sup>11</sup> Data plan rates apply. <sup>12</sup> Requires Chevrolet MyLink and compatible iPhone running iOS 6 or later. <sup>13</sup> Requires a compatible smartphone with Bluetooth profile (M.A.P.) and applicable text message features. Visit [gmtotalconnect.com](http://gmtotalconnect.com) for vehicle and smartphone eligibility. <sup>14</sup> Requires available Navigation and Bose Premium Audio Package. <sup>15</sup> Devices must be WPA2-compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. <sup>16</sup> Requires available Enhanced Safety Package 1 and Premium Trim Package.
