

Sonata

2018

Undeniably stylish.

The 2018 Sonata features a new cascading front grille that is surrounded by a redesigned front fascia with available LED headlights. At the rear you'll find the restyled tail lights, trunk and lower body panel that deliver an athletic stance. And while everyone around will see the striking design, inside the cabin you know there's more to the Sonata than just its beauty. A wealth of standard features keep you comfortable, connected and safe, so you can relax and enjoy the journey.

Power and control.

Fine-tuned and tested on Germany's Nürburgring racing circuit, the Sonata delivers an ideal balance of handling, performance and ride comfort. Under the hood, the standard 2.4L GDI 4-cylinder engine delivers 185 horsepower. If you're seeking greater thrust, opt for an available twin-scroll turbocharged 2.0L GDI engine producing 245 horsepower and 260 lb-ft of torque.

Redesigned around you.

The ergonomic and driver-oriented cabin is intuitively laid out for comfort and convenience. Consider the revised centre console that is optimally positioned to help you keep your eyes on the road and features new piano key inspired buttons for a sophisticated look, or the steering wheel-mounted controls that are grouped by function for simpler interaction.

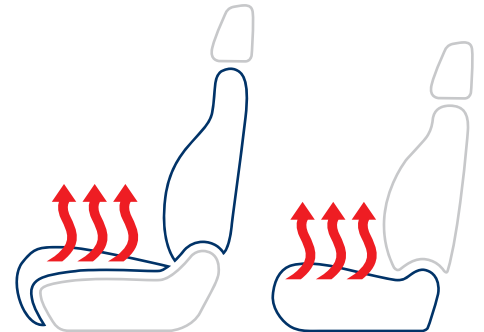

8.0" touch-screen shown.

Connectivity at your fingertips.

Easily access your smartphone apps with Apple CarPlay™^Δ or Android Auto™^Δ on the standard 7.0" touch-screen display. It is also an intuitive interface for streaming music from your smartphone and talking to family and friends via Bluetooth®. Plus, there is an available wireless charging pad that lets you charge your compatible smartphone cable-free^Δ.

Comfortable journeys for everyone.

The spacious cabin offers ultimate driver comfort with standard heated front seats, available ventilated front seats and an Integrated Memory System that will memorize seating and side mirror preferences for two drivers. Rear seat passengers will enjoy the available heated rear seats and sunshade blinds to help block the sun. And everyone can enjoy the view offered by the available panoramic sunroof.

Sonata Sport

How about a bit more bite?

2.0T Sport model shown.

For even greater performance, check out the Sonata Sport models. In addition to the more assertive design cues, both are equipped with sport-tuned suspension and steering for sportier driving dynamics with enhanced handling feel.

2.4 Sport – This model includes a new dark chrome grille design, 17" alloy wheels, stylish dual exhaust outlets set in a sporty rear diffuser and chrome accented side sills. Inside the cabin you'll find sport bolstered cloth seating with leather accents, a black headliner, dynamic instrument cluster and D-cut steering wheel with paddle shifters.

2.0T Sport – Offers everything you get with the 2.4 Sport model, but with more power delivered by the 2.0L turbocharged GDI engine and larger 18" alloy wheels. The cabin also features sport bolstered leather seats with grey stitching and an expansive panoramic sunroof.

Accessories

Premium All-Weather Floor Liners

Premium all-weather floor liners were designed to cover the interior carpet, providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long-lasting premium look. Remove carpet mats prior to installation.

Hyundai WarmUp System

Keep the inside of your car warm in winter months without using a drop of fuel! The Hyundai WarmUp System includes an interior cabin heater and a fully programmable display unit as well as an integrated battery charger.

Premium All-Weather Cargo Tray

Protect your interior cargo area with style. This durable, custom-fit premium cargo tray protects from spills and messy loads while helping keep your cargo area looking new for years to come.

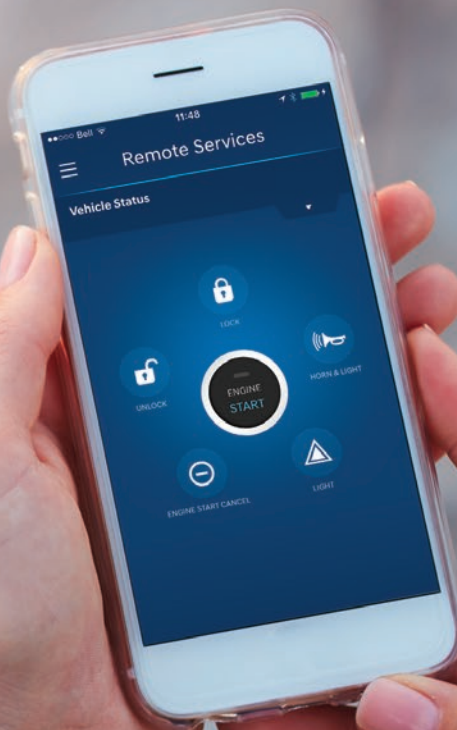

Cargo Net

A custom-fit cargo net ensures everything you're transporting remains organized and in place by preventing items from sliding around.

BlueLink[®] at your service

Hyundai is proud to introduce BlueLink[®] to enhance your safety, service and entertainment experience. BlueLink[®] brings seamless connectivity directly into your car and can be easily accessed with a web connection, smartphone app or by using the control interface on your rearview mirror. Features include:

- ✓ **Complimentary 5-Year Service with select models**
- ✓ **Remote Start with climate control**
- ✓ **Remote Lock/Unlock**
- ✓ **Find My Car**
- ✓ **SOS Emergency and Roadside Assistance**
- ✓ **Automatic Collision Notification**
- ✓ **Local Search powered by Google[™]**
