

DINAN SIGNATURE SERIES M5

2007-08

Performance Without Sacrifice

PERFORMANCE WITHOUT SACRIFICE

4 Year / 50,000 Mile Warranty

Contact a Dinan Representative or visit dinancars.com for information on the most extensive line of M5 products available, all backed by the only guarantee that matches the new car warranty coverage up to 4 years or 50,000 miles.

“...DINAN BUILDS CARS BY EXAMINING EACH AREA OF PERFORMANCE, APPLYING SOUND ENGINEERING PRINCIPLES AND EXECUTING THEM WITH A PRECISION FOUND ONLY AT THE WORLD’S FINEST TUNERS. THEN AS NOW, I’M IN AWE.”
-EUROPEAN CAR

Dinan Signature Series M5

To no one’s surprise, BMW’s most recent iteration of the M5 continues the tradition as the standard by which all other high performance luxury sedans are measured. Receiving glowing reviews from the automotive press and owners alike, the serious driving enthusiast is rewarded with a wonderful combination of luxury appointments, advanced safety features, capable handling and 500 horsepower straight from the factory. However, for those who demand an even more exciting high performance driving experience that provides more immediate acceleration and superior handling capabilities, punctuated by the appearance and pleasingly aggressive sound of a performance-tuned BMW, the Dinan S-M5 is the definitive solution. And only Dinan matches the new car warranty coverage for up to 4 years/50,000 miles, enabling you to enjoy the advantages of a performance tuned M5 with comprehensive warranty coverage from both BMW and Dinan. Truly **Performance without sacrifice.**

Inspired by 29 years of BMW performance tuning and extensive racing experience, the Dinan S-M5 features a carefully engineered, balanced high performance upgrade, available directly from an exclusive network of Authorized Dinan Signature Series Dealers as part of a new or pre-owned delivery. The Dinan-S M5 is adorned with the handsome Dinan deck lid badge, as well as a serial numbered plaque, verifying authenticity and making the cars that much more exclusive. As a final touch, Dinan aluminum pedal pads are included, adding a tasteful performance look to the sumptuous interior.

In addition to the S-M5 performance package, Dinan offers an extensive line of high performance engine, chassis and driveline tuning products for the M5. Your Dinan performance representative can provide you with a full line brochure and additional information, or visit www.dinancars.com.

“Fact is, anyone with a breath of life would ache to motor one of Dinan’s tuned and tweaked BMWs.” -Autoweek

DINAN S-M5

DINAN S-M5 Featuring Dinan's critically acclaimed Stage 2 Suspension System, the M5's cornering capabilities are nothing short of remarkable, while at the same time providing ride quality that is actually superior to the stock configuration. The system features Dinan performance springs along with a larger rear antiroll bar and Dinan's unique Roll Control System for the front, all designed to

work in perfect harmony with the stock EDC shocks. The combination of lowering springs and more aggressive control over body roll enable the car to handle as if it were on rails, while maintaining a comfortable, well dampened ride. All EDC features are maintained, providing the same adjustment options as in stock trim. The handsome carbon fiber strut tower brace further improves chassis rigidity for

"IT'S A THOUGHTFULLY ENGINEERED PACKAGE THAT FEELS AS THOUGH IT COULD HAVE COME FROM THE FACTORY."

sharper steering response.

The stainless steel free flow exhaust emits a deeper, more aggressive note when the car is driven in a spirited fashion, yet remains appropriately civilized when it should be. The mufflers are manufactured from 100% 304 stainless steel for maximum resistance to corrosion and nearly a 30% reduction in overall weight, eliminating over 20 lbs. Optimized flow characteristics improve power output with the dual 3.5" polished stainless tips giving the car an even more aggressive appearance. The tips also feature a unique design that keeps them cool so as to avoid discoloration of the rear valance or

the tips themselves over time.

For those seeking optimum cornering capabilities, the optional Dinan wheel and tire package ensures that the cars have more than adequate grip to take full advantage of the enhanced suspension system. The lightweight Dinan wheels and wide sticky tires contribute to improved acceleration, handling, braking and ride quality. Compared to the stock wheels, the wider Dinan wheels relieve the M5 of a full 32 pounds of un-sprung weight.

Dinan S-M5 Includes: Free Flow Exhaust; Carbon Fiber Front Strut Brace; Stage 2 Suspension System; Dinan Pedal Pads; Deck Lid Badge; Serial Numbered Dinan-S Plaque

Recommended Options: 19x9" and 19x10" Dinan Lightweight Forged Wheels with 275/30-19 and 295/30-19 Tires; Dinan by Brembo Brake Upgrade

"WHEN SKILLFULLY ENHANCED WITH MORE POWER, BETTER HANDLING, STRONGER BRAKES, AND A MORE FORCEFUL SOUND, IT IS A HEADY COCKTAIL."
-CAR AND DRIVER

OPTIONAL M5 PERFORMANCE

Dinan 19" Lightweight Performance Wheels

Dinan's 19" forged wheels are extremely strong yet incredibly light at just 20 lbs. each. The reduction in un-sprung weight provides improved acceleration, handling, ride quality and braking. The wheels have been designed specifically for the M5, allowing for the installation of the largest tires possible for maximum grip.

Front: 19 x 9" Wheel with 275/30-19 Tires

Rear: 19 x 10" Wheel with 295/30-19 Tires

Dinan by Brembo Performance Brakes

As power increases and cornering capabilities are enhanced, additional stopping power becomes more significant. Dinan has teamed up with Brembo in order to produce large, high performance brakes that have been designed for street use. A choice of slotted or drilled rotors is available and the calipers are available in black or red.

Front: 6-Piston Aluminum Calipers; 380mm Floating Rotors

Rear: 4-Piston Aluminum Calipers; 380mm Floating Rotors

Dinan Engineering, North America's BMW Tuner

Founded in 1979, Dinan is well established as North America's premiere BMW tuner. Dinan develops and manufactures the most comprehensive line of BMW high performance products and systems for the street as well as the track, most recently powering Daytona Prototypes to victory in the Grand American Road Racing Series.

Dinan's products are distributed through a substantial network of Authorized Dinan BMW dealerships throughout the US and Canada. Dinan's industry leading warranty program, quality products and solid engineering have helped to make Dinan a household word among BMW driving enthusiasts. Road tests conducted by major automotive enthusiast publications over the last 29 years place Dinan enhanced BMWs on a performance level with some of the most exotic sports cars in the world. At the same time, Dinan BMWs are widely renowned for being civilized and reliable, providing a high performance BMW-like driving experience without equal.

Dinan's comprehensive warranty program, introduced in 1998 with the cooperation of BMW of North America, provides BMW owners with matching coverage to that offered by BMW's new car warranty, ensuring that Dinan performance enhancements and the BMW they have been installed in are

covered for up to 4 years or 50,000 miles. BMW automobiles can be performance-tuned without the associated concern of negatively affecting the new car warranty coverage.

As a serious BMW Tuner, Dinan's objective is to offer complete performance solutions for the entire range of BMW models. From faster acceleration to improved cornering capabilities and stopping power, Dinan takes the guess-work out of creating the high performance BMW of the enthusiasts dreams with complete, balanced performance systems. A choice of several complete Signature Series programs are available for each BMW model in order to meet a broad range of performance requirements and budgets. In addition to stunning performance, you will also enjoy the exclusivity of owning a serial numbered Dinan Signature BMW, registered with both BMW and Dinan.

Dinan offers the means to make your BMW driving experience even more exciting, without sacrificing warranty coverage or the civility you expect from a BMW automobile. Your Authorized Dinan BMW dealership is fully prepared to help you begin driving the high performance BMW of your dreams today.
