VOLVO PROTECTION PLANS

CHOOSE A PLAN RIGHT FOR YOU

At Volvo, the safety and well-being of our owners is a top priority. Volvo Protection Plans are designed to provide you protection against unforeseen risks that can occur during everyday driving! We offer four protection plans with various levels of protection that can be customized according to your needs.

FOUR COVERAGE LEVELS

DELUXE COVERAGE:

Even the most cautious drivers encounter a flat tire or damaged wheel along the way. Help safeguard your tires with The Deluxe Coverage Plan. The Deluxe Coverage Plan repairs or replaces tires damaged by road hazards; road surface conditions such as potholes, cracks, breaks and debris on the road surface.

The Plan provides for the replacement of wheels when or if the wheel cannot be balanced, will not hold air, or the damage has affected the structural integrity of the wheel.

Deluxe Coverage does not cover cosmetic damage to tires and wheels.

PREMIUM COVERAGE:

Includes Deluxe Coverage plus Cosmetic Damage Coverage to an alloy or steel factory wheel.

SUPERIOR COVERAGE:

Includes Deluxe Coverage and Premium Coverage. Repair dents, dings, rips, and tears quickly and conveniently. Repairs are made at authorized participating Dealers and can be included in your routine service visits. No out-of-pocket expenses with covered repairs.

The Superior Coverage covers all aspects of minor damage up to \$500 or the amount of your automotive insurance comprehensive deductible, whichever is less. It does not cover any area of the vehicle made of composite material (e.g., bumper). Interior Repair Services: Unlimited repairs of minor rips, burns, tears, holes, punctures, and scratches up to 2" in length.

Complete Windshield Repair of minor chips and nicks caused by small rocks, stones, or other road debris that may hit your car. It does not include windshield replacement.

SUPERIOR PLUS COVERAGE:

Includes Deluxe Coverage, Premium Coverage, and Superior Coverage. The Volvo Genuine Windshield is an integral part of our vehicles. Not only does it provide for an undistorted view, it serves as a critical structural component of the vehicle. Volvo Genuine Windshields are manufactured to the same specifications as the windshield originally installed in the vehicle at the time of assembly, offering a perfect fit, exact tolerances and maximum precision.

Windshield Replacement Coverage: If the windshield is not repairable according to Volvo standards, coverage provides replacement of the windshield. Coverage is also inclusive of the calibration to the ADAS (Advanced Driver Assistance System). Glass replacement will be VOLVO OEM (Original Equipment Manufacturer) only. Maximum lifetime aggregate windshield benefit is [\$5,000]. Coverage may not be available in all states. Please see state amendments of the contract for eligibility.

ALTERNATE TRANSPORTATION*

In the event the vehicle cannot be repaired within the same day, the Volvo Protection Plan provides, up to \$50 for one day, for the cost of alternate transportation incurred with a covered repair. Alternate transportation includes reimbursement for public transportation, rental car services or a ridesharing service.

* Coverage is not provided for shop and parts delay or for work not covered under the contract.

TOWING/ROADSIDE ASSISTANCE REIMBURSEMENT

In addition to the benefits provided under the Volvo Protection Plan, you will receive up to \$50 per occurrence, for towing and/or roadside assistance expenses incurred in connection with a covered repair.
