

MAINTENANCE SERVICES MENU

5,000 MILE SERVICE

- Engine Oil & Filter Service
- Perform Tire Rotation, Check Inflation & Condition
- Install Oil Fortifier
- Install Ethanol Defender Treatment
- Complete Multi-Point Vehicle Inspection
- Visual Inspection of Cabin Air Filter
- Visual Inspection of Engine Air Filter
- Refill Windshield Washer Solvent & Top Off All Fluids

\$159.95

BG05K/4

30,000 MILE SERVICE

- Engine Oil & Filter Service
- Perform Tire Rotation, Check Inflation & Condition
- Perform Fuel/Air Induction Service with Throttle Body Cleaning
- Install Oil Fortifier
- Perform Engine Performance Restoration Service
- Install Complete Fuel System Cleaner
- Install Ethanol Defender Treatment
- Complete Multi-Point Vehicle Inspection
- Visual Inspection of Cabin Air Filter
- Visual Inspection of Engine Air Filter
- Refill Windshield Washer Solvent & Top Off All Fluids

\$524.95

BG30K/14

* Brake Fluid Exchange, Differential Oil & Transfer Case Oil Services Due Where Applicable at Additional Cost

90,000 MILE SERVICE

- Engine Oil & Filter Service
- Perform Tire Rotation, Check Inflation & Condition
- Perform Fuel/Air Induction Service with Throttle Body Cleaning
- Perform Complete Transmission Oil Exchange
- Install Oil Fortifier
- Perform Engine Performance Restoration Service
- Install Complete Fuel System Cleaner
- Install Ethanol Defender Treatment
- Perform Complete Coolant Exchange Service
- Install Coolant pH Stabilizer
- Complete Multi-Point Vehicle Inspection
- Visual Inspection of Cabin Air Filter
- Visual Inspection of Engine Air Filter
- Refill Windshield Washer Solvent & Top Off All Fluids

\$1064.95

BG90K/23

* Brake Fluid Exchange Differential Oil & Transfer Case Oil Services Due Where Applicable at Additional Cost

60,000 MILE SERVICE

- Engine Oil & Filter Service
- Perform Tire Rotation, Check Inflation & Condition
- Perform Fuel/Air Induction Service with Throttle Body Cleaning
- Install Oil Fortifier
- Perform Engine Performance Restoration Service
- Install Complete Fuel System Cleaner
- Install Ethanol Defender Treatment
- Perform Complete Brake Fluid Exchange
- Complete Multi-Point Vehicle Inspection
- Visual Inspection of Cabin Air Filter
- Visual Inspection of Engine Air Filter
- Refill Windshield Washer Solvent & Top Off All Fluids

\$699.95

BG60K/19

* Differential Oil & Transfer Case Oil Services Due Where Applicable at Additional Cost

COMPLETE DIESEL SERVICE

- Synthetic Diesel Engine Oil*¹ & Filter Service
- Perform Tire Rotation, Check Inflation & Condition
- Install Diesel Oil Conditioner
- Perform Diesel Engine Performance Restoration Service
- Install Diesel Fuel System Cleaner
- Complete Multi-Point Vehicle Inspection
- Visual Inspection of Cabin Air Filter
- Visual Inspection of Engine Air Filter
- Perform Diesel Injector Cleaning Service
- Replace Diesel Fuel Filters
- Install Coolant pH Stabilizer
- Refill Windshield Washer Solvent & Top Off All Fluids

\$999.95

BGCCD/17

*¹ Diesel Engine Oil up to 12 Quarts

* Prices and Services may vary by model and vehicle type, EcoDiesel additional \$50.

15,000 MILE SERVICE

- Engine Oil & Filter Service
- Perform Tire Rotation, Check Inflation & Condition
- Install Oil Fortifier
- Perform Engine Performance Restoration Service
- Install Complete Fuel System Cleaner
- Install Ethanol Defender Treatment
- Complete Multi-Point Vehicle Inspection
- Visual Inspection of Cabin Air Filter

Prices Subject to change and do not include sales tax, disposal fees or other shop supplies. Up to 6 quarts of oil, Synthetic and Diesel extra. Suggestions based on normal conditions and industry standards for most vehicles.

WHY AM I LOSING SO MUCH OIL?

(Hint: Oil is evaporating and it's the **PISTON RINGS'** fault.)

BG EPR® cleans rings to improve the compression seal and keep oil where it belongs!

Ask for BG EPR® at each oil change to prevent oil consumption!

EPR - Dissolves hard-to-remove deposits from piston rings allowing them to reseat fully against cylinder wall. Improves compression & reduces oil dilution. Cleans micro passages unique to GDI engines to maintain critical hydraulic functions. Restores fuel efficiency.

44K - A premium fuel system cleaner that rapidly cleans the entire fuel system including fuel injectors, intake valves and ports, fuel filters & combustion chambers. Improves engine performance & restores drivability.

MOA - Fortifies all qualities of engine oil (synthetic & conventional). Provides superior long-lasting engine protection and helps maintain engine performance. It also prevents oxidation and thickening of all oil in the most severe driving conditions.

Ethanol Defender Treatment - Treats against the harmful effects of ethanol, including moisture accumulation and fuel system corrosion.

LIFETIME PROTECTION FOR YOUR VEHICLE

UP TO \$4000 COVERAGE
ON THE FOLLOWING SYSTEMS:

- Fuel System
- Engine
- Drive-line
- Transmission
- Transfer Case
- Manual Transmission
- Power Steering System
- Brake System
