

Powertrain coverage

 **Gasoline/diesel/electric engine:** All internal lubricated parts; engine block; cylinder head(s); expansion plugs; harmonic balancer; manifolds: exhaust/intake; mounts; oil pan (excluding drain plug related failures); engine oil cooler; pulleys; timing belt/chain/cover and tensioner; valve cover(s); water pump; electric coolant pump; electric oil pump; engine control module (ECM); diesel accessory vacuum pump, lift pump, injectors and injector pump; manufacturer-installed turbocharger(s), bypass valve(s), blow-off valve(s), intercooler and waste gate(s); manufacturer-installed supercharger, bypass valve(s), blow-off valve(s), and intercooler.

 **Transmission (automatic, continuous variable (CVT), double clutch (DCT), standard and transfer case):** All internal lubricated parts; mounts; throttle valve cable; throttle by wire; torque convertor; flywheel/flexplate; transmission and transfer case housing; transmission cooler/metal lines; oil pan; transmission control module (TCM); vacuum modulator; automatic electronic clutches; electric oil pump; gear selector system: electronic drive mode, paddle shifter, push button and shift by wire.

 **Drive axle (front/rear/AWD/4 wheel drive):** All internal lubricated parts within the drive/transaxle assembly and housing, including axles and axle bearings; electronic limited slip or locking differential system; constant velocity boots and joints; differential cover; hubs and hub bearings; front hub locking assemblies; drive shaft, propeller shaft, yoke, support and center support bearing; universal joints; four wheel drive actuator; differential heating and cooling system; coaxial electric axle.

 **Hybrid/plug-in hybrid/battery electric/fuel cell-hydrogen:** Electric motor assembly; electronic transmission/transaxle assembly; electric traction-drive motor assembly; transmission control (ECU); fuel cell water pump.

 **Other covered repair expenses:** Filters, fluids and lubricants; taxes; nuts, bolts and screws; wheel alignments; ADAS-advanced driver assistance system recalibrations; if required to complete a covered repair for any covered part listed above.

 **Seals & gaskets:** Seals and gaskets for all covered parts listed above.

Enhanced coverage

All items listed under “powertrain coverage” plus the following:

 **Electrical:** Alternator and voltage regulator; body control module (BCM); defroster (electrical failure only); horns; gauges and driver information center; heated mirrors (excluding glass); heated seats and steering wheel (electrical failure only); cooled seats (electrical failure only); ignition coils; oil pressure sending unit; oxygen sensor; mass/map airflow sensor; main engine wiring harness; ignition module and main electronic control unit; motors: power mirror, washer pump and wiper; starter motor, solenoid and starter drive; switches, including manually or mechanically-operated electrical switches.

 **Fuel:** Diesel exhaust fluid system (DEF): injection system, tank and tank sending unit; electronic fuel injection system and sensors; fuel pump; fuel distributor; injectors; metal fuel lines; pressure regulator; rail; fuel tank; fuel tank sending unit; throttle body; idle speed or automatic idle speed assemblies.

 **Cooling & heating:** Electric cooling fan motor and sensors; blade assembly and fan clutch; engine block heater; radiator; belt tensioner; heater core; thermostat; heater control valve.

 **Climate control system:** Accumulator; blower motor and resistor; compressor; clutch, coil, pulley and electric engine; condenser; pulleys and bearings; receiver/dryer; evaporator; orifice tube; POA valve; suction control devices; thermostatic expansion valve; high/low compressor cutoff switch; pressure cycling switch; lines and hoses; dye, flushing liquids or refrigerant(s) if needed in conjunction with a covered repair.

 **Brakes:** Master and power brake cylinders; assist booster/vacuum (electric/hydraulic); disc brake calipers; wheel cylinders; compensating valve; hydraulic lines, fittings and control unit; manual or electronic parking brake system (excluding handle and cables); electrohydraulic brake system; antilock brake system (ABS); brake by wire (electronic brake system-EBS); adjustable brake pedal assembly.

 **Towing & trailering (OEM installed):** Trailer sway control (TSC); hydraulic trailer brake assembly; integrated/electric trailer brake controller; tow/haul mode button; trailer light check system; trailer backup assist system; hill start assist system; engine brake/grade braking system.

 **Hybrid/plug-in hybrid/battery electric/fuel cell-hydrogen:** Battery cooling system, including fan, motor and pump; integrated starter generator or belt alternator starter; regenerative braking assembly; electric heater/heat pump; generator assembly; battery controller; ultracapacitors; power distribution box; on-board battery charging system; plug-in charging port outlet (vehicle only); main battery cable; plug-in cable (electrical failure only); fuel cell electric compressor; hydrogen: fuel cell stack, power control unit, pump/pipes and storage tank; nickel metal hydrate, solid state, polymer and lithium-ion drive propulsion batteries, covers one battery replacement during the term of this contract.

 **Seals & gaskets:** Seals and gaskets for all covered parts listed above.

Premium coverage

All covered parts listed under “powertrain coverage” and “enhanced coverage” plus the following:

 **Suspension (mechanical/electronic/pneumatic):** Active electronic suspension system; ball joints; control arms, shafts, bearings and bushings; dampers; engine hood, trunk lid, and rear liftgate; electronic sway bar disconnect system; lateral link arm assembly; torsion bars, mounts and bushings; stabilizer bar, links and bushings; radius arms and bushings; height sensor; mode switch; spindles; coil and leaf springs; struts and upper pivot bearing mounting assembly; shock absorbers; trailing arm assembly; wheel bearings; wheel seals; electronic level control system.

 **Steering:** All internal lubricated parts within the steering gear, power steering pump and electric power steering unit; power steering lines, hoses, pulley, cooler and couplings; electric power steering system; intermediate and main shaft; steering wheel controls (electrical failure only); auto-pilot steering system; retractable steering system; steering gear and pump housing; pitman arm; idler arm; tie rod ends; drag link; tilt/telescopic wheel mechanism/electronic adjustable steering wheel assembly; rack-and-pinion gear and housing.

 **Electronics:** Air conditioning/heating power module, controller and relay; dash control unit/temperature control unit; manufacturer-installed power antenna motor, mast and antenna system (electrical failure only); manufacturer-installed theft deterrent devices/systems; cruise control system and adaptive radar system; power door lock actuators/solenoids; ignition spark control pick-up sensor; keyless entry system; power seat motor and transmission; touch-operated electric switches; trunk lid release activator and motor; power window motor/regulator; power door handles (electrical failure only); power door opener, motor and sensors; memory seat and steering wheel control; ignition switch/keyless push button engine start/stop; motors: convertible and retractable tops, tonneau bed cover, headlamp, sunroof, power lift/tail gate, sliding door and running boards.

 **Technology (entertainment/multi-media/communication):** Manufacturer-installed hardware and software for infotainment systems, global positioning systems and navigation systems; audio/video/gaming equipment. Coverage is limited to base units. Hand-held remote control devices, wiring and media are specifically excluded from this group of covered parts. Repair or replacement of covered part(s) in this list is limited to one occurrence per part.

 **Portable device connectivity:** 110, 115 and 120 volt AC power outlets; 12 volt DC port/power outlet; SD card slots; docking ports; wireless device/cellular charging pad-station; Bluetooth®; Wi-Fi (WLAN) hot spot; accessory power outlet; jacks: aux/headphone input; HDMI/USB ports.

 **Safety:** Airbag system including inflatable seatbelts; automatic emergency braking system; blind spot monitoring system; electronic stability/traction control system; seatbelts; tire pressure monitoring system; backup-sensors; power side view camera mirror and monitor system (electrical failure only); rearview full display streaming and touchscreen mirror (electrical failure only); video cameras and camera washers; TV/video monitors.

 **Hybrid/plug-in hybrid/battery electric/fuel cell-hydrogen:** AC-DC and DC-DC converter; battery control module; hydrogen pump inverter; fuel cell boost converter; inverter assembly and converter; motor power cable/wiring harness; engine-power control module.

 **Seals & gaskets:** Seals and gaskets for all covered parts listed above.

Complete coverage

Covers all vehicle components listed under premium coverage and more. A sample of the additional vehicle components covered are listed below in **RED**. See service contract for specified exclusions.

 **Gasoline/diesel/electric engine:** All internal lubricated parts; engine block; cylinder head(s); expansion plugs; harmonic balancer; manifolds: exhaust/intake; mounts; oil pan (excluding drain plug related failures); engine oil cooler; pulleys; timing belt/chain/cover and tensioner; valve cover(s); water pump; electric coolant pump; electric oil pump; engine control module (ECM); diesel accessory vacuum pump, lift pump, injectors and injector pump; manufacturer-installed turbocharger(s), bypass valve(s), blow-off valve(s), intercooler and waste gate(s); manufacturer-installed supercharger, bypass valve(s), blow-off valve(s), and intercooler. **Supercharger air control valve, supercharger waste gate, serpentine belt tensioner, and air pump.**

 **Transmission (automatic, continuous variable (CVT), double clutch (DCT), standard and transfer case):** All internal lubricated parts; mounts; throttle valve cable; throttle by wire; torque convertor; flywheel/flexplate; transmission and transfer case housing; transmission cooler/metal lines; oil pan; transmission control module (TCM); vacuum modulator; automatic electronic clutches; electric oil pump; gear selector system: electronic drive mode, paddle shifter, push button and shift by wire. **Clutch master cylinder, clutch slave cylinder, clutch pedal position switch, shift interlock switch, and transfer case actuator.**

 **Drive axle (front/rear/AWD/4 wheel drive):** All internal lubricated parts within the drive/transaxle assembly and housing, including axles and axle bearings; electronic limited slip or locking differential system; constant velocity boots and joints; differential cover; hubs and hub bearings; front hub locking assemblies; drive shaft, propeller shaft, yoke, support and center support bearing; universal joints; four wheel drive actuator; differential heating and cooling system; coaxial electric axle.

 **Hybrid/plug-in hybrid/battery electric/fuel cell-hydrogen:** Electric motor assembly; electronic transmission/transaxle assembly; electric traction-drive motor assembly; transmission control (ECU); fuel cell water pump; battery cooling system, including fan, motor and pump; integrated starter generator or belt alternator starter; regenerative braking assembly; electric heater/heat pump; generator assembly; battery controller; ultracapacitors; power distribution box; on-board battery charging system; plug-in charging port outlet (vehicle only); main battery cable; plug-in cable (electrical failure only); fuel cell electric compressor; hydrogen: fuel cell stack, power control unit, pump/pipes and storage tank; nickel metal hydrate, solid state, polymer and lithium-ion drive propulsion batteries, covers one battery replacement during the term of this contract; AC-DC and DC-DC converter; battery control module; hydrogen pump inverter; fuel cell boost converter; inverter assembly and converter; motor power cable/wiring harness; engine-power control module.

 **Electrical:** Alternator and voltage regulator; body control module (BCM); defroster (electrical failure only); horns; gauges and driver information center; heated mirrors (excluding glass); heated seats and steering wheel (electrical failure only); cooled seats (electrical failure only); ignition coils; oil pressure sending unit; oxygen sensor; mass/map airflow sensor; main engine wiring harness; ignition module and main electronic control unit; motors: power mirror, washer pump and wiper; starter motor, solenoid and starter drive; switches, including manually or mechanically-operated electrical switches. **Heated glass element switch & relay, coolant temperature sensor (gauge), brake light switch, parking brake switch, turn signal & hazard flasher, hazard switch, horn relay, door switch, neutral safety switch, transmission position switch/sensor, transmission speed sensor, transmission temperature sensor/switch, crank & camshaft position sensor, throttle position sensor, vehicle speed sensor, power steering pressure switch, fuel pump relay, knock sensor, cruise control clutch switch, wiper relay, mass air flow sensor, traction control switch, daytime running lamp control unit & relay, fog/driving lamp relay, seat heater switch, trunk/lift gate switch, seat heaters, hood & trunk lift struts, power seat actuator, keyless entry module, memory position module, power door lock control module, power seat control module, seat heater control module, sunroof/moon roof module, sunroof relay, radio/stereo, and alarm system.**

 **Fuel:** Diesel exhaust fluid system (DEF): injection system, tank and tank sending unit; electronic fuel injection system and sensors; fuel pump; fuel distributor; injectors; metal fuel lines; pressure regulator; rail; fuel tank; fuel tank sending unit; throttle body; idle speed or automatic idle speed assemblies. **Fuel gauge, fuel door release actuator, fuel pump relay, fuel tank vent valve, inertia fuel shutoff switch.**

 **Cooling & heating:** Electric cooling fan motor and sensors; blade assembly and fan clutch; engine block heater; radiator; belt tensioner; heater core; thermostat; heater control valve. **Engine coolant temperature switch, cooling fan motor relay/module, and temperature sensor.**

 **Climate control system:** Accumulator; blower motor and resistor; compressor; clutch, coil, pulley and electric engine; condenser; pulleys and bearings; receiver/dryer; evaporator; orifice tube; POA valve; suction control devices; thermostatic expansion valve; high/low compressor cutoff switch; pressure cycling switch; lines and hoses; dye, flushing liquids or refrigerant(s) if needed in conjunction with a covered repair. **Air door actuator motor, blower motor resistor, ambient temperature sensor/switch, pressure sensor/switch, refrigerant temperature sensor, and compressor clutch relay.**

 **Brakes:** Master and power brake cylinders; assist booster/vacuum (electric/hydraulic); disc brake calipers; wheel cylinders; compensating valve; hydraulic lines, fittings and control unit; manual or electronic parking brake system (excluding handle and cables); electrohydraulic brake system; antilock brake system (ABS); brake by wire (electronic brake system-EBS); adjustable brake pedal assembly. **ABS main relay, brake fluid level sensor/switch, brake fluid pressure sensor/switch, parking brake warning switch, vacuum booster check valve, parking brake release motor, and adjustable brake pedal motor.**

 **Towing & trailering:** Trailer sway control (TSC); hydraulic trailer brake assembly; integrated/electric trailer brake controller; tow/haul mode button; trailer light check system; trailer backup assist system; hill start assist system; engine brake/grade braking system.

 **Suspension (mechanical /electronic/pneumatic):** Active electronic suspension system; ball joints; control arms, shafts, bearings and bushings; dampers; engine hood, trunk lid, and rear liftgate; electronic sway bar disconnect system; lateral link arm assembly; torsion bars, mounts and bushings; stabilizer bar, links and bushings; radius arms and bushings; height sensor; mode switch; spindles; coil and leaf springs; struts and upper pivot bearing mounting assembly; shock absorbers; trailing arm assembly; wheel bearings; wheel seals; electronic level control system. **Strut bar & bushings, and shackle.**

 **Steering:** All internal lubricated parts within the steering gear, power steering pump and electric power steering unit; power steering lines, hoses, pulley, cooler and couplings; electric power steering system; intermediate and main shaft; steering wheel controls (electrical failure only); auto-pilot steering system; retractable steering system; steering gear and pump housing; pitman arm; idler arm; tie rod ends; drag link; tilt/telescopic wheel mechanism/electronic adjustable steering wheel assembly; rack-and-pinion gear and housing. **Steering column (internal parts), and steering damper.**

 **Electronics:** Air conditioning/heating power module, controller and relay; dash control unit/temperature control unit; manufacturer-installed power antenna motor, mast and antenna system (electrical failure only); manufacturer-installed theft deterrent devices/systems; cruise control system and adaptive radar system; power door lock actuators/solenoids; ignition spark control pick-up sensor; keyless entry system; power seat motor and transmission; touch-operated electric switches; trunk lid release activator and motor; power window motor/regulator; power door handles (electrical failure only); power door opener, motor and sensors; memory seat and steering wheel control; ignition switch/keyless push button engine start/stop; motors: convertible and retractable tops, tonneau bed cover, headlamp, sunroof, power lift/tail gate, sliding door and running boards.

 **Technology (entertainment/multi-media/communication):** Manufacturer-installed hardware and software for infotainment systems, global positioning systems and navigation systems; audio/video/gaming equipment. Coverage is limited to base units. Hand-held remote control devices, wiring and media are specifically excluded from this group of covered parts. Repair or replacement of covered part(s) in this list is limited to one occurrence per part.

 **Portable device connectivity:** 110, 115 and 120 volt AC power outlets; 12 volt DC port/power outlet; SD card slots; docking ports; wireless device/cellular charging pad-station; Bluetooth®; Wi-Fi (WLAN) hot spot; accessory power outlet; jacks: aux/headphone input; HDMI/USB ports.

 **Safety:** Airbag system including inflatable seatbelts; automatic emergency braking system; blind spot monitoring system; electronic stability/traction control system; seatbelts; tire pressure monitoring system; backup-sensors; power side view camera mirror and monitor system (electrical failure only); rearview full display streaming and touchscreen mirror (electrical failure only); video cameras and camera washers; TV/video monitors.

 **Other covered repair expenses:** Filters, fluids and lubricants; taxes; nuts, bolts and screws; wheel alignments; ADAS-advanced driver assistance system recalibrations; if required to complete a covered repair for any covered part listed above.

 **Seals & gaskets:** Seals and gaskets for all covered parts listed above.

 **Additional covered components:** **Convertible top hydraulic cylinder, canister purge solenoid, EGR valve & control solenoid, and pressure feed back exhaust sensor.**

Wrap coverage

Factory and/or dealer powertrain warranties are limited to major components. Wrap coverage is an exclusionary level of coverage that is designed to “wrap” around factory and/or dealer powertrain warranties protecting many of the other vehicle components, subject to specified exclusions. A complete list of exclusions appears in the contract. Since the factory and/or dealer powertrain warranty covers the powertrain portion of your vehicle, wrap coverage does not cover the following component groups:*

- Engine
- Transmission
- Transfer case
- Drive axle

* The term of your wrap coverage may not coincide with the term of your factory and/or dealer powertrain warranty.

Optional coverage*

We offer additional coverage for:

- Mobility equipment—Includes chair lift motors and assemblies, electric/hydraulic ramp controls and assemblies, adjustable seating mechanisms, adjustable pedal and steering control mechanisms, hoist and swing-arm mechanisms
- Climate control system (powertrain coverage only)
- Snow plow
- Lift kit/tire modifications

* Subject to maximum reimbursement limits and other terms and conditions.

Limits and exclusions

Coverage is subject to deductibles, limits and exclusions. The contract covers repairs only of covered parts and only when they suffer a breakdown as defined in the contract. Under some circumstances, a breakdown of a covered part may not be covered (for example, failure due to misuse or lack of proper maintenance or when a non-covered part is what caused the covered part to fail). Also, the exclusions contain a list of parts not covered, some of which may be associated with a covered part (for example, brake drums, pads and rotors; exhaust pipes, mufflers and catalytic converters; and body and trim items). Please see the service contract for details.

Additional plan benefits*

The Protective Vehicle Protection Plan provides you peace of mind knowing you're protected against certain costly repairs and includes additional valuable benefits such as:

 **24-Hour roadside assistance**
Up to \$175 of coverage per incident for emergency roadside assistance is available for the following:

- Towing
- Flat tire replacement (using vehicle's inflated spare)
- Fuel, water or other fluid delivery (excluding the cost of fluids)
- Lock-out assistance
- Jump start (excluding hybrid main power cell and auxiliary batteries)

 **Substitute transportation**

You receive reimbursement for up to \$50 per day for a rental vehicle or ride sharing service while your vehicle is undergoing a covered repair.

 **Trip interruption**

We reimburse you for meals and lodging expenses for up to \$175 per day for a maximum of 3 days when your vehicle is undergoing a covered repair due to a mechanical breakdown occurring more than 100 miles from your home address and the repair facility keeps the vehicle overnight.

 **Pet benefit**

We will reimburse you for expenses incurred for pet removal, transporting, handling and boarding (including hotel/motel pet surcharges) up to \$175 per occurrence when your vehicle is undergoing a covered repair due to a mechanical breakdown that has occurred more than 100 miles from your residence and the repair facility keeps your vehicle overnight.

* Subject to maximum reimbursement limits and other terms and conditions. Certain additional benefits may not be available in some states due to state law restrictions. See contract for exact terms, coverage and exclusions.

Average repair costs

Transmission replacement
\$4,877

Navigation display
\$4,064

A/C compressor
\$1,132

Rack & pinion steering
\$1,701

Starter
\$392

Pedal positioning system
\$173

ABS modulator valve
\$1,256

Keyless entry system
\$428

Rear vision camera
\$513

Power window motor
\$317

Engine replacement
\$7,925

Head gasket
\$1,370

Water pump
\$350

Alternator
\$646

Fuel pump
\$577

Repair cost estimates based on Protective's internal adjusted claims data.

Protective

Protective Asset Protection has been serving dealership customers since 1962. We provide coverage that fits your life, because we believe everyone deserves a sense of security and protection.

We go beyond policies and numbers — standing by your side, always pushing to do better for you and by you. When we make a promise to you, we keep it. Because we put your needs at the heart of how we do business.

protectiveassetprotection.com

P.O. Box 830633
Birmingham, AL 35283-0633
800 323 5771

The Protective Vehicle Protection Plan is administered by a Protective company and backed by Protective Property & Casualty Insurance Company. In Florida the Protective Vehicle Protection Plan is administered by Western General Warranty Corporation, contact information above. Florida Certificate of Authority #60078.

When replacing failed parts under this contract, we reserve the right to require the use of remanufactured or used parts of like kind and quality compatible with the original design specifications and wear tolerances of the vehicle.

PVPP-B-D (7/21)

Protective

Vehicle Protection Plan

Protection for your new or pre-owned vehicle

We'll help you stay protected, no matter where the road leads.

There are lots of things to look forward to when you buy a car or truck, but an unexpected repair isn't one of them. Repairs can be costly, and coverage gaps can make it even more so.

With a Vehicle Protection Plan from Protective, we're looking out for you. Offering four levels of protection to fit your needs and make protection more accessible, we also offer additional benefits like 24-hour roadside assistance, rental vehicle coverage, and even expense reimbursement if you need repairs away from home.

It's just one of the ways we help you protect all the things you've worked hard for, including your vehicle.
