

NOTES

SCHEDULED MAINTENANCE SERVICE PROGRAM

Services suggested in this schedule have been determined by the manufacturer's general recommendations and our years of automotive experience in our severe climate and driving conditions.

It is our desire to help you maintain your vehicle in a manner that keeps it trouble free and fun to drive.

SERVICE HOURS

Monday through Friday
7:30 a.m. to 5:30 p.m.

9393 Abercorn Expressway
Savannah, GA 31406
Tel: (912) 629-3474

As always, we thank you for choosing Dan Vaden Chevrolet for your automotive needs.

- ☐ Replace Engine Oil and Filter
- ☐ Reset Oil Life System
- ☐ Visually Inspect for any Leaks or Damage
- ☐ Inspect Engine Air Cleaner Filter or Change Indicator
- ☐ Inspect Tires For Wear and Set Tire Pressure
- ☐ Tire Rotation
- ☐ Check Engine Coolant
- ☐ Check and Top Off All Under Hood Fluid Levels
- ☐ Inspect Brake System Including Brake Lines, Hoses, Pads, Calipers, Wheel Cylinders, Rotors and Drums
- ☐ Lubricate Front Suspension, Ball Joints, Steering Linkage and Parking Brake Cable
- ☐ Check for Outstanding Factory Recalls
- ☐ Perform GM Multi-Point Inspection
- ☐ Road Test Vehicle

TRUCKS ONLY:

- Vehicle equipped with Allison Transmission, inspect external control main filter. At every 15,000 mile interval Dealership recommends a four wheel alignment.

TRUCK:
Reg. \$79.95
Synthetic
\$119.95

**DIESEL
ENGINES**

\$134.95

NOTES

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

\$500 Extra Trade Value with Updated Maintenance Book

Keeping your car current with maintenance may help increase its resale or trade-in value.

We Guarantee it if you trade-in with us!

When trading in your current Dan Vaden Chevrolet this book is worth an additional \$500 towards the value of your trade if you have done all maintenance up to your current time/mileage. Just present this book after we have evaluated your trade... we will then credit you an additional **\$500.00!**

All work must have been performed by Dan Vaden Chevrolet and verified by our computer.
Limit one per vehicle.

PARTS HOURS: Monday - Friday 8:00 am - 5:30 pm

Failure to perform and keep record of scheduled maintenance specified will invalidate warranty coverage on parts affected by lack of maintenance.

MAINTENANCE II:

- ☐ Replace Engine Oil and Filter
- ☐ Reset Oil Life System
- ☐ Visually Inspect for any Leaks or Damage
- ☐ Inspect Engine Air Cleaner Filter or Change Indicator
- ☐ Inspect Tires For Wear and Set Tire Pressure
- ☐ Tire Rotation
- ☐ Check Engine Coolant
- ☐ Check and Top Off All Under Hood Fluid Levels
- ☐ Inspect Brake System Including Brake Lines, Hoses, Pads, Calipers, Wheel Cylinders, Rotors and Drums
- ☐ Lubricate Front Suspension, Ball Joints, Steering Linkage and Transaxle Shift Linkage
- ☐ Inspect and Clean Outside of Radiator and Condenser, Pressure Check Cooling System and Cap
- ☐ Inspect Radiator and Heater Hoses for Cracks, Swelling or Deterioration
- ☐ Inspect Drive Axle Boots for Damage, Tears or Leakage
- ☐ Inspect Wiper Blades
- ☐ Inspect Safety Belts, Latch Plates, Retractors, Anchorages and Safety Belt Reminder Light for Damage or Loose Parts
- ☐ Lubricate Key Lock Cylinders, Doors, Hood, Trunk Hinges and Latches
- ☐ Inspect Throttle Linkage
- ☐ Inspect Steering System and Suspension for Damage, Loose or Missing Parts
- ☐ Inspect Power Steering Lines and Hoses for Leaks and Damage
- ☐ Inspect Passenger Compartment Air Filter, if Applicable
- ☐ Inspect Brake Transaxle Shift Interlock for Correct Operation
- ☐ Inspect Fuel System for Damage or Leaks
- ☐ Inspect Exhaust System for Loose or Damaged Components
- ☐ Inspect Transmission Fluid Level
- ☐ Perform GM Multi-Point Inspection
- ☐ Check for Outstanding Factory Recalls

At every 15,000 mile interval Dealership recommends a four wheel alignment. Please Add \$

WE ALSO OFFER

- Courtesy shuttle
- All major credit cards accepted
- Factory trained & ASE certified technicians
- Computerized service history, write-up
- Full line genuine GM parts, accessories & apparel
- Convenient store hours
- All major brand tires
- Convenient online service appointments
- Leading edge customer convenience
- Comfortable Waiting Room
- Rental cars available
- Convenient appointment system
- Major news publications and magazines
- Cowl Debris Cleaning **\$64.95**
- Headlamp Haze Treatment **\$79.95**

Transmission Flush Service

Prolongs transmission life. A critical time interval service.

- add cleaning agent to eliminate varnish and sludge
- install flush equipment to completely evacuate system
- replace old fluids
- road test

\$159.99

Some Models Extra

Transmission Drain & Fill Service

Prolongs transmission life. A critical time interval service.

- replace fluid, filter and gasket

\$124.95

Manual Transmission Service

\$65.99

Prolongs transmission life. A critical time interval service.

- replace fluid, filter and gasket

4 x 4 Driveline Service

Synthetic Fluid \$229.99

Non Synthetic \$121.99

Minimize wear and ensures performance.

- drain and refill front and rear differentials plus transfer case
- remove cover and replace gasket (if applicable)
- inspect old fluid for moisture or metal contamination
- inspect breather valve

Differential Service

\$149.95

Minimizes wear and ensures performance.

- drain and refill differential
- remove cover and replace gasket (if applicable)
- inspect old fluid for moisture or metal contamination
- inspect breather valve

*Power Steering Flush

\$99.95

Reduces hard steering when cold, minimizes noise and conditions seals.

- add system cleaner to remove harmful metal deposits and varnish build-up
- attach power flush equipment and flush entire power steering system
- replace old fluid with new

A/C Vent Service

\$124.95

- disinfect vent system
- kill mold spores
- apply de-odorizer

30,000 Miles Perform at 60,000 / 90,000 / 120,000

- ☐ Replace Engine Oil and Filter
- ☐ Check and Top off All Under Hood Fluid Levels

- ☐ Inspect Cooling System for Leaks
- ☐ Replace Air Filter
- ☐ Replace Fuel Filter
- ☐ Replace PCV Valve
- ☐ Inspect Steering System For Loose Parts or Damage
- ☐ Inspect Power Steering Lines and Hoses for Leaks and Wear
- ☐ Check and Adjust Parking Brake Cable
- ☐ Clean Throttle Bore - Check Minimum Air Rate
- ☐ Update On Board Computer System Software - Latest Release
- ☐ Check for Outstanding Factory Recalls
- ☐ Perform GM Multi-Point Inspection
- ☐ Road Test Vehicle
- ☐ Transmission Flush
- ☐ Engine Kit (Oil and Fuel Treatment)

\$549.50

**Synthetic
\$599.95**

We Offer These Fine

Services

- On the Road Service Kit*
- Front and/or Rear Differential Service*
- Manual Transmission Service*
- Fuel / Air Induction Service (Fuel Saver)
- Power Steering Service*
- Air Conditioning Tune-Up Service
- Air Conditioning Evaporator Service

- Cooling System Flush*
- Transmission Flush*
- Diesel Injector Flush
- Battery Service
- Air Induction Service
- Brake System Flush*

**Includes BG Protection*

"In a World of Compromise, We Don't"

Prices Subject to Change Without Notice.

Prices do not include tax. Some models may be slightly higher. Prices do not include environmental fees and/or shop supplies.

These prices do not include taxes or shop supplies.

LUBRICATION

Lube, Oil & Filter

Prolongs engine life. Essential for all warranty validation.

- change engine oil and filter
- lubricate all hinges and chassis
- inspect and top off fluids
- visual inspection (by Trained Technicians) shock absorbers, air filter, exhaust system, belts and hoses, wiper blades, lights, inspect tires and adjust air pressure

*Includes up to 5 quarts of oil

Diesel - Includes up to 3 gallons of oil

Synthetic - Includes up to 7 quarts of oil

PERFORMANCE & DRIVEABILITY

* Purge Injector

Maintains performance, fuel efficiency and cleaner emissions.

- inspect pollution control system
- clean throttle plate
- power purge Injector with cleaning
- solvent to remove deposits
- remove & inspect spark plugs and advise.

Diesel Injector Flush

Platinum Emission System Service

Improves performance and gas mileage.

- clean throttle body
- scan computer for updates and perform necessary updates

Fuel Filter Service

Essential to maintain fuel delivery and performance

- install new fuel filter (genuine parts)
- inspect fuel lines and connections
- inspect old filter for contamination

*Some models extra - Diesel excluded

WHEELS

Tire Rotation and Balance

(incl. Brake Inspection)

Prolongs life of tires, ensures safety.

- rotate tires according to manufacturer's specifications
- 18"/8 lug wheel extra
- computerized balancing of tires
- inspect tires for premature wear
- perform visual inspection of brake components and advise
- includes weights

These prices do not include taxes or shop supplies.

\$34.95
Diesel 89.95
Synthetic \$79.95

Gas \$45.99

Diesel \$105.99

\$49.95

Dually \$69.95

*Brake Maintenance Service

Ensures safe vehicle operation and peace of mind.

- clean and adjust rear brakes
- clean and inspect disc brakes, inspect rotors
- lubricate sliders
- inspect and lubricate parking brake cable
- performed by Trained Technicians
- includes brake cleaner

* Brake Fluid Flush Service

Ensures optimum braking performance and prevents costly repairs.

- attach power flush equipment to brake system
- evacuate system and replace fluid

Wheel or Thrust Angle Alignment

Ensures dependable control, safety and extends tire life.

- set vehicle on a computerized alignment rack
- inspect steering and suspension system for wear and damage
- perform necessary camber, caster and toe adjustments
- center steering wheel

CRITICAL SERVICE AREAS

*Cooling System Inspection

Prevents breakdown. Number one cause of mechanical breakdown.

- pressure test system and inspect for leaks
- inspect hoses and belts
- test coolant if necessary (additional charge)

Cooling System Drain & Fill

Ensures optimum cooling and heating efficiency for peace of mind motoring.

- replace coolant

Cooling System Flush Service

Ensures optimum cooling and heating efficiency for peace of mind motoring.

- pressure test system and check for leaks
- inspect hoses and belts
- attach power flush unit to cooling system and flush entire system
- install new Dexcool coolant
- includes Chemical Cleaning Kit

These prices do not include taxes or shop supplies.
