BY GMC¹

Tough job to do? GMC Accessories has you covered with a wide selection of commercial-grade choices that are completely in tune with the engineering and design standards of your vehicle. To help ensure you're getting the quality you deserve, many of these accessories have been put through a lineup of demanding tests. GMC Accessories also offers customer-focused limited warranty coverage — if they are installed before vehicle delivery, they are covered under the applicable portion of the New Vehicle Limited Warranty?

An additional offering of Associated Accessories is also available from renowned manufacturers like LUND®, Thule®, UWS®, CURT™ and others — each with its own individual warranty coverage.

See your GMC Dealer or shop online at GMC.com/accessories, which offers a convenient way to shop, select and ship thousands of choices.

On the Cover:

GM reserves the right to make changes at any time, without notice, in prices, colors, materials, equipment, features, specifications, models, accessories and availability.

Most GMC Parts and Accessories sold and installed on a GMC vehicle by a GMC Dealer or a GMC-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable limited warranty. If GMC Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. GMC Parts sold over the counter, or those not requiring installation, will continue to receive the standard GMC Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles. GMC warranties do not apply to Associated Accessories. See your dealer for details.

UTILITY RACKS

- 1. Full-Frame Steel Utility Rack by Thule®^{1,2}** 
This Utility Rack allows for the convenient and secure carrying of lumber, ladders, conduit and other long, bulky items. It offers a 750-lb. load capacity and no-drill installation.
- 2. Steel Half Ladder Utility Rack by Thule®^{1,2}** 
Carrying ladders is more convenient with this Half Ladder Rack. It features durable black powder coated finish and 250-lb. load capacity.
- 3. Complete Utility Rack System — Two Crossbars by Thule®^{1,2}** 
This aerodynamic aluminum system weighs a mere 55 lbs. and includes a tool box mount kit.
- 4. Cantilever Cab-Over Extension by Thule®^{1,2}** 
Help protect your cab from long loads with this Cantilever Cab-Over Extension. It adds 32 inches of load support.
- 5. Headache Rack/Single Crossbar by Thule®^{1,2}** 
The Headache Rack/Single Crossbar helps protect your rear window from loads. Its low-profile design provides access to low-ceiling areas, such as garages. It uses single-axis clamps for no-drill, easy installation.
- 6. Headache Rack by BACKRACK™³** 
Maintain your truck's stylish good looks while securely carrying ladders and long loads. A low-profile design allows you to park your truck in places you couldn't with a full-size ladder rack. Requires available hardware kit for compatibility with tonneau covers, tool boxes and light bars (sold separately).
- 7. Safety Rack by BACKRACK™³** 
Helps prevent bed items from sliding into the cab window by providing complete coverage of the rear window. It also offers rearward visibility through the two-inch, fully welded wire screen. Requires available hardware kit for compatibility with tonneau covers, tool boxes and light bars (sold separately).
- 8. GEARON™ Utility Rack Package** (not pictured)
Enhance cargo bed versatility with this customizable Utility Rack Package. Stanchions allow the positions of equipment, such as ladders, over the cab, while cross rails can be installed to accommodate two-tier cargo bed loading. Package components (stanchions, cross rails and cargo tie-down rings) are sold separately.
- 9. Aluminum Crossbar with Two Stanchions by Thule®^{1,2}** 
Weighing only 28 lbs., it can be paired with the Headache Rack to make it a complete rack system.

1 Rated rack capacity provided by Thule®. Maximum payload capacity of vehicle includes weight of driver, passengers, optional equipment and cargo. Must not exceed vehicle and bed cargo capacity. Cargo and load capacity limited by weight and distribution.

2  Non-GM warranty. Lifetime limited warranty by Thule®. For more information, contact your dealer.

3  Non-GM warranty. Lifetime limited warranty by BACKRACK™. For more information, contact your dealer.
