

TRAX 2019

CHEVROLET

Trax Premier with available Midnight Edition in Mosaic Black Metallic.

EVERYTHING YOU NEED TO TAKE ON THE CITY.

Keep on rolling. Don't let crowds, traffic or weather dampen your spirit. When you're driving the 2019 Chevrolet Trax, you own the city. That means easily slipping in and out of tight parking spots, while taking up to five adults to catch dinner or a show.

Trax also embraces your eclectic tastes. So it will accommodate the sculpture you couldn't resist at the art fair or the 8-foot ladder from the hardware store with the front passenger seat folded down.

Of course, you don't do the city without sound. So there's Apple CarPlay^{®1} or Android Auto^{™2} compatibility to keep you in tune.

Trax, the small SUV that's as versatile as you are, is ready to take on the demands of the city – and your life.

¹ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ² Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply.

FIND NEW ROADS™

EXTERIOR DESIGN

Trax Premier in Storm Blue Metallic.

DRESSED FOR A DAY IN THE CITY.

Trax has a sculpted body with a chrome-accented dual-port grille and an integrated headlamp design. Available bright-finished door handles and rear liftgate help elevate

the overall look. The rearward-swept roofline is accentuated with bright-finished roof rack rails on LT and Premier, and bright-finished beltline moldings are also standard on those models.

1. LIGHT UP THE ROAD. LED signature daytime running lamps and projector-style halogen headlamps are standard on LT and Premier.

2. STYLISH FOOTWEAR. 18-inch aluminum wheels with all-season tires are standard on Premier.

3. A GRACEFUL DEPARTURE. LED signature taillamps contribute to a sporty look and are standard on LT and Premier.

INTERIOR DESIGN

Trax Premier interior
in Jet Black.

A COMMANDING VIEW. The thoughtfully designed interior is as comfortable as it is stylish. Seats with contrast stitching prove that details matter. Chase chills away with heated driver and front passenger seats, standard on Premier.

DUAL-COCKPIT DESIGN. The Trax instrument panel is designed for attractive symmetry. Controls are simple and intuitive. True White backlighting contributes to a purposeful appearance.

PREMIUM SOFT TOUCHES. Many of the tactile surfaces feature soft touch materials that provide a rich, compliant feel. Piano Black accents complement the overall interior environment.

1. SIMPLE YET ELEGANT. The instrument panel design and driver display features a sporty circular gauge cluster with an analog speedometer and tachometer. The Driver Information Center gives you a read on tire pressure for all four tires, oil life, fuel range and more.

2. NO FUMBLING WITH KEYS.

Your morning balancing act of keys and coffee just got easier. Keyless Open and Start is standard on Premier and available on LT.

3. ROOM FOR FIVE. Spacious 5-passenger seating gives you and your passengers plenty of leg, shoulder and elbow room.

ROOM WHEN YOU NEED IT MOST.

There's 48.4 cu. ft.¹ of cargo space with the rear seats folded down and even more versatility with the fold-flat front passenger seat – enough room to carry items up to eight feet long.

FOLD DOWN AND LOAD IN.

Flexibility is a virtue of the modern Trax design. With a 60/40 split-folding rear seat and a fold-flat front passenger seat, you have eight different ways to carry passengers and other precious cargo.

¹ Cargo and load capacity limited by weight and distribution.

Apple CarPlay® COMPATIBILITY!

With Apple CarPlay, you can simply and smartly connect with some of your most used iPhone® features, including Maps, Music, Messages and Phone, right on your touch-screen display.

Wi-Fi IN YOUR TRAX. Chevrolet offers available built-in 4G LTE Wi-Fi² that provides a better in-vehicle experience than your smartphone. Our strong signal means you have a fast and reliable connection for up to seven devices.

¹ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ² Service varies with conditions and location. Requires active OnStar service and paid AT&T data plan. Visit onstar.com for details and limitations.

Apple CarPlay and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries.

2

3

1. ANDROID AUTO COMPATIBILITY.

You can quickly and intuitively interact with select smartphone apps with support for Android Auto.^{TM1} This system takes some of your compatible AndroidTM phone's features and lets you access them on the touch-screen display. You can access your phone, text messages, music, navigation and more.

2. STAY CHARGED UP.

Trax makes it easy to conveniently charge your compatible devices with a standard auxiliary 12-volt power outlet and two USB ports? A standard 110-volt power outlet on LT and Premier helps you remain plugged in to what's important.

3. myChevrolet Mobile App.³

Simply download the app to your compatible smartphone and if your vehicle is properly equipped, you can start or turn off your engine, lock or unlock your doors⁴ (requires paid subscription after trial), send destinations to your available navigation⁵ system, view key vehicle diagnostic information, set parking reminders and more. Requires available Remote Access Plan⁶

¹ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. ² Not compatible with all devices. ³ Available on select Apple and Android devices. Service availability, features and functionality vary by vehicle, device and the plan you are enrolled in. Device data connection required. ⁴ Requires paid subscription. Services are subject to User Terms and limitations. ⁵ Send-to-Navigation requires subscription. Service varies by vehicle model. Map coverage available in the United States, Puerto Rico and Canada. ⁶ Remote Access Plan does not include emergency or security services. Visit onstar.com for details and limitations.

Android, Android Auto, Google, Google Play and other marks are trademarks of Google LLC.

SAFETY

SAFETY STARTS WITH YOU. Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

ADVANCED SAFETY TECHNOLOGY HELPS YOU COVER THE ANGLES.

FORWARD COLLISION ALERT. This available feature monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it can alert the driver to a potential crash. It also can warn the driver if their Trax is following a detected vehicle much too closely.

LANE DEPARTURE WARNING. If you unintentionally drift out of your lane without using a turn signal, this available camera-based system can send an alert. The system reads traffic lane markings when identifiable and provides audible and visual alerts.

SIDE BLIND ZONE ALERT. With radar sensors on both sides of the vehicle, available Side Blind Zone Alert helps to warn you when vehicles are in your side mirror blind zones and indicates their presence with LED-lit symbols in the exterior mirrors.

REAR CROSS TRAFFIC ALERT. This available feature alerts you to crossing vehicles behind your Trax when backing up. Audible warnings, as well as visual alerts on the rear vision camera screen, are triggered if approaching vehicles are detected.

REAR VISION CAMERA. When traveling in Reverse at low speeds, the standard rear vision camera helps provide a real-time view of the area immediately behind your Trax on the touch-screen display.

REAR PARK ASSIST. This available feature helps you when backing up by sounding an audible alert and providing visual indication on the rear vision camera display when it detects certain stationary objects in close proximity behind the vehicle.

10 STANDARD AIRBAGS! Every Trax includes frontal and knee airbags for driver and front passenger, and seat-mounted side-impact and head-curtain airbags for all outboard seating positions.

ONSTAR AUTOMATIC CRASH RESPONSE? In a crash, built-in sensors can automatically connect you to a specially trained, Emergency Medical Dispatch-certified Advisor³ who can help you get the assistance you need – even if you can't ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. OnStar Automatic Crash Response is included in the available OnStar Safety & Security Plan⁴

¹ A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. ² OnStar plan, working electrical system, cell service and GPS signal required. OnStar links to emergency services. ³ OnStar Advisors are certified by the International Academies of Emergency Dispatch. ⁴ Visit onstar.com for system limitations and details. OnStar plan, working electrical system, cell service and GPS signal required. OnStar links to emergency services.

PERFORMANCE

DRIVE LIKE YOU BELONG HERE.

Trax Premier in Silver Ice Metallic.

BE WHERE YOU WANT TO BE.

The 138-horsepower ECOTEC® 1.4L turbocharged engine paired with an electronically controlled 6-speed automatic transmission lays down 148 lb.-ft. of torque to give you the kind of response you need in tight quarters.

SMILE WHEN YOU PASS THE PUMPS.

Efficient and exciting are not mutually exclusive ideas. Trax front-wheel-drive (FWD) models offer a remarkable 26 MPG city and 31 MPG highway.¹ This can mean fewer stops at the gas station. And really, don't you have a function to get to?

AVAILABLE AWD ADDS CONFIDENCE.

Responsive and agile, Trax makes it easy to navigate city streets. FWD with Electronic Traction Control is standard. For even more sure-footed traction, the available all-wheel-drive (AWD) system engages automatically when

accelerating from a standing start. The system shifts back to FWD mode when it detects there is no more wheel slip. Trax AWD also offers a smooth-going 24 MPG city and 29 MPG highway.¹

¹ EPA-estimated 26 MPG city/31 highway (FWD), 24 MPG city/29 highway (available AWD).

SPECIAL FEATURES

Trax Redline Edition, shown in Silver Ice Metallic, includes Black Chevrolet bowties, Black Trax badge with Red outline, 18" Black-finish aluminum wheels with Red accents, and Black mirror caps, beltline moldings, grille and grille surround. Available on LT.

Side Blind Zone Alert¹ standard on Premier and available on LT with the Driver Confidence Package.

All-wheel drive available on all models.

Trax LT in Summit White with available 18" Midnight Silver-painted aluminum wheels.

NEW VEHICLE LIMITED WARRANTY

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY Chevrolet will warrant each 2019 Trax from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN LIMITED WARRANTY Every 2019 Trax comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Chevrolet dealer for details.

¹ Maintenance visit must occur within first year of vehicle delivery. Service visit consists of ACDelco dexos¹™ Full Synthetic Oil and Filter Change/Tire Rotation/MPVI. Does not include air filters. See participating dealer for other restrictions and complete details. ² Whichever comes first. See dealer for details. ³ Standard connectivity available only to original purchaser for 10 years. Connected Access services are subject to change. Does not include safety services. Visit onstar.com for details and plan limitations. ⁴ Connected Services include navigation services and Remote Access Plan, and 1 month/3 GB of 4G LTE data (whichever comes first) from vehicle delivery date. Services are subject to User Terms and limitations. Certain services require working electrical system, cell service and GPS signals. OnStar links to emergency services. Visit onstar.com for more details. ⁵ Head room is the same for models with available sunroof. ⁶ Cargo and load capacity limited by weight and distribution.

IMPORTANT INFORMATION

CHEVROLET CONNECTED SERVICES AND ONSTAR Effective May 1, 2018, available Chevrolet Connected Services have changed significantly. While many of the offered services are the same, available plans and pricing are different. Connected vehicle services require a paid connected vehicle services plan or trial and connected hardware, vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Visit onstar.com for coverage map, details and system limitations.

CHEVROLET OWNER CENTER (MY.CHEVROLET.COM) Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

ENGINES Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

A NOTE ON CHILD SAFETY Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment,

specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Small SUV segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

CHEVROLET OWNERSHIP EXPERIENCE Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

CHEVROLET.COM/SAFETY Chevrolet is committed to keeping you and your family safe – from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

GMMOBILITY.COM (1-800-323-9935) GM MobilitySM offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

THE BUYPOWER CARD The Chevrolet BuyPower Card – Every purchase you make with the BuyPower Card from Capital One* helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There's no limit on the amount you can earn or redeem, and your Earnings don't expire. Visit chevroletbuypowercard.com/catalogs.

* Capital One, N.A. is the issuer of the BuyPower Card. General Motors ("GM") is responsible for the operation and administration of the Earnings program.
