ELIGIBILITY

- Verifiable proof of employment or a firm commitment from an employer with a start date no more than 120 days from the date of the finance contract.

OPTIONS:

Choose the right plan from Acura Financial Services that best suits your lifestyle.

PURCHASE

If you anticipate keeping this vehicle for more than five years, you should consider traditional financing. To lower costs, you can get started with a very low down payment and structure the loan over a longer term.

LEASE

Leasing is about options—the option of purchasing your vehicle when the lease term is up or turning it in for something new. Also, this program can put you into a New or Certified Pre-Owned Acura with as little initial cash spent as possible.

ONWARD:

Now that you've done your homework, let us help you get on the road to your next destination.

ACURA CARE

You can also purchase Acura Care® Vehicle Service Contract coverage, which provides amenities beyond the standard vehicle warranty. Acura Care is a simple and affordable vehicle- and travel-protection plan that is fully backed by Acura reliability, service and parts.
