

THE OFFICIAL CORPORATE PINEWOOD DERBY RULES & REGULATIONS

“The Pinewood Derby was started to promote learning, competition, and sportsmanship.”

- Second Place finisher

A Corporate Pinewood Derby race is a metaphor for business. Competition sorts the weak and strong – the fast and the slow. Competition drives us to do our best. The goal of this event is to WIN and make your company look good. If you don't win, you can say the event was about having FUN. Yeah, that too.

Sportsmanship involves both following the rules, and how to compete in our Pinewood Derby. No matter how your car performs, you want to compete in a manner that will allow you to feel good in the days to follow. Why is it important to follow the rules at the Pinewood Derby? It makes winning fair and square.

The purpose of the rules and regulations is to provide a reasonable and level playing field for all racing contestants. Please read and heed the rules!
