Interior Accessories

Cargo Liner

\$185.00*

[▶ Watch the Video](#)

This custom-designed Cargo Liner was created specifically to help protect the rear cargo area of your vehicle from dirt, debris, and liquid spills. The Cargo Liner is made of a TPR (Thermo Plastic Rubber) which facilitates loading and unloading. It is also flexible and light so it can be easily lifted for access to storage panels beneath, if applicable.

Front Illuminated Door Sill Protectors

\$495.00*

Heighten the thrill of stepping into your Lexus with illuminated door sills for the driver and front passenger doors. Precision-contoured to fit the vehicle, the sills feature brushed heavy-gauge stainless steel to help protect against unsightly scuffs, scrapes and scratches. The front door sills feature LED illumination of the Lexus name in glowing white for gas models or "hybrid blue" for hybrid models whenever the front doors are opened. These illuminated door sill enhancements are designed to meet Lexus high standards for precision fit and finish, so you can be assured of long-lasting beauty and durability. Kit of 2 (front).

Lexus Genuine Dash Camera

\$590.00*

[▶ Watch the Video](#)

Record your life adventures in full HD 1080p with the Lexus Genuine Dash Camera. Four modes: Continuous Recording, Adventure Mode, Parking Surveillance and Incident Recording. The Dash Camera also includes is fully integrated with GPS and G-force sensors that capture your position and speed, allowing you to download your journey to your mobile app and/or desktop (app and software required). Industrial grade micro SD card included.

Exterior Accessories

Block Heater

\$481.00*

Custom designed for your Lexus provides easy cold weather starts reducing engine wear and faster interior warm-up. The system also helps to save fuel and battery power during start-ups and includes a 'strain relief' electrical cord to reduce cord damage.

Body Side Moulding

\$230.00*

Sleek and amazingly durable, Lexus body side mouldings feature a high-quality body-color finish and are rigorously tested for impact and chip resistance in extreme climates. They are also designed to resist peeling in high-pressure washing and normal environmental exposure. By protecting the door from scratches, dents and chipping, this premium accessory helps retain the vehicles resale value.

Hood Deflector

\$195.00*

Enhance the appearance of your vehicle with this high-strength impact resistant tinted acrylic hood deflector. It's designed for a quality fit and matches the contour of your hood. Aerodynamically designed to deflect airflow over the hood of your vehicle. It helps reduce hood paint chipping from road debris and keeps leading edge of your hood free from insects. Easy to install featuring a 'no-drill' attachment system.

* Default pricing includes installation and is estimated for the Province detected or selected. When you select a Dealership, accessory pricing is updated to reflect suggested retail price plus installation at the Dealership-specific labour rate.

Pro Series Paint Protection Film \$425.00*

The Genuine Lexus Pro Series Paint Protection Film is designed for the hood and front fenders and helps guard your vehicle from weathering, UV radiation and road debris that can chip and scratch the finish. Constructed from transparent thermoplastic urethane, the clear-coated film helps maintain a like-new appearance for your Lexus. Backed by a 10 year limited warranty. At participating dealers only.

Roof Rack Cross Bars \$392.92*

Take full advantage of your roof space. Designed to enhance the versatility and convenience of your Lexus, these lightweight yet high-strength aluminum cross bars feature a high-gloss black finish to complement the body's styling. The cross bars are easily adjustable without tools when cargo-carrying needs change—simply loosen the thumbwheels for infinite adjustability along the length of the factory roof rails. The cross bars are both corrosion- and fade-resistant, and load-rated for carrying almost any size load up to 150 pounds (68 kg) when evenly distributed across both bars.

Running Boards \$1,050.00*

Step up in style. Beautifully crafted to complement the design of your vehicle, these lightweight running boards help you gain easy and safe access to your cabin and roof rack. Featuring a corrosion-resistant design, the running boards are built with a reinforced composite structure for strength and durability. An anti-slip surface provides added grip and stability for driver and passengers.

Side Window Deflectors \$450.00*

The Genuine Lexus Side Window Deflectors are aerodynamically shaped to minimize wind noise and buffeting when driving with open windows. The deflectors are designed to integrate flawlessly with your Lexus, while maintaining its sleek look. Breathe in the fresh air without having to worry about wind, rain or the cold Canadian snow.

Lexus Genuine *FSPORT* Accessories

FSPORT 19" Alloy Wheel

\$3,080.00*

Add a bold directional look to your NX with these *FSPORT* 19" six-spoke performance wheels. The styled centre spokes extend to the wheel lip edge, producing a much larger looking wheel. This forged alloy is lightweight and strong to help maintain fuel efficiency, ride comfort, and enhance handling. Mounted on low profile tires, each wheel is 1.8 kg lighter than the OE 18" wheel, further enhancing road feel and handling. An *FSPORT* logo center cap completes the look. The wheels are dynamically tested to meet all Lexus performance standards. Compatible with the Tire Pressure Monitor System and chassis safety systems. Price displayed includes a set of four wheels with tire installation. Tires sold separately.

* Default pricing includes installation and is estimated for the Province detected or selected. When you select a Dealership, accessory pricing is updated to reflect suggested retail price plus installation at the Dealership-specific labour rate.
