Plug-In Block Heater

\$542.00

A custom-designed system with 400 watts of heating power not only warms a vehicle up quicker but also reduces engine strain and wear. The heater also saves fuel and battery power during start-ups. With the socket conveniently integrated into the front valence, the Plug-In Block Heater has a factory finished look. It comes with both a main 8-foot and spare 18-inch power supply cord, with a 16-foot cord available separately.

START+ Long Range Remote Engine Starter

\$731.95

Toyota START+ long range remote engine starter enables you to start your Toyota from 800 meters or 2,600 feet away (unobstructed). Toyota START+ activates your pre-set heating and air conditioning system, as well as your front and rear defoggers. Non-Genuine remote engine starters and any damages or failures resulting from installation and use, are not covered by any Toyota warranty. Only the Genuine Toyota START+, is covered by Toyota warranty. All Non-Genuine remote engine starter installation is hostile and requires cutting, splicing and soldering of wires and/or require an additional immobilizer bypass device. All features may not be applicable to all vehicle models.

Body Side Moulding

\$294.50

Body Side Mouldings protect Highlander or Highlander Hybrid from dings and bumps, while adding a touch of elegance to the vehicle's exterior. Constructed from highly durable material that has undergone Toyota's rigorous product testing, the Body Side Mouldings offer long-lasting protection from any type of minor incidental contact to the sides of the vehicle.

Toyota Genuine Dash Camera
\$615.00

The Toyota Genuine Dash Camera is designed to provide a safe and memorable driving experience in your Toyota vehicle. Safely record the on-goings of the open road while keeping your eyes on the road. Never miss a moment in motion; capture it! The Toyota Genuine Dash Camera will also allow you to record the surroundings of your vehicle while it is parked

Hood Deflector
\$212.50

Made from thick high-grade tinted acrylic, the Hood Deflector offers high impact resistance and reduces the potential damage to your hood from road debris. The stylish wraparound design complements the vehicle's appearance while providing extra side protection.

Running Boards
\$962.00

Not only do Running Boards assist with entering a vehicle, they also help protect the lower body from road debris. The Running Boards feature a stainless steel finish with a raised-rubber pattern to help ensure secure footing when entering and exiting the vehicle. Designed exclusively for Highlander and Highlander Hybrid, the Running Boards seamlessly integrate with the vehicle's new dynamic and stylish exterior look.

Towing Hitch Ball - 1 7/8" - 2,000 lbs
\$51.49

The Towing Hitch Ball is designed and tested to meet Highlander and Highlander Hybrid's towing specifications and quality standards. It works seamlessly with the accessory Towing Hitch.

Towing Hitch Ball - 2" - 6,000 lbs
\$33.50

The Towing Hitch Ball is designed and tested to meet Highlander and Highlander Hybrid's towing specifications and quality standards. It works seamlessly with the accessory Towing Hitch.

Cargo Liner
\$141.50

The seat-back style Cargo Liner provides full protection to the rear cargo area, regardless of 3rd row seat configuration. Featuring an innovative split design with an integrated 'living hinge', the Cargo Liner provides maximum protection for Highlander and Highlander Hybrid's cargo area, as well as the backs of the rear seats. It also features an anti-slip surface to keep valuables stable, and a raised perimeter lip that helps keep spills limited to the Cargo Liner area.

Cargo Net
\$73.50

The Cargo Net features hammock-style netting with elastic closure. This flexible and stretchable, nylon-braided net secured by tie-down rings in Highlander and Highlander Hybrid's rear cargo area prevents items from shifting around while on the road. Easy to install, and remove when not in use.

Towing Hitch Ball Platform
\$96.50

Designed and engineered to work with the Toyota Genuine Towing Hitch, the Ball Platform is built and tested to meet your Highlander or Highlander Hybrid's exact towing capacity. Its placement has been optimized to maintain the proper vehicle departure angle.

Towing Hitch with Wire Harness
\$993.00

The Towing Hitch system is specifically designed and manufactured for Highlander and Highlander Hybrid models, and has been engineered to obtain the vehicle's safest maximum tow rating. The included Towing Hitch Wire Harness with 4 pin flat connector seamlessly integrates with Highlander and Highlander Hybrid's electrical system. All Toyota Genuine Hitch systems are e-coated and powder coated to prevent rust and corrosion and they are designed to meet or exceed all industry towing standards.

Tub Style All Season Floor Mats (Front and Rear)

\$166.50

Toyota Tub Style All-Season Floor Mats are an advanced concept in superior protection for the vehicle's interior. • These floor mats fully cover the floor and surrounding edges on all sides. • Sculpted channels are designed to trap water, mud, moisture, and debris, and help keep carpet clean and dry • The high-tech composite materials ensure these mats will not crack or harden in freezing weather • Anti-skid ridges make the mats perfectly fit in your vehicle, and prevent them from shifting • One piece rear mat to help provide more complete coverage • Molded Highlander logo on the front mats

Cross Bars

\$382.50

The Cross Bars are engineered specifically to integrate with Highlander and Highlander Hybrid's factory roof channels, enhancing the vehicle's utility and cargo management versatility. The Cross Bars provide you with additional cargo space and can support a maximum load of 75 kg (165 lbs) when evenly distributed across both bars.
