

Repair Costs Increase As a Vehicle Gets Older and the Factory Warranty Expires

costs of repairs

The chart above is a summary of what a typical owner may expect after the factory warranty expires.

Every Don Williamson Certified Pre-Owned vehicle comes with a complimentary 7 Year / 100,000 mile powertrain warranty covering your Engine, Transfer Case, Transmission, and Drive Axle.

Ask your business manager how you can increase your coverage to include more components with a Vehicle Service Contract!

This brochure is not a contract. It is an overview of benefits for marketing purposes only. This brochure does not intend to list all items covered or excluded, so the contract should be referenced for specific details. See your service contract for all details of coverage, benefits, terms, conditions and exclusions.

A printed sample of this service contract is available upon request. The protection provided by this Global Administrators service contract is not affiliated with or sponsored by any vehicle manufacturer.

The purchase of a service contract is not required to finance or purchase a motor vehicle.

“Protecting your Investment”

FREQUENTLY ASKED QUESTIONS

Is extra maintenance required to maintain the warranty?

NO. You're only required to follow the manufacturer's recommended maintenance schedule.

How much will this coverage cost?

We provide this coverage for free with your purchase, so you can drive with confidence for years to come.

What's the catch?

There are no catches, hidden fees or gimmicks. We provide this protection as an added value to our customers for doing business with us!

Today's Vehicles Contain Advanced Technology... Repairs Cost More Than You Might Think!

Actual repair costs vary according to year, make, model, and from state to state. Costs stated above are sample costs based on historical data collected by the administrator.
