Don Williamson Nissan Sponsorship Request Form

Deeply rooted in the communities we serve, Don Williamson Nissan is proud to support local civic organizations, schools, and charitable efforts. We appreciate the opportunity to consider your organization or event! To be considered for a donation or sponsorship of your organization or event, we request you fill this form out completely and submit it to our administrative department.

As we receive a large number of requests, only those which are selected will be notified of approval. Be assured that we do review each submission carefully. We strive to support as many organizations and events as possible. The sooner you apply the better, at least 4 weeks prior to your event, and 8 to 12 weeks is preferred. We do not provide direct donations to individuals, capital campaigns, building projects, equipment, political organizations, salaries, or government agencies.

We appreciate your support of our community and applaud all that you do to contribute! Even if we are not able to sponsor your event or effort directly, we are happy to share the great things your organization does on our social media pages.

For consideration, please fill out the below form in its entirety, then submit it to our administrative department. Submissions may be mailed to:

Attn: Sponsorship Request

Don Williamson Nissan

Program / Event Information

Program / Event Name

Funding Amount or Items Requested

Purpose of the event / support requested

How will the donation / sponsorship be used?

Date of Event (if applicable)

Date Funds or Items are Needed

Are there any other details that will help us in choosing to sponsor your group or event?

In return for donation/sponsorship, we request a small space on your website with a link to our website. Our marketing agency, Cumulus, will submit to you a short paragraph and link with details on where on your webpage we would like to be featured. This small token aids our efforts in gaining exposure on the internet.
