DORSCHEL DETAIL SHOP

Doll Up & Reconditioning Services

"Upon seeing the car, after it had been prepped and cleaned, I was surprised how good it looked. In the future, is it possible to bring the Volvo back in for the cleaning and wax? It really looked like a new car, and no signs of buffing either. Very impressed."

-Jim R., Rochester, NY

Wash, Wax & Vacuum **\$59.95**
SUV, Trucks, & Vans **\$79.95**

Remove bugs and tar from exterior of the vehicle. Remove tar and brake dust from the wheels. Car wash and hand applied 3 month wax protectant. Interior and exterior of the windows polished. Vacuum the carpets, floor mats and seats.

Headlight Restoration **\$89.95**

Removes any oxidation from headlights, restoring them to shine like new.

Paint Less Dent Removal
\$70.00 *per panel for a ding*
\$90.00 *per panel for a crease*

Estimate recommended by the detail manager. Removes dings, crease dents, hail and minor imperfections without the cost of a body shop repair and without compromising the paint job.

Chips Away **\$70.00**

Removes appearance of rock chips from the hood of the vehicle, thus preventing rust and further paint damage resulting from the chip.

Upgrades

These items can be added to the packages on the left, but cannot be sold separately.

\$25.99 *per item below*

Shampoo Package

All interior rugs and floor mats stain treated, agitated manually then shampooed and extracted.

Vinyl Package

Blow out the dashboard, vents, middle console, cup holders, floor boards and door panels using compressed air and scrubbed using a neutral solvent. Dressing available upon request.

Leather Package

Seats are cleaned, scrubbed and blown using compressed air. Then, they are conditioned to protect from cracking.

Headliner Package

Headliner of the vehicle is spot treated manually and scrubbed then steam cleaned to remove light to medium stains.

Claying Package

Removes overspray, rail dust, industrial fallout and brake pad particle contamination.
