

# Excess Wear & Use

Lease-End Protection Plan

Backed by the  
Strength of Toyota Financial Services

# Lease Smarter. Take Control.

## You may do everything you can to protect your lease vehicle.

You may go the extra mile to keep your car clean. You abide by your vehicle's recommended maintenance schedule. You may even park strategically to avoid other vehicles.

## But, is it enough?

No matter how hard you try to protect your lease vehicle, things like dings, dents, and scratches are almost inevitable over time.

- The chip in the windshield
- The scrape on a bumper
- The ding from a shopping cart

These are just a few examples of potential excess wear and use incidents that can happen to anyone's vehicle.

Prepare for the unexpected, don't be caught off guard by unforeseen expenses.

As a part of everyday driving, normal wear and use can be expected. However, when turning in a lease vehicle, you are responsible for any wear and use damage that is considered excessive under the terms of your lease.

The **Excess Wear & Use Protection Plan** from Toyota Financial Services helps waive your responsibility for qualifying excess wear and use charges at lease-end, including:

- Each covered single event valued at \$1,000 or less
- Each covered missing part or equipment valued at \$200 or less
- Up to a maximum of **\$5,000** in total excess wear and use charges<sup>1</sup>

***No claims to submit***

***No deductibles to pay***

***No reimbursements to request***

**Backed by Toyota Financial Services,**

this plan simplifies your lease-end experience with a seamless and convenient process.
