

Program Highlights

- Three levels of named component coverage
- Eligibility includes Current + 10 model years, Current + 15 model years and All Model years.
- Coverage terms up to 4 years/60,000 miles
- \$100 deductible per repair visit
- Transfer benefit
- First-day coverage
- Seals & gaskets optional coverage up to 150,000 miles
- Additional benefits include: towing, jump-start, flat tire change, vehicle fluid delivery, lockout assistance, rental and concierge services

Coverage Levels

Level E

Engine: All internally lubricated parts contained within the engine block, cylinder heads or rotary engine housings; oil pump, timing belt/chain, timing gears and timing tensioners, water pump, engine block, cylinder barrels, engine heads, rotor housings (if damaged by the failure of an internally lubricated part), dipstick and tube, harmonic balancer, oil pan and timing chain cover

Level I

Coverage includes components listed in Level E as well as:

Automatic/Standard Transmission and Transfer Case: All internally lubricated parts contained within the transmission case, torque converter case or transfer case. Transmission case, torque converter case, transfer case and external cover(s) and pan(s) if damaged by the failure of an internally lubricated part. Coverage is not afforded for standard transmission clutch assemblies or any of their component parts. Dipstick and tube

Drive Axle: All internally lubricated parts contained within the front or rear-drive axle housings, front and rear-drive axle housings (if damaged by the failure of an internally lubricated part), drive shafts, locking hubs and bearings, constant velocity joints and universal joints

Steering: Power steering pump, steering box, rack and pinion, pitman arm, idler arm, tie rods, tie rod ends and drag link

Electrical: Alternator, voltage regulator, starter motor and starter motor solenoid

Level II

Coverage includes components listed in Level I as well as:

Front and Rear-Suspension: Upper and lower-control arms, shafts and bearings/bushings, upper and lower-ball joints, king pins and bushings, spindle and spindle support, torsion bars and bushings, leaf springs, shackles and bushings, coil springs, stabilizer bar, linkage and bushings, MacPherson strut housing, strut bar and bushings and wheel bearings

Brakes: Master cylinder, vacuum assist booster, diesel vacuum assist booster pump, wheel cylinders, calipers, equalizer valve, combination/distribution valve, proportioning valve (excluding all ABS brake components), hydraulic brake booster, hydraulic lines and fittings

Fuel: Mechanical and electrical fuel pumps (excluding fuel injection pumps) and fuel sending unit

Electrical: Distributor, front and rear-window wiper motors and switches, washer pumps and switches, engine and dash main wiring harness, headlamp switch, turn signal switch, horn and horn switch, door locks, child safety door locks, power window motors and switches, power mirror motors, electronic cruise control module, electronic combination entry system, mileage computer, power antenna motor, convertible top motors, power sunroof motor, rear-window heating elements and illuminated visor vanity

Air Conditioning: Compressor, condenser, compressor clutch, field coil and clutch pulley, evaporator, blower motor and fan, temperature control programmer, air ducts and orifice tube

Interior and Exterior: Hood/trunk/hatch hinges, latches, gas cylinders and springs, door handles and hinges, seat tracks, glove box lock, ashtray assembly and shift lever

Additional Coverage Information

Additional Benefits*

- Towing** to the nearest qualified repair facility
- Jump-starts** to charge a weak or dead battery
- Flat tire changes** in the event of a flat tire
- Vehicle fluid delivery** to provide gas or fluids
- Lockout assistance** to unlock a vehicle
- Rental** reimbursement in the event of a mechanical breakdown of a covered part
- Concierge services** provide emergency phone call support to relatives and police
- Transfer benefit** if vehicle is sold while the service contract is still active

*All plan benefits are subject to maximum reimbursement limits, may not be available in all states and may be different for each vehicle protection plan. Please see your service contract for all details.

Additional Optional Coverage

Seals and Gaskets:

Level E: Engine seals and gaskets

Level I: Engine seals and gaskets, transmission and transfer case seals and gaskets, steering seals and gaskets

Level II: Engine seals and gaskets, transmission and transfer case seals and gaskets, steering seals and gaskets, brake seals and gaskets
