SENSUS CONNECT

Everything we make is designed around people.

That's why Sensus Connect is more than an in-car technology suite – it's a philosophy that connects you with your car and everything around it. Let us introduce you to a truly connected driving experience.

*Life doesn't stop when
you get in the car.*

Explore effortlessly.

WIKIPEDIA

Be your own tour guide.

Ever wanted to know when that church was built?
Or who built it? Now you can. Let WikiLocations
put over 3.5 million articles at your fingertips.

"Eat well. Travel often."

Follow your stomach.

Delightful dining and shopping experiences are just around the corner. With Yelp built in, you can discover new places, read reviews and travel deliciously.

PARK AND PAY

Find space in any place.

Make room for yourself. Find available parking close to you, all from the comfort of your car.

"There's always room for one more."

Glympse®

Keep friends close and best friends closer.

Stay in touch, whatever the distance. Glympse allows you to share your real time location with select friends – so serendipity is just good planning.

SEND TO CAR

Plan in comfort, drive in style. Find your optimal route on a smartphone, tablet or laptop, then send it to your Volvo for a seamless navigation experience.

*Let every journey
entertain you.*

A person in a dark coat stands on a rocky cliff edge, looking out over a vast ocean under a sunset sky. In the foreground, the sleek, metallic surface of a car is visible. To the left, a large, gnarled, leafless tree stands against the sky. The scene is bathed in the warm, golden light of the setting sun, creating a serene and contemplative atmosphere. The text "Welcome to seamless living." is centered in a white, elegant serif font, flanked by two horizontal lines and a vertical dotted line.

Welcome to seamless living.

The way you live is now the way you drive.
