ROOF RACK BASIC CARRIER

Our basic carrier is an essential component for attaching a wide assortment of items to the top of your S-Class. After easy installation, you can securely attach bicycles, ski and snowboard racks, or a cargo container (racks and containers sold separately).

Roof Rack Basic Carrier

A222 890 0093

SKI AND SNOWBOARD RACKS

By attaching the Deluxe to the Accessory Basic Carrier (sold separately), you can carry up to six pairs of skis or four snowboards. Plus, it features a pull-out function that allows easier loading and unloading without reaching across the roof.

4. Accessory wheels are only for specified tire sizes and may require use of wheel bolts other than those originally supplied with your vehicle. Failure to use proper equipment could result in an accident or vehicle damage. See your authorized Mercedes-Benz dealer for details and installation. Not compatible with snow chains. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon entering road debris or obstacles. Option for rear axle cannot be used on 4MATIC® vehicles.

CAR COVER

Custom-fitted and made from breathable Noah® fabric, this durable, UV-resistant three-layer cover will protect your S-Class from all the elements.

MUD FLAPS

Protect the underbody and the sides of the vehicle from loose chippings and dirt.

ROOF ASSORTMENTS

From bikes and snowboards to skis and cargo containers, easily attach a wide assortment of items to the top of your S-Class.
