Welcome to FerrariSelect

As exclusive as the brand we represent, Ferrari Financial Services introduces the FerrariSelect Program. FerrariSelect provides collectors of vintage Ferrari vehicles a personalized line of credit designed with the dedicated collector in mind.

The world's elite Ferrari collections reflect not only their owners' passion for classic sports and GT cars, but also their devotion to preserving Ferrari's heritage and tradition. At Ferrari Financial Services, we share that passion and stand committed to help our clients grow and enhance their collections. No one understands a Ferrari customer's unique

perspective better than the company that designed these iconic sports cars.

The FerrariSelect credit line is an exclusive offer for Ferrari owners interested in utilizing the equity in their Ferrari collection, whether their goal is to acquire additional classic Ferraris or simply to provide liquidity for other business ventures. Credit lines begin at a minimum of \$500,000 with a maximum line contingent upon the value of each individual collection.

FerrariSelect is a direct-to-consumer program offered through Ferrari Financial Services, the Ferrari owned finance company that provides

indirect financing through authorized Ferrari dealers in the United States.
