\$319 | \$370

AIR BAG
\$574 | \$667

Repair cost estimates based on internal adjusted claims data of US Warranty Corp.
Future repair costs based on average rate of inflation per year.

PLATINUM COVERAGE

OUR PLATINUM LEVEL OF COVERAGE PROVIDES OUR MOST EXTENSIVE COVERAGE ON NEW AND PRE-OWNED VEHICLES.

COVERAGE EXTENDS TO ANY PART EXPERIENCING A MECHANICAL BREAKDOWN EXCEPT FOR THOSE PARTS LISTED AS EXCLUDED UNDER THE SERVICE CONTRACT.

VEHICLE SERVICE CONTRACT LIMITS AND EXCLUSIONS

Coverage is subject to deductibles, limits and exclusions. The contract covers repairs only of covered parts and only when they suffer a breakdown as defined in the contract. Under some circumstances, a breakdown of a covered part may not be covered (for example, failure due to misuse or lack of proper maintenance or when a non-covered part is what caused the covered part to fail). Also, the exclusions contain a list of parts not covered, some of which may be associated with a covered part (for example, brake drums, pads and rotors; exhaust pipes, mufflers and catalytic converters; and body and trim items). Please see the service contract for details.

GOLD COVERAGE

INCLUDES ALL PARTS LISTED UNDER SILVER, PLUS:

ENGINE:

oil pressure sending unit, mounts.

COOLING AND FUEL:

mass air flow sensors/ meters, oxygen sensors, fuel tank , fuel tank sending unit, radiator, blade assembly and fan clutch, electric cooling fan motor.

TRANSMISSION:

(Automatic, Continuous Variable [CVT], Standard and Transfer Case):
transmission cooler/ metal lines, transmission range sensor, external transmission solenoids.

AIR CONDITIONING:

accumulator, receiver/ dryer, temperature control actuators and motors, thermostatic expansion valve, blower motor and resistor, heater core, lines and hoses, belt tensioner.

BRAKES:

antilock brake system, brake pedal shaft.

STEERING:

column lock, tilt wheel mechanism.

SUSPENSION:

electronic level control system.

ELECTRICAL:

control modules: body, cruise, engine, powertrain, transmission and wiper; motors: convertible top, door lock, mirror, seat track, sunroof and window, window regulator; door lock actuators, sensors: camshaft position, coolant temperature, crankshaft angle and throttle position, instrument cluster, keyless entry system, rear window defroster (electrical failures only), radio, compact disc player; wiring harnesses for electrical covered parts.

SEALS AND GASKETS:

All seals and gaskets on parts listed above.

SILVER COVERAGE

INCLUDES ALL PARTS LISTED UNDER POWERTRAIN, PLUS:

COOLING AND FUEL:

radiator fan relay, fuel lines.

TRANSMISSION:

(Automatic, Continuous Variable (CVT), Standard and Transfer Case): oil pan.

AIR CONDITIONING:

compressor: clutch, coil and electric engine, pulleys and bearings, pressure cycling switch, dash control unit / temperature control module, condenser, evaporator, dye, flushing liquids or refrigerant(s) if needed in conjunction with a covered repair.

BRAKES:

backing plates, disc brake calipers, wheel cylinders master and power brake cylinder, vacuum assist booster, hydraulic lines / fittings, manual or electronic parking brake system and cables (excluding handle).

ELECTRICAL:

alternator and voltage regulator, ignition module, ignition coils, switches/buttons including manually or mechanically-operated electrical switches, starter motor, solenoid and starter drive, wiper motors, wiring harnesses for electrical covered parts. Harnesses for parts listed

STEERING:

all internal lubricated parts within the steering gear and power steering pump, control valve, power steering lines, hoses, cooler and couplings, tie rod ends, idler arm, pitman arm, intermediate and main shaft, drag link, rack-and-pinion gear and housing, steering knuckle, electric power steering system.

SUSPENSION:

ball joints, control arms, shafts and bushings, linkage and bushings, struts, mounts and bushings, stabilizer bar, links and bushings, spindle/spindle support.

SEALS AND GASKETS:

All seals and gaskets on parts listed above.

POWERTRAIN COVERAGE

ENGINE:

all internal lubricated parts, engine block, cylinder heads, harmonic balancer, manifold(s); exhaust/intake (excluding catalytic converters), oil pan (excluding drain plug related failures), oil pump, electric oil pump, timing belt/chain, gear, cover and tensioner, manufacturer-installed turbocharger(s), manufacturer-installed supercharger, valve covers.

COOLING AND FUEL:

thermostat/housing, water pump/housing, electric coolant pump, throttle body assembly, diesel accessory vacuum pump, injectors and injection pump, fuel pump.

TRANSMISSION:

(Automatic, Continuous Variable (CVT), Standard and Transfer Case): all internal lubricated parts, transmission and transfer case housing, torque converter, mounts, flywheel/flexplate, vacuum modulator, electric oil pump.

DRIVETRAIN:

(Front/Rear/AWD/4-Wheel Drive): all internal lubricated parts within the drive/transaxle assembly and housing, including axles and axle bearings, hubs, bearings and front hub locking assemblies, constant velocity joints, universal joints, drive shaft, locking rings, wheel bearings.

HYBRID VEHICLE:

hybrid vehicle electric motor assembly, electronic transmission/transaxle assembly, electric traction-drive motor assembly.

FILTERS, FLUIDS,

LUBRICANTS AND TAXES:

filters, fluids, lubricants and taxes required to complete a covered repair for any covered part listed above.

SEALS AND GASKETS:

All seals and gaskets on parts listed above.

ADDITIONAL BENEFITS

Our vehicle protection plan provides you peace of mind knowing you're protected against certain costly repairs and includes additional valuable benefits with coverage throughout United States or Canada such as:

SUBSTITUTE TRANSPORTATION

We will reimburse you up to \$35 per day, for a maximum of 7 days per occurrence, for expenses incurred to rent a substitute vehicle from a licensed rental car agency or for public or private commercial transportation while the Vehicle is undergoing a covered repair.

ROAD SERVICE ALLOWANCE

You receive reimbursement of up to \$100 (in excess of any amount covered by the manufacturer's warranty) per disablement for road services related to vehicle disablement such as running out of gas, being locked out or tire repair.

TRIP INTERRUPTION

We will reimburse you for meals and lodging expenses for up to \$100 per day for a maximum of 3 days when your vehicle is undergoing a covered repair due to a mechanical breakdown occurring more than 100 miles from your home address.

TRANSFERABLE AND CANCELABLE

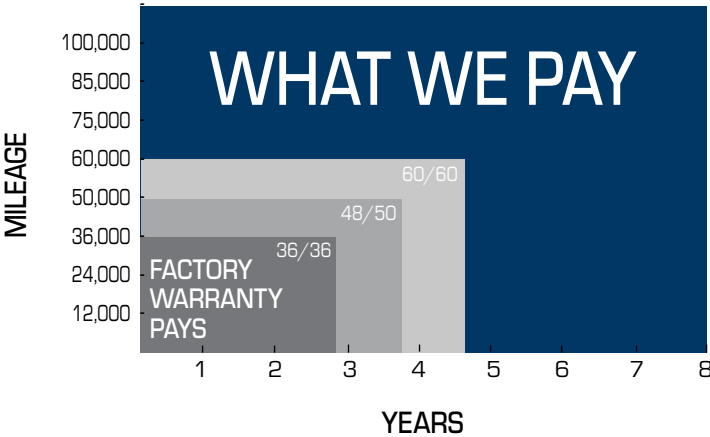

SAVE ON REPAIR COSTS

WITHOUT SERVICE CONTRACT

WITH SERVICE CONTRACT

Items Excluded from Coverage

A part falling within any of the following descriptions: key-fobs, expansion plugs, weather strips, batteries, hybrid battery module/pack, external battery charger and service plug, body and trim items (such as upholstery, seat frames, conventional seat belt assembly, glass of any kind, sheet metal, bright metals, sealed beams, paint, sunroof assembly, convertible top and removable hardtop), after-market (non-manufacturer) equipment, any replacement part not of the same kind and quality as the manufacturer installed part it replaced or incompatible with the design specifications and wear tolerances of the Vehicle manufacturer, mobility or conversion equipment. Any of the following parts, services and items generally constituting scheduled maintenance and wear-damaged items: belts (except timing belts), fasteners, brake drums, brake rotors, exhaust systems including catalytic converters, all friction materials, valve grinding, hoses (except air conditioning and power steering hoses), all fluid caps and reservoirs, all illumination devices, head and tail light assemblies, fuses, lubricants (except to complete a Covered Repair), brackets, throw out bearing, pilot bushing and manual clutch parts, spark plugs and wires, tires, wheels / rims, wheel balancing, wiper arms, and blades, adjustments and alignments, shop supplies, any other items subject to scheduled maintenance or wear damage.

A blue-tinted photograph of a car's engine compartment. The image shows various mechanical parts, including the engine block, hoses, and the hood. The text is overlaid in the center of the image.
