First Team Welcomes New CFO, Mike Furchtenicht and says Goodbye to Tom Lewis

Tom Lewis, (on right) came on board with First Team as Chief Financial Officer in July of 2005. A graduate of Virginia Wesleyan, he previously worked with our accounting firm, McPhillips, Roberts & Deans and performed year-end audits on the First Team stores. The powers-that-be were so impressed with Tom that they brought him on as CFO of the group.

Recently, Tom made the decision to leave the group to be closer to his young family. A loving father of four, he didn't want to miss out on any of the children's activities. While Tom has been greatly missed, he didn't

leave us in a lurch. He found a great replacement for us from none other than McPhillips, Roberts and Deans, his previous accounting firm. Please join us in welcoming, **Mike Furchtenicht**, (pronounced fursh-nik), who has been our CPA with MR&D for many years and performed audits alongside Tom when they worked together. The transition over to Mike's leadership has been seamless and he has already shown himself to be a valuable asset to First Team!

Mike and his wife, Sherry, have two sons, Sam and Ben. Please welcome Mike to *Our Team!*

First Team Auto Group Fixed Ops Quarterly Meeting

On October 25th and 26th, First Team Fixed Ops from all four stores, flew into Deerfield Beach for their quarterly meeting hosted by JM Family Enterprises. The group arrived the same day as Hurricane Sandy which was not as bad as it could have been! In between meetings, the trip included tours of Jim Moran Lexus, the #1 Lexus dealership worldwide for 20 years, and Jim Moran Museum and offices. All Southside Managers made it home, just as Sandy was hitting Norfolk!
