CONTENTS

LIVE LIKE A PRO

Pros are always finding ways to achieve more. So are GMC engineers. Sierra Limited is a prime example. Its strong, bold stance, revolutionary capabilities, eye-opening technologies and remarkable power allow Sierra Limited's actions to speak loudly.

Experience Professional Grade—the 2022 GMC Sierra 1500 Limited.

Due to current supply-chain shortages, certain features shown throughout this catalog, including on the cover, have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

OVER AND ABOVE

The 2022 Sierra Limited Denali makes a big statement while delivering advanced capability and innovative technologies. And revolutionizing how you work, the World's First Six-Function GMC MultiPro™ Tailgate performs a combination of functions that helps you load, unload and access the cargo bed with ease. Sierra Limited Denali goes further by adding an innovative premium suspension with Adaptive Ride Control. It provides a first-class ride experience by monitoring both the road and Sierra in real time, automatically adjusting when hauling and trailering for exceptional comfort and responsiveness.

Due to current supply-chain shortages, certain features shown have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

DENALI

- WORLD'S FIRST SIX-FUNCTION GMC MULTIPRO TAILGATE
- INDUSTRY-FIRST CARBONPRO™ CARBON-FIBER COMPOSITE BED IS AVAILABLE
- PREMIUM SUSPENSION WITH ADAPTIVE RIDE CONTROL
- HIGH-INTENSITY LED HEADLAMPS
- SIGNATURE CHROME DENALI GRILLE
- CHROME VERTICAL RECOVERY HOOKS¹
- 6.2L GAS V8 AND 3.0L DURAMAX TURBO DIESEL ENGINES ARE AVAILABLE
- 10-SPEED AUTOMATIC TRANSMISSION IS AVAILABLE
- EXCLUSIVE 22" WHEELS INCLUDED IN DENALI RESERVE AND DENALI PREMIUM PACKAGES

¹To avoid the risk of injury, never use recovery hooks to tow a vehicle. For more information, see the Recovery Hooks section of your Owner's Manual.

SIERRA LIMITED DENALI OFFERS:

- MULTICOLOR 15" DIAGONAL HEAD-UP DISPLAY AND REAR CAMERA MIRROR¹ ARE AVAILABLE
- UP TO 15 AVAILABLE CAMERA VIEWS,² INCLUDING TRANSPARENT TRAILER VIEW
- GMC PROGRADE™ TRAILERING SYSTEM WITH IN-VEHICLE TRAILERING APP³
- PREMIUM GMC INFOTAINMENT SYSTEM WITH NAVIGATION⁴ AND AVAILABLE IN-VEHICLE APPS⁵ SUCH AS AMAZON ALEXA BUILT-IN⁶ AND SPOTIFY^{®7}
- SIRIUSXM[®] WITH 360L[®]—INCLUDES 3-MONTH TRIAL SUBSCRIPTION
- BOSE[®] PREMIUM AUDIO SYSTEM WITH RICHBASS WOOFER
- ADAPTIVE CRUISE CONTROL¹ IS AVAILABLE
- PERFORATED FORGE LEATHER SEATING SURFACES WITH CONTRASTING STITCH PATTERN, AUTHENTIC OPEN-PORE ASH WOOD, BRUSHED ALUMINUM TRIM AND CHROME ACCENTS

Inside Sierra Limited Denali, advanced technologies abound. There's an available multicolor 15" diagonal Head-Up Display (HUD) and a Rear Camera Mirror.¹ The HUD projects vehicle data, available active safety information and phone and infotainment sources onto the windshield. Sierra also offers the ProGrade Trailering System and up to 15 available camera views.² One of those views is the available industry-first transparent trailer view, which helps you to virtually see right through a compatible trailer to detect objects behind it.

WE'VE TAKEN IT FURTHER; NOW IT'S YOUR TURN

Due to current supply-chain shortages, certain features shown on this spread have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

¹Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information. ²Some camera views require available accessory camera and installation. Not compatible with all trailers. See your dealer for details. Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information. ³App functionality and features vary with vehicle equipment and trim level. Data connection may be required. Some features require active service plan and working electrical system. User terms and limitations apply. ⁴Functionality varies by model. Full functionality requires compatible Bluetooth[®] and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada. ⁵Available on select 2017 model year and newer GM vehicles with compatible hardware. Third-party trademarks are the property of their respective third-party owners and used under agreement. Requires active service plan and paid AT&T[®] vehicle data plan. See onstar.com for details and limitations. ⁶Functionality is subject to limitations and varies by vehicle, infotainment system and location. Select service plan required. Certain Alexa Skills require account linking to use. Amazon, Alexa and all related marks are trademarks of Amazon.com, Inc., or its affiliates. See onstar.com for additional details. ⁷Spotify app requires active Spotify account. Visit spotify.com/auto on your smartphone, tablet or computer for terms and to set up an account. Available on select model year 2018 and newer infotainment systems with compatible hardware. Select service plan required. ⁸Some features, including streaming content and listening recommendations, require GM connected vehicle services. GM connected vehicle services vary by vehicle model and require active service plan, working electrical system, cell reception and GPS signal. See onstar.com for details and limitations.

PAVEMENT IS OVERRATED

Sierra Limited AT4 includes a 2" factory-installed suspension lift for elevated ground clearance to help overcome rough terrain. Explore the unbeaten path with the standard 3.0L Duramax Turbo Diesel engine or available 6.2L gas V8 with 10-speed automatic transmission. The Traction Select System allows you to choose Off-Road mode for optimum transmission, throttle and StabiliTrak performance on unpaved surfaces.

To help provide more traction in snow, mud, ice, sand or gravel, AT4 includes an automatic locking rear differential. Further helping smooth out the rough spots are Rancho® monotube shocks, while metal skid plates help protect the front underbody.

Due to current supply-chain shortages, certain features shown on this spread have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

¹To avoid the risk of injury, never use recovery hooks to tow a vehicle. For more information, see the Recovery Hooks section of your Owner's Manual.

AT4

- FACTORY-INSTALLED 2" SUSPENSION LIFT
- 2-SPEED AUTOTRAC TRANSFER CASE, AUTOMATIC LOCKING REAR DIFFERENTIAL AND SKID PLATES
- OFF-ROAD TUNED RANCHO MONOTUBE SHOCK ABSORBERS
- HIGH-CLEARANCE OFF-ROAD STEPS ARE AVAILABLE
- DISTINCT EXTERIOR DESIGN WITH BLACK CHROME ACCENTS
- RED VERTICAL RECOVERY HOOKS¹
- WORLD'S FIRST SIX-FUNCTION GMC MULTIPRO TAILGATE
- INDUSTRY-FIRST CARBONPRO CARBON-FIBER COMPOSITE BED IS AVAILABLE
- STANDARD OFF-ROAD GOODYEAR® WRANGLER DURATRAC® TIRES; GOODYEAR WRANGLER TERRITORY TIRES ARE AVAILABLE
- STANDARD 3.0L DURAMAX TURBO DIESEL ENGINE; A 6.2L V8 IS AVAILABLE

ROUGHING IT SHOULDN'T FEEL ROUGH

SIERRA LIMITED AT4 OFFERS:

- MULTICOLOR 15" DIAGONAL HEAD-UP DISPLAY AND REAR CAMERA MIRROR¹ ARE AVAILABLE
- UP TO 15 AVAILABLE CAMERA VIEWS,² INCLUDING SURROUND VIEW
- PREMIUM AT4 INTERIOR IN JET BLACK WITH KALAHARI ACCENTS
- PREMIUM ALL-WEATHER FLOOR LINERS WITH REMOVABLE CARPET INSERTS
- HEATED AND VENTILATED FRONT SEATS³

Inside AT4, you'll find an athletic, purposeful interior designed for your active lifestyle. It features unique darkened trim and decor, perforated front leather seating surfaces in Jet Black with Kalahari accents and smart storage compartments.

In addition, the available multicolor 15" diagonal Head-Up Display projects key information onto the windshield to help you keep your eyes on the road. Information includes an Off-Road Inclinator that shows the fore-and-aft tilt, front tire angle and left-and-right tilt. And for the added views helpful in maneuvering through rough terrain, there are up to 15 available camera views² including Surround, Front and Rear Views.

¹Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information.
²Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information. Some camera views require available accessory camera and installation. Not compatible with all trailers. See your dealer for details. ³Feature will not function on certain models without dealer retrofit. See dealer for details.

POWERED BY INNOVATION

Sierra Limited SLT delivers what you demand in a truck without sacrificing style, refinement, capability, power or efficiency. Outside, its tall stance and large bed are highlighted by high-intensity LED headlamps, LED taillamps and chrome accents. SLT is powered by a 355-hp 5.3L V8 engine with an 8-speed automatic transmission on 2WD models and a 10-speed automatic transmission on 4WD models. Need more power? Choose the available 6.2L gas V8 or 3.0L Duramax Turbo Diesel engines.

SLT

- WORLD'S FIRST SIX-FUNCTION GMC MULTIPRO TAILGATE
- CARGO BED VOLUME RANGES FROM 62.9 CU. FT. TO 71.7 CU. FT.¹
- REAR BUMPER WITH LARGE CORNER STEPS
- 5.3L V8 ENGINE WITH DYNAMIC FUEL MANAGEMENT
- 6.2L GAS V8 AND 3.0L DURAMAX TURBO DIESEL ENGINES ARE AVAILABLE
- 10-SPEED AUTOMATIC TRANSMISSION IS AVAILABLE
- X31 OFF-ROAD PACKAGE IS AVAILABLE

¹Due to current supply-chain shortages, certain features shown on this spread have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

¹Cargo and load capacity limited by weight and distribution.

Due to current supply-chain shortages, certain features shown on this spread have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

COME FOR THE VIEW. STAY FOR THE RIDE.

SIERRA LIMITED SLT OFFERS:

- GMC PROGRADE TRAILERING SYSTEM WITH IN-VEHICLE TRAILERING APP¹
- STORAGE AREAS IN REAR SEATBACK AND UNDER REAR SEAT
- PREMIUM GMC INFOTAINMENT SYSTEM² WITH AVAILABLE IN-VEHICLE APPS³ SUCH AS AMAZON ALEXA BUILT-IN⁴ AND SPOTIFY⁵
- SIRIUSXM WITH 360L⁶—INCLUDES 3-MONTH TRIAL SUBSCRIPTION
- HEATED LEATHER-WRAPPED STEERING WHEEL⁷
- HEATED AND VENTILATED FRONT LEATHER-APPOINTED BUCKET SEATS⁷ ARE AVAILABLE

Sierra Limited SLT heightens your driving experience with comfortable seating and a tall, commanding view. It provides controls—such as available 10-way power front leather-appointed bucket seats—and guidance—such as an in-vehicle Trailering App¹ and available safety and driver-assistance technologies—that help put you in command.

¹App functionality and features vary with vehicle equipment and trim level. Data connection may be required. Some features require active service plan and working electrical system. User terms and limitations apply. ²Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ³Available on select 2017 model year and newer GM vehicles with compatible hardware. Third-party trademarks are the property of their respective third-party owners and used under agreement. Requires active service plan and paid AT&T vehicle data plan. Due to current supply-chain shortages, certain features shown have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

- WORLD'S FIRST SIX-FUNCTION GMC MULTIPRO TAILGATE
- BOLD EXTERIOR WITH BLACK GRILLE INSERTS AND BODY-COLOR SURROUND
- 20" GLOSS-BLACK PAINTED ALUMINUM WHEELS
- GMC INFOTAINMENT SYSTEM¹ WITH AVAILABLE IN-VEHICLE APPS² SUCH AS AMAZON ALEXA BUILT-IN³ AND SPOTIFY⁴
- SIRIUSXM⁵—INCLUDES 3-MONTH TRIAL SUBSCRIPTION
- 2.7L TURBO ENGINE WITH ACTIVE FUEL MANAGEMENT
- 5.3L GAS V8 OR 3.0L DURAMAX TURBO DIESEL ENGINES ARE AVAILABLE
- TRACTION SELECT SYSTEM WITH AVAILABLE TERRAIN MODE

WELL DONE

Sierra Limited SLE is about getting things done. Its spacious cabin with generous head and leg room provides plenty of space to work, and its large cargo beds—which range from 62.9 cu. ft. to 71.7 cu. ft.¹—do likewise. And the World's First Six-Function GMC MultiPro Tailgate makes it easy

to load and access SLE's cargo bed. Driving all of this forward is a powerful engine lineup led by a standard 2.7L Turbo, followed by the optional 5.3L gas V8² or 3.0L Duramax Turbo Diesel, both paired with a 10-speed automatic transmission.

Due to current supply-chain shortages, certain features shown on this spread have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

¹Cargo and load capacity limited by weight and distribution. ²5.3L V8 with 10-speed automatic transmission is available on 4WD models only. ³Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ⁴If you decide to continue service after your trial, your selected subscription plan will automatically renew thereafter. You will be charged at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. ©2022 SiriusXM Radio, Inc. All rights reserved. ⁵Not available with 2.7L Turbo engine or 2WD 5.3L V8 models.

- WORLD'S FIRST SIX-FUNCTION GMC MULTIPRO TAILGATE
- CHROME GRILLE, BUMPERS AND WINDOW SURROUND
- 12 CARGO TIE-DOWNS RATED AT 500 LBS¹ PER CORNER
- GMC INFOTAINMENT SYSTEM³ WITH AVAILABLE CUSTOMIZABLE USER PROFILES
- SIRIUSXM⁴—INCLUDES 3-MONTH TRIAL SUBSCRIPTION
- 5.3L GAS V8² OR 3.0L DURAMAX TURBO DIESEL ENGINES ARE AVAILABLE
- 10-SPEED AUTOMATIC TRANSMISSION⁵ IS AVAILABLE

Due to current supply-chain shortages, certain features shown have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

THE TAILGATE TO END ALL TAILGATES

We've revolutionized what tailgates can do with the World's First MultiPro Tailgate, combining six convenient functions never before possible in a truck. These functions help improve loading, unloading and accessing the cargo bed, and it's been rigorously tested to exacting GMC standards for structural strength and durability. In fact, the MultiPro is the most tested tailgate in GMC history, and it's standard on SLE, Elevation, SLT, AT4 and Denali and available on the Sierra Limited Pro trim.

When you're camping or tailgating and want to bring your music outdoors—without leaving your Sierra Limited running—the available accessory MultiPro Audio System by KICKER®¹ is designed to integrate into the MultiPro Tailgate. This 100-watt exterior audio system has full Bluetooth² streaming capability. To shed more light on the gathering, add available dealer-installed accessory LED lighting.

¹Non-GM warranty. Limited warranty by KICKER®, 3 years/36,000 miles, whichever comes first. For more information, contact your dealer. ²Go to my.gmc.com/learnabout/bluetooth to find out which phones are compatible with the vehicle. Full Bluetooth feature functionality varies by device, model and software version.

SIX FUNCTIONS THAT CHANGE EVERYTHING

The MultiPro Tailgate is an available feature on the Pro trim and standard on all other trims. Due to current supply-chain shortages, certain features shown have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

1

PRIMARY GATE
Opens from the key fob, inside the truck or a button on the gate.

2

PRIMARY GATE LOAD STOP
Helps prevent items from sliding out of the bed.

3

EASY ACCESS
The inner gate folds down, allowing you to reach farther into the bed, and is easily disabled to prevent it from opening when a hitch or other equipment is installed.

4

FULL-WIDTH STEP
The inner gate folds into a large step for easy access, holding up to 375 lbs.

5

INNER GATE LOAD STOP
Helps prevent second-tier items from sliding out of the bed.

6

INNER GATE WITH WORK SURFACE
When opened, provides a work surface as well as second-tier loading.

WATCH THE GMC MULTIPRO TAILGATE IN ACTION AT [GMC.COM](https://www.gmc.com).

IT'S WELL-APPOINTED BACK HERE, TOO

- ROLL-FORMED HIGH-STRENGTH STEEL BED FLOOR
- SPRAY-ON BEDLINER ON AT4 AND DENALI
- LARGE FOOTWELLS IN CORNERSTEP REAR BUMPER
- 12 TIE-DOWNS: THREE IN EACH CORNER RATED AT 500 LBS¹ PER CORNER
- UP TO NINE MOVABLE ACCESSORY UPPER TIE-DOWNS ARE AVAILABLE
- 120-VOLT POWER OUTLET IS AVAILABLE
- LED CARGO AREA LAMPS ARE AVAILABLE

Sierra Limited's large cargo beds are engineered to work hard. They're constructed with roll-formed high-strength steel for a strong, durable cargo floor, and range in size from 62.9 cu. ft. to 89.1 cu. ft.² (Crew Cab models range from 62.9 cu. ft. to 71.7 cu. ft.²; Double Cab models provide 71.7 cu. ft.²; and Regular Cab models offer 89.1 cu. ft.²) Available spray-on bedliners offer protection, and accessory tonneau covers enclose the bed. LED cargo area lamps (standard on SLE, Elevation, SLT, AT4 and Denali) and a 120-volt power outlet (standard on SLT, AT4 and Denali) are available for the bed. For easy access to the bed, the CornerStep rear bumper features large footwells. And the six-function MultiPro Tailgate, standard on most trims, lets you simply step up into the bed thanks to a full-width step.

Top image and image at right: KICKER® accessory speakers shown. Non-GM warranty. Limited warranty by KICKER®, 3 years/36,000 miles, whichever comes first. For more information, contact your dealer.
¹Cargo and load capacity limited by weight and distribution. ²62.9 cu. ft. for the short bed, 71.7 cu. ft. for the standard bed and 89.1 cu. ft. for the long bed. Cargo and load capacity limited by weight and distribution.

BUILT FOR WHAT LIFE THROWS AT YOU

Due to current supply-chain shortages, certain features shown have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

THE CARBONPRO BED IS INCLUDED IN THE SIERRA LIMITED CARBONPRO EDITION AND IS AVAILABLE ON AT4 AND DENALI:

- STRENGTH, DURABILITY AND SCRATCH RESISTANCE: CARBONPRO'S CARBON-FIBER COMPOSITE BED MATERIAL PROVIDES EXCELLENT SCRATCH, DENT AND CORROSION RESISTANCE
- CORROSION RESISTANCE: CARBON-FIBER COMPOSITE NATURALLY RESISTS CORROSION, HELPING THE BED WITHSTAND WEATHERING TO MAINTAIN A PREMIUM APPEARANCE
- REDUCED WEIGHT: CARBONPRO WEIGHS 25 PERCENT LESS THAN THE STEEL BED, ELIMINATING ROUGHLY 60 LBS OF VEHICLE MASS
- MORE VOLUME: CARBONPRO INCREASES THE ALREADY-GENEROUS CARGO VOLUME OF SIERRA'S STEEL BED BY 1 CU. FT.
- MORE FUNCTIONALITY: CARBONPRO FEATURES THREE MOLDED-IN SECTIONS FOR WHEELS AND TWO ADDITIONAL TIE-DOWNS (14 TOTAL) TO EASE THE LOADING AND SECURING OF DIRT BIKES AND ATVs

Due to current supply-chain shortages, certain features shown have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

¹Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information. Some camera views require available accessory camera and installation. Not compatible with all trailers. See your dealer for details. ²App functionality and features vary with vehicle equipment and trim level. Data connection may be required. Some features require active service plan and working electrical system. User terms and limitations apply. ³Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ⁴Requires available Trailer Tire Pressure Monitoring System and installation of trailer tire pressure monitor sensors. ⁵Available on select Apple® and Android™ devices. Service availability, features and functionality vary by vehicle, device and the plan you are enrolled in. Terms apply. Device data connection required. See onstar.com for details and limitations. ⁶iN•Command is provided by ASA Electronics and is designed to operate within 30 feet of the trailer. Works with trailers equipped with iN•Command Control System with GlobalConnect via Bluetooth connection. Control and monitoring functionality varies by trailer manufacturer model and installed options. Use of the iN•Command Control System feature through the myGMC mobile app requires an active service plan. User terms apply. See onstar.com for details and limitations. ⁷Vehicle user interface is a product of Apple® and its terms and privacy statements apply. Requires compatible iPhone® and data plan rates apply. Apple CarPlay, Siri, iPhone and Apple Music are trademarks of Apple, Inc., registered in the U.S. and other countries. ⁸Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. PROGRADE TRAILERING PULLS IT ALL TOGETHER

KNOWLEDGE IS POWERFUL

Sierra Limited is engineered for optimum trailering confidence. The available ProGrade Trailering System and the technologies below help provide a sense of control when hitching and towing.

HEIGHTENED VIEWS

Easily keep tabs on your truck and trailer with up to 15 available camera views.¹ The available industry-first transparent trailer view helps you to virtually see right through a compatible trailer to detect objects behind it. The available accessory Rear Trailer Camera provides adaptive guidelines that move and show the predicted path of the trailer based on the steering wheel position when backing up. There's also an available Jack-Knife Alert and a Trailer Length Indicator for compatible trailers.

IN-VEHICLE TRAILERING APP

The available in-vehicle Trailering App² is integrated into Sierra Limited's infotainment system³ and includes trailering label information and the ability to create five defined trailer profiles based on trailer name, trailer type and trailer hitch type. There are also maintenance reminders, predeparture checklists, a Trailer Light Sequence Test, a Trailer Tire Pressure Monitoring System⁴ and a counter for trailer mileage and fuel economy.

myGMC MOBILE APP

The available myGMC mobile app⁵ allows you to create and manage trailer profiles (shareable with other compatible Sierra Limited owners), run Trailer Light Sequence Tests to help ensure

trailer lights are in working order, reference predeparture checklists and use a Trailer Load Calculator to determine the combined weight of your truck and trailer. To monitor trailering health, you can view and receive alerts on key components of your trailer such as tire pressure monitoring⁴ and trailer miles. There's also a glossary filled with trailering-related materials.

SMART TRAILER INTEGRATION

The available ASA Electronics iN•Command® Control System⁶ is designed to integrate with and be accessible through the myGMC mobile app⁵ (on compatible iOS and Android smartphones) or on Sierra's infotainment system via Apple CarPlay^{®7} and Android Auto™⁸ The iN•Command Control System allows you to monitor and control a range of smart system functions such as water tank levels, climate controls and power slide-outs in recreational trailers equipped with GlobalConnect technology.

TRACTION SELECT SYSTEM WITH TOW/HAUL MODE

The available system allows you to quickly switch to Tow/Haul mode, which adjusts transmission shift points to deliver peak power and trailering performance. The system will retain the Tow/Haul setting configuration for up to 4 hours after Sierra Limited is turned off, eliminating the need to reengage the system after returning from a brief stop on a long journey.

POWER TRAILERING MIRRORS

These available power-adjustable trailering mirrors power fold and manually extend and retract. Features vary by trim.

CONFIDENCE IN SIGHT

UP TO 15 AVAILABLE CAMERA VIEWS:¹

- | | | | |
|---|---|----|---|
| 1 | TRANSPARENT TRAILER VIEW | 9 | BOWL VIEW |
| 2 | HITCH VIEW | 10 | FRONT SIDE VIEW |
| 3 | CARGO BED VIEW (WITH ZOOM VIEW AND HITCH GUIDELINE) | 11 | REAR SIDE VIEW (WITH TRAILER BIASING) |
| 4 | FRONT CAMERA VIEW | 12 | REAR TRAILER VIEW (WITH GUIDELINES AND TRAILER ANGLE INDICATOR) |
| 5 | REAR CAMERA VIEW | 13 | INSIDE TRAILER VIEW |
| 6 | SURROUND VIEW | 14 | PICTURE-IN-PICTURE SIDE VIEW |
| 7 | FRONT TOP-DOWN VIEW | 15 | REAR CAMERA MIRROR |
| 8 | REAR TOP-DOWN VIEW | | |

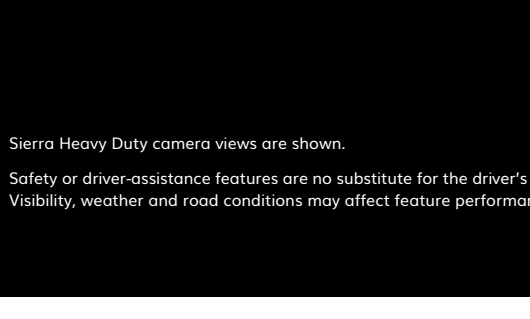

In Sierra Limited, your confidence is enhanced by up to 15 available camera views¹—including the industry-first available transparent trailer view, which helps you virtually see right through a compatible trailer. The following are just a few of the enhancements designed to further help increase your trailering awareness.

Jack-Knife Alert is included with available High Definition Surround Vision and tracks the position of a compatible trailer in relation to the vehicle and if the front of the trailer approaches the rear of the vehicle, an alert is displayed that you’re in a potential jack-knife situation. Based on vehicle equipment and user settings, the visual alert may be accompanied by audible or Safety Alert Seat notifications if equipped.

Trailer Length Indicator When enabled and driving forward with the turn signal activated, the available Trailer Length Indicator displays as a red overlay twice the length of a compatible trailer to show when other vehicles are present and may interfere with a lane-change maneuver.

Transparent trailer view, side view biasing, rear trailer guidelines with Trailer Angle Indicator, Trailer Length Indicator and Jack-Knife Alert features are not compatible with fifth-wheel or gooseneck trailers.

¹Some camera views require available accessory camera and installation. Not compatible with all trailers. See your dealer for details.

Sierra Heavy Duty camera views are shown.
Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

6.2L V8

420 HORSEPOWER | 460 LB-FT OF TORQUE | 10-SPEED AUTOMATIC TRANSMISSION
DYNAMIC FUEL MANAGEMENT | MAX TRAILERING: UP TO 13,000 LBS¹ (8,900 LBS¹ AS SHOWN)
MAX PAYLOAD: UP TO 1,890 LBS² | 14 MPG CITY/19 MPG HIGHWAY³ (4WD)
13 MPG CITY/17 MPG HIGHWAY³ FOR AT4 WITH MUD-TERRAIN TIRES | AVAILABLE ON 4WD-EQUIPPED SLT, AT4 AND DENALI

¹13,000-lb rating requires properly equipped Crew Cab 4WD model with available 6.2L V8 engine, Max Trailering Package and 20" wheels and tires (8,900 lbs as shown requires a properly equipped Crew Cab short bed 4WD model with available 6.2L V8 engine). Maximum trailering ratings are intended for comparison purposes only. Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. ²Requires properly equipped Crew Cab short bed 4WD model with available 6.2L V8 engine and Max Trailering Package. These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the vehicle loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver's doorjamb. ³EPA estimated. ⁴9,300-lb rating requires properly equipped Double Cab 2WD model with available 3.0L Duramax Turbo Diesel engine (8,800 lbs as shown requires a properly equipped Crew Cab 4WD model with 3.0L Duramax Turbo Diesel engine). Maximum trailering ratings are intended for comparison purposes only. Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. ⁵Requires properly equipped Crew Cab short bed 2WD model with available 3.0L Duramax Turbo Diesel engine. These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the vehicle loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver's doorjamb. ⁶Based on EPA-estimated highway mpg and fuel tank capacity. Your range may be less.

3.0L DURAMAX TURBO DIESEL

MAX TRAILERING: UP TO 9,300 LBS⁴ (8,800 LBS⁴ AS SHOWN) | MAX PAYLOAD: UP TO 1,830 LBS⁵

STANDARD ON PRO, SLE AND ELEVATION

Due to current supply-chain shortages, certain features shown have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

WHERE HANDLING GETS PERSONAL

On road or off, Sierra Limited is engineered to help inspire driving confidence. The available Traction Select System allows you to tailor your driving experience to multiple road conditions. Denali models add premium ride and handling with continuous damping Adaptive Ride Control.

TRACTION SELECT SYSTEM This available technology allows you to choose different drive modes, based on equipment, that alter the transmission shift points, throttle and traction systems to better handle varying road conditions. The modes include Normal for everyday driving; Sport, to increase responsiveness; Tow/Haul for trailering or hauling heavy loads; Snow mode on 2WD models is helpful in slippery conditions; Terrain mode is included on 4WD models with the single-speed transfer case and optimizes low-speed driving over rough terrain; and available Off-Road mode helps Sierra take on rugged terrain at moderate speeds.

RESPONSIVE SUSPENSION The independent short-/long-arm front suspension provides excellent wheel alignment and ride comfort with reduced weight. The live-axle rear suspension includes two-stage, semielliptic multileaf rear springs to balance payload management and ride quality.

ADAPTIVE CRUISE CONTROL¹ This available feature can automatically maintain a driver-selected gap time from the detected vehicle you're following while you steer. This reduces the need for you to frequently brake and accelerate when you're driving.

ADAPTIVE RIDE CONTROL The premium suspension system on Denali models also includes Adaptive Ride Control, which monitors input from both the road and the truck in real time to help deliver a smooth ride. Every 2 milliseconds, active dampers continuously adjust both rebound and compression forces to counter heave, pitch and body roll. Stiffness rates also change when Sport mode is selected, or automatically when the system senses heavy trailering or large payloads.

Due to current supply-chain shortages, certain features shown on this spread have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

¹Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

PURPOSE-BUILT FOUNDATION Constructed on a fully boxed steel frame, Sierra Limited is engineered with bold proportions that provide a strong foundation. From its range of available transfer cases to its “e-boost” braking system, Sierra Limited is built like there’s a lot riding on it—because there is.

FULLY BOXED LADDER FRAME As much as 80 percent of the frame is made of high-strength steel—varying from 2 mm to 5 mm in thickness, with every millimeter optimized for performance, strength and stiffness.

STOPPING POWER The electrohydraulic boost, or “e-boost,” system produces power on demand for smooth, reliable, consistent braking whether the truck is loaded, unloaded or hauling a heavy trailer. In addition, all Sierra Limited models are equipped with brake pad monitoring.

MULTIPLE MATERIALS Engineering excellence means the right material in the right place. There’s high-strength steel in the frame, bed and safety cage. Lightweight aluminum in the doors, hood and tailgate creates easier closing, and its lighter weight enables better efficiency. GMC engineers selected the perfect material for the application, then optimized it for durability, safety, mass and function.

TRANSFER OF POWER On 4WD models, Sierra Limited offers a choice of transfer cases. The 2-speed transfer case features Auto, 2 High, 4 High and 4 Low settings. It is standard on AT4 and Denali 4WD models and is included with the available X31 Off-Road Package. The single-speed transfer case, standard on all other 4WD models, offers Auto, 2 High, 4 High and Terrain mode designed to optimize low-speed off-road driving.

WELL AWARE

To help you be more aware, Sierra Limited offers safety and driver-assistance technologies engineered to provide a real-time view of the truck and its surroundings. Easily keep tabs on your truck and trailer with up to 15 different camera views¹ available with the Technology Package to help you see around the truck and compatible trailers if towing. Additional features such as available Jack-Knife Alert and available Trailer Length Indicator also help keep you alert to possible dangers, improving your trailering experience.

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

¹Some camera views require available accessory camera and installation. Not compatible with all trailers. See your dealer for details.

GMC Acadia shown.

MORE CONFIDENCE, MORE CONNECTIVITY, MORE CHOICE

Prepare for the unexpected and enjoy the seamless experience of a completely connected drive. GMC Connected Services offers you an elevated ownership experience. And with available OnStar, you get added peace of mind knowing an Emergency-Certified Advisor¹⁰ is ready to help 24/7.

24/7 LIFELINE When the unexpected happens, the last thing you want to be is alone. With OnStar, you can have added peace of mind knowing help is only a button-push away. The available OnStar Safety & Security Plan² provides 24/7 access to a specially trained OnStar Advisor who can help in the event of a crash, vehicle theft,¹¹ emergency or other unexpected situation you may encounter on the road. If a vehicle crash is detected, available Automatic Crash Response¹² can alert an Emergency-Certified Advisor¹⁰ who can send help, even if you can't ask for it. Drive with added confidence knowing a real person is always ready to help.

myGMC MOBILE APP Convenience, command and control, in or out of your vehicle. With the available myGMC mobile app³, you can start your engine, check fuel levels and tire pressure and even personalize your vehicle by setting radio station

favorites and installing in-vehicle apps⁸—all from your smartphone. You can also schedule service appointments, learn driving tips and more.

EXPLORE MORE, ALEXA'S ON BOARD The Alexa functionality you enjoy at home is now fully integrated into your GMC Infotainment System.¹³ With available Alexa Built-In,⁴ you can use voice commands to stream your favorite music services such as Spotify⁹ or Amazon Music, get directions, make calls, change your radio station and get routes to the nearest dealership—on the go. Alexa can also make shopping lists, play and resume audiobooks and get the score to last night's game.

WIRELESS, SEAMLESS, EFFORTLESS Convenient cordless control is yours with available wireless Apple CarPlay[®] compatibility.⁶ Without plugging in a single wire, Apple CarPlay[®] connects your iPhone[®] to Sierra Limited's infotainment screen, allowing access to Apple Music™, Apple Maps, Siri[®] and other functions. The same goes for available wireless Android Auto compatibility,⁷ which connects you to Google Maps, YouTube Music, Google Assistant and plenty more resources through your Android phone.

⁷Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android smartphone. Data plan rates apply. You can check which smartphones are compatible at [g.co/androidauto/requirements](#). Google, Android, Android Auto, Google Maps and other marks are trademarks of Google LLC. ⁸Available on select 2017 model year and newer GM vehicles with compatible hardware. Third-party trademarks are the property of their respective third-party owners and used under agreement. Requires active service plan and paid AT&T vehicle data plan. See [onstar.com](#) for details and limitations. ⁹Spotify app requires active Spotify account. Visit [spotify.com/auto](#) on your smartphone, tablet or computer for terms and to set up an account. Available on select model year 2018 and newer infotainment systems with compatible hardware. Select service plan required. ¹⁰OnStar Emergency Advisors are certified by the International Academies of Emergency Dispatch. ¹¹Requires armed GM factory-installed theft-deterrent system and enrollment to receive alerts. Additional texting and data rates apply. Doesn't prevent theft, damage or loss. ¹²Not all vehicles may transmit all crash data. ¹³Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.

DRIVE THE CONVERSATION

NEW VEHICLE LIMITED WARRANTY

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY GMC will warrant each 2022 Sierra Limited from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first; see dealer for details).

POWERTRAIN LIMITED WARRANTY Every 2022 GMC Sierra Limited comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Sierra 1500 Limited Light-Duty (LD) pickups equipped with a 3.0L Duramax Turbo Diesel engine are covered by a 5-year/100,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your GMC dealer for details.

ONSTAR® AND GMC CONNECTED SERVICES

Connected vehicle services vary by vehicle model and require working electrical system, cell reception and GPS signal. Requires active service plan. OnStar links to emergency services. See onstar.com for details and limitations.

GMC CERTIFIED SERVICE

To help your Sierra Limited live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Sierra Limited, GM-trained technicians have the expertise to help care for it.

ADDITIONAL NOTES

A NOTE ON CHILD SAFETY Always use seat belts and the correct child restraint for your child’s age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner’s Manual and the child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD DRIVING INFORMATION Please go to gmc.com and carefully review the vehicle Owner’s Manual for important safety information about trailering or off-road driving in your vehicle.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

ENGINES GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.

GMC.COM See more of Sierra Limited on our website: gmc.com/sierra. More photos and information; hot links to related subjects; convenient dealer locator; pricing guide; spec out your own vehicle. Or call 1-800-GMC-8782.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of publication, please check with your GMC dealer for complete details. GMC reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large Pickup segment and latest available competitive information available at time of publication. Excludes other GM vehicles.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design, features, materials or workmanship of any alterations by such employers.

ASSEMBLY GMC vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

GMMOBILITY.COM (1-800-323-9935) GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.
