2013
ALTIMA® COUPE

TAKE EVERY ROAD IN STYLE.

THE FEELING OF INNOVATION.

What if a car could get your heart racing before you even got behind the wheel? Or if it could be as powerful as it is beautiful? When creating the Altima Coupe, we didn't just subtract two doors, we started with a clean sheet. The result is stunning. With a shorter, more agile wheelbase and a lower, sportier ride height, the coupe goes beyond a styling statement. It's pure coupe performance for a drive you'll fall in love with every time you start the engine.

Nissan. Innovation that excites.™

THE FEELING OF AN INSTANT CONNECTION.

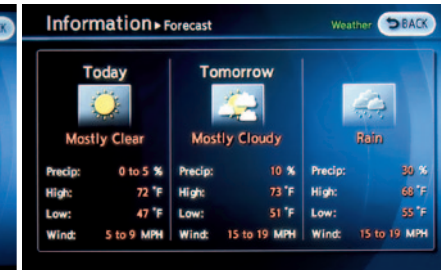

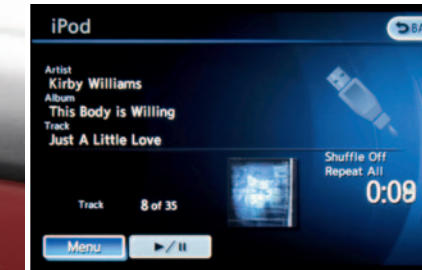

From perfectly placed controls to body-hugging bucket seats, your Altima Coupe's interior puts you at the center of everything. While advanced technologies keep you in touch and entertained through every thrilling mile.

Nissan Altima 2.5 S Coupe shown in Red Leather with optional equipment.

Nissan Navigation System. Stay on track with turn-by-turn Voice Guidance and avoid nasty bottlenecks with NavTraffic while NavWeather helps you stay on top of changing conditions. Wherever your life takes you, count on the available satellite-based Nissan Navigation System to keep you one step ahead.^{1,2}

RearView Monitor. Backing up in a crowded parking lot? Get a clearer picture of what's directly behind you with the available RearView Monitor.³

Nissan Intelligent Key® with Push Button Ignition. Forget fumbling to find your keys. Just leave the keys in your pocket or purse, walk up to your Altima and tap a button on the door to unlock it. Then press the standard Push Button Ignition and go.

iPod®/USB Interface. How great would it be to connect your iPod® or other portable MP3 player and listen to your own playlists or podcasts? Now you can with this available feature. Even control your iPod® through Altima's stereo controls.^{4,5}

Bose® Audio System. With the available 9-speaker Bose® audio system at your disposal, you'll actually feel like you're at the concert. The 4.3" display shows what song is up next on your MP3 CDs and even lets you browse through your folders.

Bluetooth® Hands-free Phone System. Make or receive calls with a touch of a button on the steering wheel with the available Bluetooth® system. All while your phone stays tucked away.⁶

¹Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ²SiriusXM Satellite Radio, NavTraffic and NavWeather require subscriptions sold separately after trial period. Subscriptions governed by Customer Agreement at siriusxm.com. Fees and programming subject to change. Available only to those 18 or older in the 48 contiguous states and D.C. ©2012 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. ³Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ⁴Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. ⁵Always give your full attention to driving. Avoid operating your iPod® in such a way that you can be distracted during vehicle operation. See dealer for details. iPod is a registered trademark of Apple, Inc. All rights reserved. iPod not included. ⁶Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. Bose® is a registered trademark of The Bose Corporation.

SPECIFICATIONS

Engine	2.5 S
QR25DE – 2.5-liter DOHC 16-valve 4-cylinder	
— Horsepower – 175 hp @ 5,600 rpm	
— Torque – 180 lb-ft @ 3,900 rpm	
— Emissions – Tier 2, Bin 5 (Fed); LEV2-SULEV (CA)	
Continuously Variable Valve Timing Control System (CVTCS) on intake valves	
Variable induction system	
Nissan Direct Ignition System with iridium-tipped spark plugs	
Electronic drive-by-wire throttle	

Drivetrain	
Front engine/Front-Wheel Drive	
Xtronic CVT® (Continuously Variable Transmission) with manual mode	

Brakes	
11.7" Vented front disc/11.5" rear disc brakes	
4-wheel Anti-lock Braking System (ABS)	
Electronic Brake force Distribution (EBD)	

Suspension/Steering	
Independent strut front suspension	
Multi-link independent rear suspension	
Front and rear stabilizer bars	
Vehicle-speed-sensitive power steering	

Wheels/Tires	
17" x 7.5" 5-split-spoke aluminum-alloy wheels	
P215/55R17 all-season tires	

Exterior Features	
Automatic on/off headlights	
High Intensity Discharge (HID) xenon headlights	
Fog lights	
Dual body-color power outside mirrors	
Folding outside mirrors with turn signal indicators	
Power sliding glass moonroof with one-touch open/close and tilt feature	
UV-reducing solar glass and body-color splash guards	
Dual exhaust outlets with chrome-tip finishers	

Comfort/Convenience	
Nissan Intelligent Key® with Push Button Ignition	
Nissan Hard Drive Navigation System with 6.5" color touch-screen monitor and voice recognition	
Steering wheel-mounted navigation menu controls	
NavTraffic and NavWeather powered by SiriusXM ²	
Bluetooth® Hands-free Phone System and RearView Monitor	
HomeLink® Universal Transceiver	
Air conditioning with in-cabin microfilter	
HomeLink® Universal Transceiver	
Air conditioning with in-cabin microfilter	
Dual Zone Automatic Temperature Control (ATC)	

 Standard	 Part of Convenience Package	 Part of Leather Package
 Accessory	 Part of Premium Package	 Part of Technology Package

Comfort/Convenience	2.5 S
Power windows with one-touch driver-side auto-up/down with auto-reverse	
Passenger-side front-window one-touch auto-up/down with auto-reverse	
Remote front windows down and key-operated windows up/down	
Power door locks with auto-locking feature	
Remote keyless entry with trunk release	
Cruise control with steering wheel-mounted controls	
Fine Vision electroluminescent gauges	
Trip computer with outside temperature gauge	
Tilt and telescoping steering column	
Vehicle-speed-sensitive variable intermittent flat blade windshield wipers	
Sun visors with illuminated vanity mirrors and extensions	
Auto-dimming inside rearview mirror with compass	
12-volt DC power outlets (two) and retained accessory power	
Overhead sunglasses holder and dual-level center console	
Front seat lower cushion storage pockets	
Driver and front-passenger seatback pockets	
Mood lamp in roof console	
Map lights and trunk lid trim	

Seating/Appointments	
6-way manual adjustable driver's seat	
8-way power adjustable driver's seat	
Driver's adjustable lumbar support	
Cloth seat trim	
Leather-appointed seats, leather-wrapped shift knob and heated front seats	
Leather-wrapped steering wheel	
Wood-tone trim (Blond interior only)	
Metallic trim (not available with Blond interior)	
Premium interior trim (Charcoal Leather interior only)	
In-board passenger seat fold/release lever with memory/return feature	
60/40 Split fold-flat rear seats with lock	

Audio/Entertainment	
AM/FM/CD audio system and auxiliary audio input	
Bose® audio system with 4.3" color display and SiriusXM Satellite Radio ²	
MP3/WMA CD playback capability	
DVD playback capability	
Streaming audio via Bluetooth® wireless technology	
Radio Data System (RDS) and speed-sensitive volume control	
Auxiliary audio/video input jacks (replace standard auxiliary audio input)	
USB connection port for iPod® interface and other compatible devices	
Steering wheel-mounted audio controls	
Six speakers	
Nine speakers	

Safety/Security	
Nissan Advanced Air Bag System with dual-stage supplemental front air bags and seat belt and occupant-classification sensors	
Driver and front-passenger seat-mounted side-impact supplemental air bags	
Roof-mounted curtain side-impact supplemental air bags for front and rear-seat outboard occupant head protection	
Vehicle Dynamic Control (VDC) with Traction Control System (TCS)	
3-point ALR/ELR passenger seat belt system (ELR for driver)	

Safety/Security (Continued)	2.5 S
Front-seat Active Head Restraints	
Front seat belts with pretensioners and load limiters	
LATCH System (Lower Anchors and Tethers for CHildren)	
Zone Body construction with front and rear crumple zones	
Hood-buckling creases, pipe-style steel side-door guard beams, and energy-absorbing steering column	
Tire Pressure Monitoring System (TPMS)	
Nissan Vehicle Immobilizer System and Vehicle Security System	

PACKAGES

 Convenience Package
8-way power adjustable driver's seat with manual lumbar support
Automatic on/off headlights
Passenger-side front-window one-touch auto-up/down with auto-reverse

AMPING UP THE EVERYDAY.

Altima Coupe's low ride height and short wheelbase give it a sporty stance and an agile, responsive ride. So you can drive it like what it is – a true coupe.

Engine. Go for fun. The high-energy 175-hp 4-cylinder engine gives you friction-reducing technology like molybdenum-coated pistons and microfinished components. What's that all mean? You can have responsive, velvety smooth performance while still achieving an impressive 32 MPG highway.¹

175 | **32**
HP | MPG HWY¹

Continuously Variable Transmission (CVT). Altima Coupe's virtually gearless CVT transmission is a game-changer. Its super-smooth action creates the sensation of riding a continuous wave of power.

Z[®]-inspired suspension. It's nice to have a legend to borrow from. Your Coupe's Z[®]-inspired suspension features a lightweight multi-link design for a quick response that keeps you directly in touch with the road while still providing a level ride through the twisty stuff.

Vehicle-speed-sensitive steering. Light when navigating a parking lot, more weighted when tackling the turns. That's a win-win. More boost at low speeds makes maneuvering easier, and less boost at higher speeds helps give you a secure, confident feel.

Vehicle Dynamic Control (VDC)/Traction Control System (TCS).

A slick spot in a corner can have you suddenly going in a direction you didn't want. VDC monitors steering and braking in comparison to the vehicle's actual path and reduces engine power and/or applies appropriate brake pressure to specific wheels to help keep you on your steered path.² When the Traction Control System senses drive-wheel spin, it responds by reducing throttle or applying brake pressure to help maintain traction.

Standard Anti-lock Braking System (ABS)/Electronic Brake force Distribution (EBD). The standard ABS pumps the brakes faster than you possibly can in panic-braking situations. This helps prevent wheel lockup, so you can continue to steer around obstacles while continuing to brake heavily. When you have a car full of passengers, EBD senses the extra weight and sends additional force to the rear brakes for even greater confidence behind the wheel.

GET YOUR ALTIMA COUPE THE WAY YOU WANT IT.

2.5 S (standard features)

175-hp 2.5-liter 4-cylinder engine
Xtronic CVT[®] (Continuously Variable Transmission)
4-wheel disc brakes with Anti-lock Braking System (ABS)
17" Aluminum-alloy wheels
Nissan Intelligent Key[®] with Push Button Ignition
AM/FM/CD audio system with six speakers and auxiliary audio input jack³
Power windows, door locks, and outside mirrors
Multi-functional trip computer and cruise control
60/40 Split fold-flat rear seats with lock
Air conditioning with in-cabin microfilter
Six standard air bags⁴
Vehicle Dynamic Control (VDC)² with Traction Control System (TCS)

CONVENIENCE PACKAGE

8-way power adjustable driver's seat with manual lumbar support
Automatic on/off headlights
Passenger-side front-window one-touch auto-up/down with auto-reverse
Remote windows down and key-operated windows up/down
Sun visors with illuminated vanity mirrors and extension
Leather-wrapped steering wheel and steering wheel-mounted audio controls
Wood-tone trim (Blond interior only)

PREMIUM PACKAGE

Power sliding glass moonroof with tilt feature
Dual Zone Automatic Temperature Control (ATC)
Bose[®] audio system with 4.3" color display and nine speakers in seven locations
Bluetooth[®] Hands-free Phone System⁵
RearView Monitor⁶
SiriusXM Satellite Radio⁷
USB connection port for iPod[®] interface and other compatible devices⁸
MP3/WMA CD playback capability and Radio Data System (RDS)
Folding outside mirrors with turn signal indicators
This package requires Convenience Package.

LEATHER PACKAGE

Leather-appointed seats and heated front seats
High Intensity Discharge (HID) xenon headlights
Leather-wrapped shift knob
HomeLink[®] Universal Transceiver
Auto-dimming inside rearview mirror with compass
Mood lamp in roof console
Premium interior trim (Charcoal Leather interior only)
This package requires Premium Package.

TECHNOLOGY PACKAGE

Nissan Hard Drive Navigation System with 6.5" color touch-screen monitor and voice recognition⁹
Steering wheel-mounted navigation menu controls
NavTraffic⁷ and NavWeather⁷
DVD playback capability
Streaming audio via Bluetooth[®] wireless technology⁹
Auxiliary audio/video input jacks (replace standard auxiliary audio input jack)³
This package requires Leather Package. 4.3" Color display and in-mirror compass are deleted with this package.

¹2013 EPA Fuel Economy Estimate. Actual mileage may vary with driving conditions – use for comparison only. ²VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ³Driving is serious business and requires your full attention. Do not operate any devices connected to the auxiliary audio input jack while driving. iPod is a registered trademark of Apple, Inc. All rights reserved. iPod not included. ⁴Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. ⁵Availability of specific features is dependent upon the phone's Bluetooth[®] support. Please refer to your phone Owner's Manual for details. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. ⁶Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures.
