Welcome to Nissan of Elk Grove!

The largest-volume Nissan dealer in the Northwestern USA.

Since opening our doors in 2003, we have sold more Nissans than any other dealer in the Northwestern USA.

The drive for excellence has fueled our engines for over 30 years. Since opening our first Northern California dealership, we have kept our wheels trained in one direction: on building a strong team with the power to take a "buyer first" approach to everything we do.

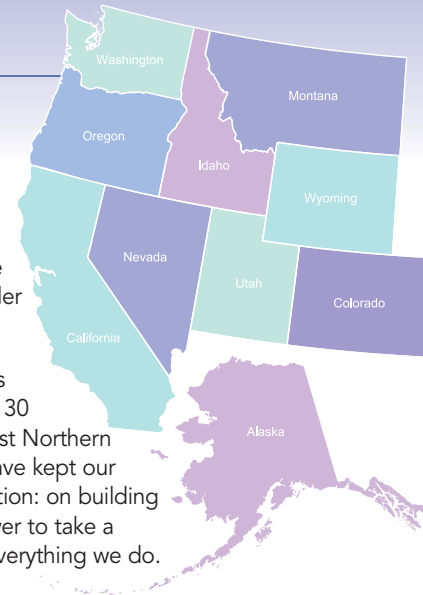

In addition to being a recipient of Nissan's coveted Circle of Excellence award in 2005 and 2006, Nissan of Elk Grove has also been awarded the NSSW (Nissan Sales Service Way). We are very proud of this prestigious award since there are 10,000 Nissan dealers world wide. Only four of these awards were presented to U.S. dealers. We earned this honor the same way we've earned the trust of our clients: by providing outstanding vehicles and superior service.

"I love the Nissan we purchased from Nissan of Elk Grove because it offers economy, reliability, and luxury all packaged in one excellent product. All of this combined with your friendly sales associates and quality client care makes you my dealership of choice!"

At Nissan of Elk Grove, our circle of excellence service includes:

- Offering a great selection of quality new and pre-owned cars, trucks, SUVs and minivans.
- Supplying the information to your questions and concerns to help you make an informed, confident decision;
- Guiding you through our efficient, no-pressure, no-hassle sales agreement process;
- Ensuring on-time and as-specified delivery of your car or truck;
- Providing after-delivery support, including discounts on value-added products and services.

Let our "buyer-first mandate" put you in the driver's seat of your car-buying experience... and behind the wheel of a new Nissan or Certified Pre-Owned vehicle.

The Central Value of Strong Values

NISSAN ALTIMA HYBRID

Motor Trend —“This ‘full hybrid’ can be driven by electric motor, gas engine or a combination of both.”

Our “360 Degrees of Excellence” Starts at the Center

Our sales philosophy is simple: Sell great cars in a fast, friendly, and efficient manner, always putting the interests of the buyer first. Achieving that ambitious mission requires strong leadership, strong values, and a strong staff.

We like to think of it as “360 degrees of excellence” that starts at the center, with management, and extends out to each member of our team. At Nissan of Elk Grove, we hire only the best and give them the training, tools, systems, and support they need...to meet your needs.

In those rare instances when a sales consultant or service associate is unable to immediately answer a client’s question or concern, he or she knows where to find the answer or solution. **Sometimes, that means going all the way to the top. To speak with owner, John Driebe, regarding your questions, comments, and concerns, call him on his direct line at 916-405-5101 or email jdriebe@foranyauto.com.**

And to further guarantee that every question is answered, any problem gets resolved, and every client’s needs are met, our dedicated Client Relations Department is just a phone call away: **916-405-5137**.

“We really appreciated the kindness and wonderful service provided by your dealership, particularly your General Manager and our sales associate. We will definitely come back again and tell all of our friends about the superb service we received.”
