

GET BIG BENEFITS FOR YOUR SMALL BUSINESS.

The road to qualifying is easy. Here's how:

If you're a registered business entity and will be using your vehicle in the day-to-day operation of your business, just bring a copy of any one of these completed documents to your dealer. (If you are purchasing a vehicle in your individual name, you must provide proof of proprietorship to document that you are the business proprietor.)

Eligible documentation includes:

- Copy of government document showing business tax identification number and business name
- Business incorporation documents
- State, county or municipal business license
- Copy of government document showing nonprofit tax identification number and business name
- Federal or state income tax forms showing operation as a business entity
- Enrolled BusinessLink customer number
- A Fleet account number
- Business license
- Copy of DBA or assumed-name documentation
- Sales tax license
- Workman's compensation/commercial general liability insurance
- State or federal forms with federal tax ID
- A complete copy of the most recent original tax return Form 1040 and all related schedules (including Schedule C or F) that were filed with the IRS
- A copy of an official government website document verifying the customer's business
- NOTE: Commercial driver's license is no longer eligible

If you are purchasing or leasing a vehicle, you must be a qualified business customer for more than 30 days prior to the date of vehicle purchase. There is no limit to the number of vehicles you are permitted to purchase or lease and receive the benefits of the On The Job program.

NOTE: 3500/4500/5500 Chassis Cabs with upfit do not require proof of eligibility.
