

Cargo Net 2nd row

\$84.97

Handy way to keep things from sliding around. The Toyota Cargo Net has a rugged "hammock-style" netting with elastic closure. The flexible, nylon braided net secured by tie-down rings in the cargo area prevents items from flying around while on the road. The stretchable net secures and protects all of your cargo. Easy to install, it can easily be removed and stored in a compact way when not in use.

Tonneau Cover

\$244.02

Increase privacy for the cargo area with a Tonneau Cover. This nylon cover is simple to remove and retracts into a compact roll when not in use.

Cross Bars

\$274.00

Built to meet Toyota's high quality standards for performance and strength, the cross bars are designed to install with ease and can be easily adjusted with no tools necessary. (Loading capacity 60 kg)

Hitch Ball 2" - 6,000 lbs

\$32.09

The Toyota Towing Hitch Ball is designed and tested to meet your Toyota's towing specification and quality standards.

Hood Deflector

\$211.98

Your hood can take a beating and still look great. Made from thick high-grade tinted acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra side protection. Thanks to the no-drill installation, it can be placed on a hood in minutes.

Plug-In Block Heater

\$325.00

The Plug-In Block Heater makes a cold weather start a breeze. A custom-designed system with 400 watts of heating power not only warms a vehicle up quicker but also reduces engine strain and wear. The heater also saves fuel and battery power during startups. With the socket conveniently integrated into the front valance, the Plug-In Block Heater has a factory finished look. It comes with both a main 8-foot and spare 18-inch power supply cord, with a 16-foot cord available separately.

**Remote Engine Starter
(without Smart Key)**

\$821.86

When outside temperatures dip as low as -30C, enjoy the luxury of having your vehicle ready and waiting with a comfortable vehicle interior temperature. The Remote Engine Starter enables you to start your engine up to 24 meters away (80 feet), activating preset air conditioner, heater, and defogger functions (range can be affected by the surrounding environment), creating an ideal cabin temperature when it's time to head down the road.

TRD Air Filter

\$105.00

Pre-oiled and ready to install. Washable and reusable. This exact drop-in replacement filter will last the life of the vehicle, provide unrivalled engine protection and increase air flow.

TRD Air Filter Cleaning Kit

\$34.99

Created specifically for vehicles already equipped with a TRD performance air filter, the cleaning kit includes everything owners need to help ensure the superior protection and performance of the air filter.

TRD Oil Cap Screw on Style

\$75.00

Manufactured from forged, highly polished billet aluminum, the TRD oil cap features a red on black TRD logo to customize the engine compartment with a high-tech, race-ready appearance. Its finished with a high-luster coating to maintain appearance for years to come.

For calculation purposes, all accessory pricing includes installation (if required). However, because the cost of doing business varies, the installation portion of the price may not be the exact cost of installation at a dealership. Please confirm accessory pricing with your dealership.
