

Cargo Liner

\$124.99

This cargo liner gives full protection to your cargo area, even when the 3rd row seats are folded down. Features and benefits include:

- Anti slip surface keeps your valuables stable in the cargo area
- Unique honeycomb design adds form and rigidity to cargo liner surface
- Raised rim lip keeps spills limited to the cargo liner area
- Integrated living hinge allows cargo liner to protect the rear of the 3rd row seats in tandem or single use when stored flat
- Unique split cargo liner design allows multiple configurations of use, while maintaining full function of 3rd row seating
- Cargo liner attaches to the back of 3rd row seating (when in use), keeping cargo liner in place

Cargo Net - vertical

\$69.97

Handy way to keep things from sliding around. The Toyota Cargo Net has a rugged "hammock-style" netting with elastic closure. The flexible, nylon braided net secured by tie-down rings in the cargo area prevents items from flying around while on the road. The stretchable net secures and protects all of your cargo. Easy to install, it can easily be removed and stored in a compact way when not in use.

Block Heater

\$240.02

Makes a cold weather start a breeze. Custom-designed system with 400 watts of heating power not only warms a vehicle up quicker but also reduces engine strain and wear. Heater saves fuel and battery power during startups as well. The strain relief electrical cord (available on selected models) reduces cord damage.

Body side Moulding

\$285.03

Protect your vehicle from dings and bumps. Constructed from durable rubber, the moulding offers long-lasting protection from any type of incidental contact. Mouldings are custom styled to accent a vehicle's exterior.

Cross Bars

\$324.99

These Highlander/HV roof rack cross bars are engineered specifically to integrate with the Highlander's factory roof rails, enhancing the vehicle's utility and cargo management versatility. This set of two fully adjustable cross bars provide additional secure tie-down points for all types of roof rack accessories and can support a maximum of 45kg when evenly distributed across both bars.

Hitch - 2" Receiver

\$699.03

The Toyota Hitch System is specifically manufactured for your vehicle. Each System has been engineered to obtain your vehicle's safest maximum tow rating. For durability, all Toyota Hitch Systems are e-coated and powder coated to prevent rust and corrosion and designed to meet or exceed all industry towing standards. Please refer to your vehicle's Owner's Manual for the rated towing capacity.

Hitch Ball 2" - 6,000 lbs

\$32.09

The Toyota Towing Hitch Ball is designed and tested to meet your Toyota's towing specification and quality standards.

Hitch Platform

\$89.99

The Towing Hitch Platform is custom designed to accommodate the height of the vehicle with conventional towing. Don't settle for third party generic parts that are not custom fit for the vehicle.

Hitch Wiring Harness

\$260.01

The towing hitch wire harness (4-pin flat connector) is a must for attaching the electrical connections of your trailer. Depending on the size of your trailer and the province you are in, it is a legal requirement.

Hood Deflector

\$204.00

Your hood can take a beating and still look great. Made from thick high-grade tinted acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra side protection. Thanks to the no-drill installation, it can be placed on a hood in minutes.

Remote Engine Starter

\$745.00

When outside temperatures dip as low as -30C, enjoy the luxury of having your vehicle ready and waiting with a comfortable vehicle interior temperature. The Remote Engine Starter enables you to start your engine up to 24 meters away (80 feet), activating preset air conditioner, heater, and defogger functions (range can be affected by the surrounding environment), creating an ideal cabin temperature when it's time to head down the road.

Side Step Bars

\$745.01

Designed specifically around the Highlander's unique styling cues, Highlander side step bars are as attractive as they are functional. Available in a brushed aluminium finish, these side steps are custom fitted and designed for your vehicle. Plus, they provide easy step-in access to the vehicle and feature integrated, skid resistant step pads for secure footing at all times.

For calculation purposes, all accessory pricing includes installation (if required). However, because the cost of doing business varies, the installation portion of the price may not be the exact cost of installation at a dealership. Please confirm accessory pricing with your dealership.
