

**Cargo Liner**
**\$90.00**

Moulded to an exact fit for maximum coverage and protection for the Sienna's cargo area, this all-season cargo liner features a hexagonal pattern matching the all season floor mats. A raised perimeter lip designed to contain dirt, debris and liquids helps keep your cargo area clean, dry and stain-free. The cargo liner also features a custom-moulded Sienna logo for an added touch of character.

**Cargo Net**
**\$70.00**

Handy way to keep things from sliding around. The Toyota Cargo Net has a rugged "hammock-style" netting with elastic closure. The flexible, nylon braided net secured by tie-down rings in the cargo area prevents items from flying around while on the road. The stretchable net secures and protects all of your cargo. Easy to install, it can easily be removed and stored in a compact way when not in use.

**Block Heater**
**\$240.02**

Makes a cold weather start a breeze. Custom-designed system with 400 watts of heating power not only warms a vehicle up quicker but also reduces engine strain and wear. Heater saves fuel and battery power during startups as well. The strain relief electrical cord (available on selected models) reduces cord damage.

**Body Side Moulding**
**\$285.00**

Protect your vehicle from dings and bumps. Constructed from durable rubber, the molding offers long-lasting protection from any type of incidental contact. Moldings are custom styled to accent a vehicle's exterior.

**Chrome Accent Moulding**
**\$244.98**

This lower Chrome Accent Moulding is designed to accentuate the styling cues of the Sienna while adding a touch of class with its factory fit and bright chrome finish.

**Cross Bars**
**\$274.99**

Built to meet Toyota's high quality standards for performance and strength, the cross bars are designed to install with ease and can be easily adjusted with no tools necessary. (Loading capacity 68 kg)

### Hitch and Ball Platform - 1 1/4 inch Receiver

\$479.02

The Toyota Hitch System is specifically manufactured for your vehicle. Each System has been engineered to obtain your vehicle's safest maximum tow rating. For ease of use, the Towing Hitch Platform has been custom designed to accommodate the height of your vehicle with conventional towing. For durability, all Toyota Hitch Systems are e-coated and powder coated to prevent rust and corrosion and designed to meet or exceed all industry towing standards. Please refer to your vehicle's Owner's Manual for the rated towing capacity.

### Hitch Ball 1 7/8" - 2,000 lbs

\$28.99

The Toyota Towing Hitch Ball is designed and tested to meet your Toyota's towing specification and quality standards.

### Hitch Ball 2" - 3,500 lbs

\$29.02

The Toyota Towing Hitch Ball is designed and tested to meet your Toyota's towing specification and quality standards.

### Hitch Wiring Harness

\$390.00

The Towing Hitch Wiring Harness (4-pin flat connector) is a must for attaching the electrical connections of your trailer. Depending on the size of your trailer and the province you are in, it is a legal requirement.

### Hitch, Ball Platform and Wiring Harness - 1 1/4 inch Receiver

\$869.02

The Toyota Hitch System is specifically manufactured for your vehicle. Each System has been engineered to obtain your vehicle's safest maximum tow rating. For ease of use, the Towing Hitch Platform has been custom designed to accommodate the height of your vehicle with conventional towing. For safety, the Wire Harness (4-pin flat connector) features high-quality plug-in connectors specific to each Toyota model to ensure seamless taillight and turn signal operation. For durability, all Toyota Hitch Systems are e-coated and powder coated to prevent rust and corrosion and designed to meet or exceed all industry towing standards. Please refer to your vehicle's Owner's Manual for the rated towing capacity.

### Hood Deflector

\$205.97

Your hood can take a beating and still look great. Made from thick high-grade tinted acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra side protection. Thanks to the no-drill installation, it can be placed on a hood in minutes (except on Tundra and Sequoia).

For calculation purposes, all accessory pricing includes installation (if required). However, because the cost of doing business varies, the installation portion of the price may not be the exact cost of installation at a dealership. Please confirm accessory pricing with your dealership.

### Remote Engine Starter (without Smart)

\$690.04

When outside temperatures dip as low as -30C, enjoy the luxury of having your vehicle ready and waiting with a comfortable vehicle interior temperature. The Remote Engine Starter enables you to start your engine up to 24 meters away (80 feet), activating preset air conditioner, heater, and defogger functions (range can be affected by the surrounding environment), creating an ideal cabin temperature when it's time to head down the road.

### Security System

\$369.99

Help protect your investment with our security system. With enhanced sensors, the system detects unauthorized entries and activates an alarm to help deter thieves.

### Bongiovi Acoustics DPS

\$429.99

BONGIOVI ACOUSTICS DPS is a fully digital state of art audio system that processes the audio stream in real time and routes the enhanced audio to a 4 channel digital amplification system. The result is an unparalleled listening experience in your Toyota vehicle. BONGIOVI DPS ACOUSTICS smooths out the differences in volume between any audio source (CD, AM, FM, Satellite Radio) and greatly improves the sound of all sources of audio including portable music devices.

### BLU Logic Bluetooth

\$411.23

BLU Logic® connects to handsets equipped with Bluetooth® wireless technology that enables connectivity between multiple devices. This technology allows customers to use their cell phone hands-free in the vehicle.

### Rear Seat Entertainment (Auxilliary)

\$2,150.10

This dual headrest Rear Seat Entertainment System lets your rear passengers watch movies, play video games and even listen to music. Featuring two seven-inch LCD Touch Screen Display monitors with integrated DVD players, the system is compatible with the Active Headrest Safety System. A fit kit is used to mount the docking stations on the top of the driver's and passenger's front seats just below the headrest. Each monitor can operate independently to allow for separate video or video game use and includes a pair of infrared wireless headphones with two user selectable channels (A and B) that offer superior stereo sound quality. Both monitors also feature RCA A/V jacks for connecting external inputs such as video game systems or digital cameras.

### XM Satellite Radio

\$724.96

Enable your satellite radio ready factory audio system! Our package contains the required components to enable you to tune into the commercial free radio station of your choice. Please note that the satellite radio requires a contract subscription with your local service provider.

For calculation purposes, all accessory pricing includes installation (if required). However, because the cost of doing business varies, the installation portion of the price may not be the exact cost of installation at a dealership. Please confirm accessory pricing with your dealership.
