Hitch, Ball Platform & Wire Harness- 2 inch Receiver

\$855.49

The Toyota Hitch System is specifically manufactured for your vehicle. Each System has been engineered to obtain your vehicle's safest maximum tow rating. For ease of use, the Towing Hitch Platform has been custom designed to accommodate the height of your vehicle with conventional towing. For safety, the Wire Harness (4-pin flat connector) features high-quality plug-in connectors specific to each Toyota model to ensure seamless taillight and turn signal operation. For durability, all Toyota Hitch Systems are e-coated and powder coated to prevent rust and corrosion and designed to meet or exceed all industry towing standards. Please refer to your vehicle's Owner's Manual for the rated towing capacity.

Roof Rack

\$615.02

Carry more on your roof. Ideal for carrying skis and bikes, this custom-fit rack has a quality, integrated look and offers cargo-carrying capability without sacrificing interior space. A wide range of shapes and sizes can be securely fastened with minimal chance of shifting. (Loading capacity 45 kg)

Hood Deflector

\$206.00

Your hood can take a beating and still look great. Made from thick high-grade tinted acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra side protection. Thanks to the no-drill installation, it can be placed on a hood in minutes (except on Tundra and Sequoia).

Remote Starter without Smart Key

\$600.00

When outside temperatures dip as low as -30C, enjoy the luxury of having your vehicle ready and waiting with a comfortable vehicle interior temperature. The Remote Engine Starter enables you to start your engine up to 24 meters away (80 feet), activating preset air conditioner, heater, and defogger functions (range can be affected by the surrounding environment), creating an ideal cabin temperature when it's time to head down the road.

Bongiovi Acoustics DPS

\$430.00

BONGIOVI ACOUSTICS DPS is a fully digital state of art audio system that processes the audio stream in real time and routes the enhanced audio to a 4 channel digital amplification system. The result is an unparalleled listening experience in your Toyota vehicle. BONGIOVI DPS ACOUSTICS smooths out the differences in volume between any audio source (CD, AM, FM, Satellite Radio) and greatly improves the sound of all sources of audio including portable music devices.

For calculation purposes, all accessory pricing includes installation (if required). However, because the cost of doing business varies, the installation portion of the price may not be the exact cost of installation at a dealership. Please confirm accessory pricing with your dealership.
