

Door Sill Protectors Illuminated

\$260.00

These stylish door sill protectors are not only functional, but offer a styling accent that is immediately noticed when entering the vehicle.

Heated Leather Seats

\$1,890.00

A Toyota Heated leather seat installation is exactly what every owner needs to amplify their Toyota stylish good looks and optimize comfort! Leather adds a classic touch by improving in appearance, comfort and feel with time and use. The Toyota heated leather seat program was created to offer a custom factory feel leather that is manufactured according to Toyota's strict engineering specifications. Each design is created specifically for each applicable Toyota.

Block Heater

\$240.02

Makes a cold weather start a breeze. Custom-designed system with 400 watts of heating power not only warms a vehicle up quicker but also reduces engine strain and wear. Heater saves fuel and battery power during startups as well. The strain relief electrical cord (available on selected models) reduces cord damage.

Hood Deflector

\$169.99

Your hood can take a beating and still look great. Made from thick high-grade acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra side protection. Thanks to the no-drill installation, it can be placed on a hood in minutes.

Rear Bumper Protector

\$75.98

Keep your bumper looking brand new. The Protector, made from formed PVC, is easy to use and is custom-fitted to the rear bumper of most Toyota's. Not only does it resist damage from scratches and scrapes but also its non-skid surface offers extra traction for easy loading or unloading.

Remote Engine Starter

\$619.94

Enjoy the luxury of having your vehicle ready and waiting with a comfortable vehicle interior temperature, no matter what the weather is outside. The Remote Engine Starter enables you to start your engine up to 80 feet and activate preset air conditioner, heater, defroster and defogger functions from a remote location (range can be affected by the surrounding environment), creating an ideal cabin temperature when it's time to head down the road.

TRD Lowering Springs
\$963.96

TRD lowering springs lower the vehicle's center of gravity, enhancing the vehicle's on-road performance through quicker turn-in, enhanced steering response and improved cornering ability.

TRD Oil Cap Screw on Style
\$75.00

Manufactured from forged, highly polished billet aluminum, the TRD oil cap features a red on black TRD logo to customize the engine compartment with a high-tech, race-ready appearance. Its finished with a high-luster coating to maintain appearance for years to come.

TRD Oil Filter 1.8l
\$20.00

TRD High Performance Oil Filters incorporate state-of-the-art design and materials offering superior protection.

TRD Rear Sway Bar
\$371.34

Engineered by TRD to enhance the vehicle's handling characteristics, the rear sway bar provides a flatter, more stable cornering stance. Constructed of high-quality spring steel, the sway bar features a gloss red powder coat finish that resists corrosion and protects against road damage, while providing a striking visual enhancement to the vehicle.

For calculation purposes, all accessory pricing includes installation (if required). However, because the cost of doing business varies, the installation portion of the price may not be the exact cost of installation at a dealership. Please confirm accessory pricing with your dealership.
