¹Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for more important feature limitations and information. ²Functionality varies by model. Full functionality requires compatible Bluetooth[®] and smartphone, and USB connectivity for some devices. ³Vehicle user interface is a product of Apple[®] and its terms and privacy statements apply. Requires compatible iPhone[®] and data plan rates apply. Apple CarPlay, Siri, iPhone and Apple Music are trademarks of Apple, Inc., registered in the U.S. and other countries. ⁴Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. Android, Google Play and Android Auto are trademarks of Google LLC. ⁵Service varies with conditions and location. Requires active service plan and paid AT&T[®] data plan. See onstar.com for details and limitations. Vehicle must be on or in accessory position for Wi-Fi[®] to function. ⁶The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adapter/back cover. For a list of GM wireless charging-compatible mobile devices see my.chevrolet.com/learnAbout/wireless-charging. If your device is not on this list, please consult your carrier. ⁷Cargo and load capacity limited by weight and distribution.
