GAPCoverage

ADDED ASSURANCE FOR YOUR LINCOLN

Your Lincoln.
Your investment.

Protect both with GAPCoverage

If your Lincoln is stolen and not recovered, or declared a total loss, GAPCoverage bridges the gap by waiving the difference between your current outstanding finance balance* and your insurance settlement.

- Applies to new, used, and Certified Pre-Owned vehicles
- No maximum amount financed
- Up to 96-month terms
- Avoids cash outlay required to cover your insurance deductible with coverage up to $1,000**
- No maximum coverage limit

Exclusions: GAPCoverage does not provide benefits when loss or damage occurs:

- Due to fraud or intentional damage by you
- Prior to the total loss date
- Outside the U.S. or Canada
- Due to legal confiscation by a public official
- If the vehicle is licensed or registered/titled in a business name or used for business, or has a salvage title

And it does not cover items such as:

- Late charges
- Various refundable amounts due to you for early cancellation of financed products

Additional limitations apply. Be sure to review all limitations outlined in your GAP addendum.

Keep in mind, GAPCoverage is only available at the time of vehicle purchase. For more details, visit LincolnAFS.com or consult your Lincoln Retailer.
