HIGH MILEAGE VEHICLE SERVICE CONTRACT

SERVICE CONTRACT

HIGH MILEAGE VEHICLE SERVICE CONTRACT

It's no surprise that most major repairs are needed after the original factory warranty has expired, which means you will have to deal with all the inconvenience, time, energy and expense of those repairs.

Depending on the age and mileage of your vehicle, you can purchase up to 48,000 miles of coverage. The **High Mileage Vehicle Service Contract** begins on the purchase date and expires according to the term and mileage selected, whichever occurs first, and includes a deductible based on the option selected. You can select from a national network of over 6,000 authorized service centers or any licensed repair facility in the U.S. or Canada.

TWO COVERAGE LEVELS*

- OWNER SELECT COVERAGE
- DRIVETRAIN PLUS COVERAGE

* Coverage level availability may be limited based on the age, mileage, make and model of your vehicle. Deductible applies.
