Administrative Assistant

Shout out to **Jonathan Rivera**! Jonathan is a Kia Master Tech who has been with Gary Rome Kia for over 12 years. I can go to him to pick his brain on any questions and is always there with answers. Whenever there is a vehicle headache **Jonathan** does not hesitate to help out and figuring out what is wrong with the vehicle. Thank you **Jonathan** for everything you do for us in the Service Department, you are a true asset and pleasure to have on my team! *-Ivy Velez*

Shout out to **Kariana**! Welcome to the family I am excited to watch you grow here at Gary Rome Hyundai and work with you!

-Sue Hyde

Shout out to **D'Angelo Sanchez** and **Cassidy Thorpe**. **D'Angelo** has been our Recon Manager for two years now and after a switch to the Sales Department, came out on FIRE. He has quickly learned the processes, got certified in just three days and has hit the ground running. He has an amazing way with his customers, he is thorough and his attention to detail is fantastic. He makes a great addition to the team and we are happy to have him. **Cassidy** has returned to us after a three year hiatus and has helped us tremendously in the office. She picked up right where she left off, requiring little training and has already made a difference in streaming processes and taking a lot of pressure off Rich and Katelyn, allowing all three to focus on getting the job done faster and smarter. I am happy to have **D'Angelo** and **Cassidy** as part of the family and I am quite certain they will be part of it for years.

Get To Know The Family

What is your favorite part about your job?

I love being creative and designing new images all of the time. I also enjoy working with my coworkers in a fun and positive environment

What is your professional background?

My professional background is graduating from Fitchburg State University in 2015 with my Bachelors in Communications. Since college, I have worked in the Communications field as a prior Marketing Assistant and Receptionist.

If you could learn about anything in the world, what would you like to know more about?

I would like to know more about the process of how wine is made, packaged and sold.

Brittany Zabielski,
Social Media
Administrator

In the month of September, we get to know Brittany Zabielski from Hyundai and Katelyn Doyle from Kia better this month. Brittany is a Social Media Administrator at Hyundai who is celebrating a 2 year anniversary with the company! Katelyn is the Administrative Assistant at Kia who has been with the company for 7 years now! Both of these ladies bring a positive vibe and attitude to the offices they work in. We are so grateful to have such wonderful role models working for the company! Congratulations on your work anniversaries!

What is your favorite part about your job?

My favorite part of my job is how well our office team works together. I love working with them!

What is your professional background?

I have a Bachelor's degree in Early Childhood Education. I have been working at Gary Rome Kia since I graduated college in 2013.

If you could learn about anything in the world, what would you like to know more about?

I love to learn, so this is a difficult question for me! If I had to narrow it down, it would probably be food. I've always been fascinated with learning about food and cooking in different cultures; parapsychology would be a close second.

Katelyn Doyle,
Administrative Assistant
