I want to give a HUGE THANK YOU to all my Office Staff at both Hyundai and Kia!!! It has been a challenging year to say the least and everyone of you dug in and gave it your all. We went through three months of half staff during a pandemic with record breaking months in the dealerships. The team work and dedication you gave us is Highly Commendable!! Thank you for all of your hard work!!!! I wish you all Happy Holidays and Happy 2021!!!

-Renee

I would like to show appreciation to the whole Parts Department. For Omar for helping me day to day run this department and Edgar Jr. playing key role and learning and observing all aspects of the job. Keith, your continuous strive towards perfection, its only been a year keep learning and growing. Josh, you are a big help with your experience. Mark, Edgar Sr, Shaughn and sometimes Duke you guys are the people our wholesale customers see and relate to every delivery. Thanks for all you've done. *-Macho*

Welcome To The Family!

Shaun Stevens,
Finance Manager, Kia

Gilberto Vega,
Porter, Hyundai

I would like to give a big thank you to Cathy Riley! I greatly appreciated everything you did to organize a beautiful shower to help me welcome my baby boy. I was completely surprised and had no idea of it at all. It was truly something I will never forget. Thank you again! *-Telesha Williams*

Shout out this month to Shaun Stevens, our new Business Manager, who came to us just three weeks ago. Shaun comes to us with years of experience as a Business Manager, but little experience with our processes and our computer system. We asked him to jump in and take over that department with the help and support of team members, he has exceeded our expectations. He is not just a quick learner of the processes, but also contributing greatly to the bottom line. Shaun fits well here as he has worked with a couple of current team members, but has also gelled quite well with the entire staff. We are happy to have him and look forward to a long relationship. *-David Nathan*
