Gary's Corner

"Our Gary Rome Hyundai Family is honored to announce our partnership with Ronald McDonald House Charities. We look forward to making an impact for these families by providing the extra comfort they need. When they are going through emotional traumas Ronald McDonald House Charities ensures they feel loved during their children's treatments."

HYUNDAI KONA AND KONA ELECTRIC CUV WINS PRESTIGIOUS 2019 NORTH AMERICAN UTILITY VEHICLE OF THE YEAR

2019 Hyundai Kona

In 2019, Hyundai raised the bar for features across all trim levels of the Kona. Standard features now include: automated emergency braking, lane-keep assist, and driver attention monitor.

2019 Hyundai Kona Electric

New to the 2019 Hyundai Line up, the Kona Electric is poised for success. The electric motor drives the front wheels and had earned a 120 MPGe combined rating for the EPA. It is said to deliver 258 miles of driving range-20 more than the Chevrolet Bolt EV.

The 2019 North American Utility Vehicle of the Year jury is made up of top journalists and analysts based in the United States and Canada.

Since 1994, they have recognized top cars, trucks and utility vehicles. This year's jury of 54 media outlets includes legacy newspapers, magazine experts, broadcast veterans, digital columnists and freelance media.

"Shout out to **Patrick Perez**. You are always willing to go the extra mile when it is needed most. I can always count on you and I appreciate it! Keep up the hard work."

-Jim Ferreira

"Shout Out to **Hailey Raleigh** on her promotion from Service Coordinator to Marketing Manager and **Vanessa Williams** on her promotion to Lead Business Development Specialist. Both ladies have earned every bit of their promotion and recognition. I'm excited to watch them continue to flourish and grow in their career. I would also like to welcome **Karissa Leduc** to the team. We're excited to have you on our team and recognize you as part of our family. A big CONGRATULATIONS to the entire BDC sales team. You all rock to the top and it shows. Your hard work and dedication helped the department achieve our highest sales ever in BDC history in June."

-Telesha Williams

"Shout out to **Hector Santiago**, who after a little over four years will be leaving us next week to pursue another career. Hector has been a model employee, loyal, and super hard working. He does not have it in himself to say no to any request even if it is not in his description. He made managing the lot and the showroom an art. It is not perfect until hector says it is perfect. From swaps to sweeping he did it all even WINDOWS. He will be missed terribly by everyone here but no one more than me. Hector made my job easier. Best of luck my friend, there will always be a position here for you. You will always be family wherever you are in the future."

-David Nathan

"Shout out to **Brittany Zabielski**! You have made my transition to my new role seamless and have really exemplified what a team player is! I thank you for all your help and keep up the great work!"

-Hailey Raleigh

GIVING BACK TO THE COMMUNITY

GARY ROME HYUNDAI

has partnered with
**Ronald McDonald
House Charities®**

Their Impact:

When children are sick and being treated at Springfield area medical facilities, the Ronald McDonald House of Springfield, MA® is a welcome “home away from home” for children and their families. A dedicated group of volunteers assist a full time House manager to sustain the House. Families have the privacy of their own bedroom and bath and communal support of dining and recreation facilities. All the comforts of home.

How we will help:

We will be fundraising through our denim Fridays, brown bag bingo, and various other events to satisfy their needs for Ronald McDonald House Charities.
